**YOUTH OPPORTUNITYPASS, SANDAG**

IN November election, Measure B was officially passed by voters. This is the reform of the people's Ordinance, a 100 year old law. The next steps in the process will most likely be a study to find out what kind service people want, then an assessment on how much that will cost. Of course, this process will be an open and public discussion everyone is invited to participate and weigh- in with their ideas.
