POLICE DEPARTMENT

Returned herewith is petition of various property owners regarding the Tavern Hacienda.

Complying with your instructions, two separate reports on this establishment have been forwarded to your office recently from Capt. A. R. Hill, commanding officer of the East San Diego Division.

Information has reached me today that a counter petition is being circulated in this neighborhood by the owners of this establishment and will be filed shortly.

I am informed that Radio Patrol crews cover this territory frequently each night in an effort to keep down disturbances and caution visitors about noise when leaving. Several arrests have been made and every effort within the law is being exercised to be of service to those who are protesting.

It would appear, therefore, that the only other recourse would be through the courts provided the neighbors wished final and conclusive action.

Please be assured this Department will continue its efforts to solve this problem.

Respectfully,

J. T. PETERSON, CHIEF OF POLICE
