

Dear Sir:

On the evening of February 26, 1961 I was confronted with a petition regarding the new proposed posted surfing & swimming areas in Pacific Beach. This petition objected to moving the area for surfers to between Diamond Street & Seldspar Street. I signed this petition. It was being circulated by a Mr. Patti, owner of Patti's Motels. After having further considered the proposed action and being presented a more accurate picture of the true situation, it is my feeling that Mr. Patti's petition was misrepresented in some

aspects and I do hereby  
authorize you to strike  
my name from the above  
mentioned petition. Thank  
you for your co-operation  
in this matter.

Sincerely yours,  
F. L. Goff, Jr.
