COUNCILMEMBER, COPS AND COMMUNITY COLLABORATE TO CURTAIL SPEEDING

San Diego, CA: On Thursday, February 18th at 11:30 a.m., San Diego City Councilmember Chris Cate, in partnership with the San Diego Police Department and Sorrento Valley Town Council will be unveiling a new, state-of-the-art speed trailer in Sorrento Valley.

The new speed trailer is solar powered, therefore self-charging, and will be able to be deployed for longer periods of time. Equipped with new technology, the speed trailer will capture the average speed and car count data for further evaluation to help determine if permanent traffic calming measures are warranted.

"Speeding is dangerous. Several incidents ranging from hit-and-runs to pedestrian injuries have recently occurred in District 6. The speed trailers will serve as friendly reminders to residents to slow down and put the safety of their fellow neighbors, first," stated Councilmember Chris Cate.

"These new tools will be a huge help to our officers who want to ensure the safest conditions possible for our residents," said Captain Stephanie Rose.

WHAT: News Conference | Unveiling of speed trailer

WHERE: Sorrento Valley Boulevard and Vista Del Agua Way (92121)

WHEN: Thursday, February 18th, 2016 | 11:30 a.m.

VISUALS/FUNDING: The trailers were funded from the District 6 Community Programs, Projects and Services (CPPS) budget. \$17,269 allocation for two (2) state-of-the-art speed trailers for the San Diego Police Department's Northwestern Division.

About Councilmember Chris Cate:

Chris Cate is an advocate and voice for all residents in District 6. Chris proudly represents the neighborhoods of Clairemont Mesa, Kearny Mesa, Mira Mesa, Miramar, Park Village and Sorrento Valley.
