

College Area Community Planning Board (CACPB)

Community Plan Update Committee

Public Facilities & Safety Element Goals + Policies

Wednesday | July 22, 2020

Key Takeaways

- Add all traditional schools, including the Language Academy, to the list of schools that serves the community.
- Focus on increasing active transportation connectivity, instead of prioritizing public facilities limited to transit corridors and nodes.
- Urban Design Element - incorporate the policy regarding encouraging commercial mixed-use development to offer public spaces for gathering and resting.
- Urban Design & Mobility Elements – encourage new development to widen rights-of-ways.
- In future meetings, minimize overviews provided by City staff to allow maximum time for comments and wordsmithing of goals and policies.
- For the future, consider a publicly noticed ad hoc committee for goals and policy wordsmithing.
- Committee members will commit themselves to reviewing, commenting, and providing feedback for all draft policies prior to the meeting.
- Committee members will review remaining draft Public Safety and Public Facility policies and will email feedback to Robert before Monday, July 27, at 5 p.m. Robert will email Nathen consolidated changes.
- City staff will email key takeaways and committee contact information to committee members.
