

# Save More with a Network Dentist

## Elite Plus

**United Concordia's large, nationwide dentist network, combined with our knowledge of local markets, means you can find affordable, quality care with great service no matter where you live.**

### What Is a Network Dentist?

Network dentists agree to accept United Concordia's discounted fees as payment in full for covered services. Non-network dentists can charge you more. This means you'll lower your out-of-pocket expense using a network dentist.

You can still receive care from any licensed dentist. But your benefits may differ and your out-of-pocket costs could be higher with a non-network dentist. Using a network dentist maximizes your dental benefits because they:

**Save money**—A network dentist saves you the difference between our negotiated fees and the dentist's regular charges. And, you stretch your benefit dollars by getting more services before reaching your annual maximum.

**Save time**—Network dentists file your claims for you, saving you time and the hassle of paperwork.

**Save worry**—Every network dentist goes through a rigorous review, so you know you're getting high-quality care.
