Subject: City of San Diego FY 21/22 JRMP Annual Report CW-255222 and WDID 9000000510  
Submittal of City of San Diego Fiscal Year 22 JRMP Annual Report

Dear Mr. Gibson:

In accordance with MS4 Permit Provision F.3.b, the City of San Diego's Fiscal Year (FY) 22 Jurisdictional Runoff Management Plan (JRMP) Annual Report is being submitted as an appendix to the annual reports for the Water Quality Improvement Plans for which the City of San Diego (City) is a responsible agency. To comply with direction from San Diego Water Board staff, the City is also submitting the FY 22 JRMP Annual Report as a separate PDF file to facilitate SMARTS upload by San Diego Water Board staff.

### **City of San Diego Online Reporting Dashboards**

The City has created online reporting dashboards with detailed information on the City's efforts to address stormwater quality. The dashboards can be viewed at <https://www.sandiego.gov/think-blue/data-maps>. The dashboards cover information collected in association with multiple programs within the Stormwater Department and other City departments.

### **JRMP Modifications**

In FY 22, the City of San Diego modified the JRMP to revise City department titles and organization charts as well as revise the status of the former Qualcomm stadium property. A

revision was also made to a standard operating procedure for a City department activity. The modified JRMP can be viewed at the link shown below:
