Council President's Statement on the Ocean Beach Pier

SAN DIEGO, CA – The following is statement on recent developments about the Ocean Beach Pier:

"The Ocean Beach Pier has been a treasured part of our city since it was opened in 1966. But the pier has sustained significant damage through the years. My office has asked for updates on the extent of the latest damage since it was first closed earlier this year.

Unfortunately, the recently released assessment report was not made available to my office. I thank Geoff Page at the OB Rag for bringing this 2019 report to light which gives us a realistic look at the condition of the pier.

I am committed to finding a long-term solution and plan to establish a working group involving our local, State and Federal Partners, community groups, private sector and non-profits to find the best path forward for the OB Pier, our historic city landmark."

Council President Jennifer Campbell represents San Diego's Second Council District including the communities of Bay Ho/Bay Park/Morena, Midway/North Bay, Mission Bay, Mission Beach, Ocean Beach, Pacific Beach and Point Loma.
