This will be the second time the San Diego Humane Society has held the pet resource fair in District 6 with Councilmember Cate, and first time the event will be in the community of Mira Mesa. Hundreds of individuals have already advanced registered online for the event. The San Diego Humane Society and their partners will be providing free: microchips, vaccinations, licensing, harnesses, and Busy Buddy training toys.

Free training workshops will be offered at 10:30 a.m., 11:30 a.m., and 12:30 p.m. Adoptable pets will be on-site and ready to find a new home.

"I believe our four-legged friends are family, too. I am honored to partner again with the San Diego Humane Society on this community collaboration, bringing resources and services to District 6," stated Councilmember Chris Cate.
