Honorable Sir:

Mr. Thomas Young operator of The Silver Slipper Amusement Center, on Fifth Avenue near Market for the pleasure and enjoyment of our group, which has increased in a very large percentage in the past few years is contemplating on moving to a building on Main Street near Beardsley St. where he desires to open his business under the same conditions of his 5th Avenue establishment, subject to the Approval of the City Authorities.

We, the Executive Committee of Dennis T. Williams Post No. 310, The American Legion, Department of California, do unánimously recommend that The City Council approve of Mr. Young's application.

It has been our pleasure to work with Mr. Young on several occasions and find him to be very Law abiding and he strickly believes in Clean Moral intertainments. This building will afford more space for our increasing population in this wonderful city and we think it will be a much better location, we are therefore requesting your cooperation and support in this matter.

Yours very respectfully,
