COUNCILMEMBER CATE TO REINSTATE IN-PERSON OFFICE HOURS FOR DISTRICT 6
Residents Given the Opportunity to Speak Face-to-Face Regarding Neighborhood Issues

San Diego, CA: Councilmember Chris Cate proudly represents the Sixth District of the City of San Diego which includes the neighborhoods of Clairemont, Kearny Mesa, Mira Mesa, Miramar, Park Village, and Sorrento Valley. Office Hours were first introduced in February 2017 at the request of the community to give residents an opportunity to meet with the Councilmember personally without having to travel to City Hall. Office Hours were held one Friday afternoon per month on a rotating schedule throughout all neighborhoods in District 6.

Office Hours were halted for the months of March, April, May, and June due to the County of San Diego's Public Health Order.

All office hour appointments must be scheduled in advance. Additional safety measures, such as mandatory masks and social distancing measures, will be implemented for July. Video conferencing and other accommodations will be made available for those who are not comfortable with an in-person meeting.

"I am looking forward to meeting with District 6 residents in-person. It is time to have real face-to-face conversations in a safe manner again," stated Councilmember Chris Cate.

Though working remotely, District 6 staff still resolved 359 constituent concerns, attended 32 events, volunteered 95 hours of community service, and presented 743 residents with proclamations and commendations.
