

On average, 50 people lose their lives each year to traffic crashes in San Diego. Another 150 people are seriously injured.

Vision Zero is a strategy to eliminate traffic deaths and injuries in San Diego by 2025.

ZERO TRAFFIC DEATHS

VISION ZERO

IN SAN DIEGO BY 2025

Your story will support the prevention of future fatalities.

A photograph of a city street scene. In the foreground, a man wearing a grey helmet, a blue button-down shirt, and jeans is riding a blue bicycle. He has a black backpack. To his right, two men are walking across the street. In the background, a white bus with "MTS" and "30" on its front is visible. The scene is set in an urban environment with traffic lights and buildings in the distance.
