San Diego City Council  
1600 Pacific Highway  
San Diego, California

Federal Employees Rod &  
Reel Club

Dear Sirs:

Lakeside Sportsmen's Club

At the regular August meeting of the San Diego County Wildlife Federation directors discussed the problem of access to the boat launching ramp at La Jolla Shores. The ramp is located on the North side of and adjacent to the La Jolla Shores Beach and Tennis Club.

Oceanside-Carlsbad  
Sportsmen's Club

Lemon Grove Rod & Gun Club

At the present time sun bathers and swimmers use the ramp area to lie in and for recreation. When boat owners come to La Jolla Shores to launch their boats, they frequently find the ramp area cluttered with sun bathers stretched out on their blankets. These people are considerably irritated when requested to move and frequently refuse to make room.

Marine Corps Recruit Depot  
Rod & Gun Club

San Diego Telco Sportsmen's  
Club

Directors to the San Diego County Wildlife Federation voted to request the San Diego City Council to correct this problem by the following means:

Palomar Sportsmen's Club

San Diego Angling & Casting  
Club

1. Place sign at the La Jolla Shores Boat Launching Ramp prohibiting the use of the ramp area to sun bathers.

San Diego County Fish &  
Game Assn.

2. Rope off the North side of ramp, sea wall to the water, clearly defining the ramp area.

San Diego Field Archers

Directors of the San Diego County Wildlife Federation will greatly appreciate the consideration of this request by the San Diego City Council.

San Diego Marlin Club

South Bay Rod & Gun Club

Very truly yours,

The La Jolla Skinners

LEO B. CALLAND, DIRECTOR, PARK & REC.    DON B. VINNE, AQUATIC SUPERINTENDENT  
LAUNCHING AREA - LA JOLLA SHORES

We have read the attached communication from San Diego County Wildlife Federation and agree with it. Signs have been placed on this area at various times and are soon vandalized. A rope would not last overnight in this area.

The problem of swimmers in any large number is over for the next few months. During the interim we will try and devise a means of marking the area off and properly posting it.

DON B. VINNE
