Honorable Fred W. Simpson, Councilman,
1409 State Street,
San Diego, Calif.

Dear Fred:

Your suggestion regarding a bicycle path along the bayside of the Mission Beach area is, I believe, a mighty splendid one.

I am forwarding your letter to the Department of Public Works with the recommendation they incorporate such a path in our plans for the development of Mission Bay Park.

If you have any more good ideas, please do not hesitate to advise me.

Sincerely yours,

Matthew M. Gleason,
Vice-President.
