The federal entitlement grant funds include:

- HOME Investment Partnerships Program; ~~(HOME);~~
- Housing Opportunities for Persons with AIDS (HOPWA);
- Emergency Solutions Grant (ESG); and
- Community Development Block Grants (CDBG).

As an entitlement jurisdiction, the City is required to prepare:

- A Five-Year Consolidated Plan (~~ConsolidatedCon~~ Plan);
- A Consolidated Annual Action Plan (~~Action Plan~~); ~~and AAP~~);
- A Consolidated Annual Performance and Evaluation Report (CAPER)); and
- ~~In addition, An Assessment of Fair Housing (AFH)~~

As required by The Housing and Urban Development (HUD) Code of ~~Final~~ Federal Regulations (~~CFR~~) for the Consolidated Plan (24 CFR Part 91 Sec. 91.105), the City must adopt a Citizen Participation Plan (CPP) setting forth the City's policies and procedures for citizen participation. This CPP establishes standards for the City to provide for and encourage citizens and entitlement grant beneficiaries to participate in the planning, execution, and evaluation of the ~~ConsolidatedCon~~ Plan, the ~~Annual Action Plans~~ AAPs, and the CAPERs.

In addition, HUD Final Regulations for the Assessment of Fair Housing (AFH) requires the City to adopt a Community Participation Plan (CoPP) setting forth the City's policies and procedures for the community participation solicitation of views and recommendations from members of the community and other interested parties, a consideration of the views and recommendations received, and a process for incorporating such views and recommendations into decisions and outcomes (24 CFR §5.152). Generally speaking, the CoPP policies and procedures mirror those of the CPP, with the addition of requirements regarding HUD-provided data and other supplemental information and required consultation with other public and private agencies.

This Citizen and Community Participation Plan serves to meet the federal requirements described above concurrently.

Housing Opportunities for Persons with AIDS (HOPWA): HOPWA provides housing assistance and related supportive services to low-income persons medically diagnosed with HIV/AIDS and their families.

Low to Moderate Income (LMI): LMI is 0–80% of Area Median Income (AMI) for a jurisdiction as defined annually by HUD. In addition, this includes those individuals presumed by HUD to be principally LMI (abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, persons living with AIDS and migrant farm workers).

Consolidated Annual Performance and Evaluation Report (CAPER): HUD requires the City to prepare a CAPER at the end of each fiscal year. The CAPER assesses the City's annual achievements relative to the goals in the Con Plan and the proposed activities in the AAP.

Consultation: The City will engage and/or request comments from other public and private agencies that engage directly in providing assisted housing, health services, fair housing services and enforcement, and social services, including those focusing on services to children, elderly person, persons with disabilities, person with HIV/AIDS and their families, and homeless persons, when completing the AFH.

Department of Housing and Urban Development (HUD): HUD is the government agency that creates and manages programs pertaining to federal home ownership, affordable housing, fair housing, homelessness, and community and housing development.

Displacement: Displacement refers to the involuntary relocation of individuals from their residences due to housing development and rehabilitation activities paid for by federal funds.

Eligible Activity: Activities that are allowable uses of the four federal funds (CDBG, ESG, HOME, and HOPWA) covered by the CPP as defined in the Code of Federal Regulations Title 24 for the Department of Housing and Urban Development.

Emergency Solutions Grant (ESG): The ESG program provides resources to assist individuals and families in quickly regaining stability in permanent housing after experiencing a housing crisis or homelessness.

Five-Year Consolidated Plan (Con Plan): HUD requires entitlement jurisdictions to prepare a Con Plan every five years. The Con Plan identifies housing, economic, and community development needs and prioritizes funding to meet those needs.

HOME Investment Partnerships Program (HOME): HOME is designed exclusively to create affordable housing for low-income households. Activities include those that build, buy, and/or rehabilitate affordable rental or homeownership housing, or provide direct rental assistance to low-income people.

Housing Opportunities for Persons with AIDS (HOPWA): HOPWA provides housing assistance and related supportive services to low-income persons medically diagnosed with HIV/AIDS and their families.

Low to Moderate Income (LMI): LMI is 0–80% of Area Median Income (AMI) for a jurisdiction as defined annually by HUD. In addition, this includes those individuals presumed by HUD to be principally LMI (abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, persons living with AIDS and migrant farm workers).

Public Hearing: Public hearings provide the public, specifically LMI individuals and families, to make public testimony or comment. Public hearings are to be advertised in local newspapers and made accessible to persons who do not speak English or who have a disability.

NOTICE OF HEARINGS AND REVIEW PERIODS

A public review period of not less than thirty (30) calendar days will be provided for each Con Plan, AAP, AFH, and Substantial Amendment to enable the public to provide comments prior to submission of the approved document to HUD.

The City will establish a public review period of not less than fifteen (15) calendar days for each CAPER or CPP/CoPP to allow for public comments prior to submission of the approved document to HUD.

The City will provide residents, public agencies and other interested parties with notice of their opportunity to comment via email, U.S. mail, or in person at public hearings on the Con Plan, AAP, CAPER, Substantial Amendments, and CPP/CoPP.

To ensure that all residents, including minorities, persons with limited English proficiency, persons with disabilities, residents of public housing, and LMI residents are able to participate in the public review process, the City will provide the following:

- Notice of applicable public review period and public hearings using an email distribution list maintained by the City for those parties expressing interest in receiving information and updates related to the City's 5-Year Con Plan, AAP, CAPER, AFH, Substantial Amendments, and CPP/CoPP. To be added to this email distribution list, please submit a request to: CDBG@sandiego.gov.

Members of the public may be added to this distribution list by contacting the HUD Grants Program Administration office at (619) 236-6700 or CDBG@sandiego.gov. Although the City will prioritize the use of email to distribute the public notices to residents, it will continue to send hard copies via U.S. Postal Service to residents with no email access, upon request.

It has been the practice of the City to combine notices complying with several individual requirements into one document for dissemination and publication. The City is receptive to suggestions for ways to improve its process for notifying the public of hearing and the availability of draft documents for public review.

The City will consider comments and views expressed by residents, public agencies, and other interested parties either in writing or orally at public meetings. In each 5-Year Con Plan, AAP, CAPER, AFH, Substantial Amendment, or CPP/CoPP submitted to HUD, the City will provide as an attachment all written communications received and a summary of each oral comment during the applicable 30-day or 15-day public review period; the City's subsequent action; and the reasons for non-action, if none was taken. This information will also be made available to the public as part of the final document.

NOTICE OF HEARINGS – MINOR AMENDMENTS

Minor amendments to the Con Plan or AAP require no public notifications, public hearings, and public body approvals as specified in this CPP/CoPP. However, the City’s Municipal Code may dictate that minor amendments need to adhere to noticing and/or public approvals outside the scope of this CPP/CoPP. In those cases, posting of recommended minor amendments on the agenda websites for the City Council (at least 72 hours prior to the meeting) will constitute adequate notice to the public for the purposes of this CPP/CoPP.

DISPLACEMENT POLICY

As part of the CPP/CoPP, the City must maintain a displacement policy. Displacement refers to the involuntary relocation of individuals from their residence due to housing development and rehabilitation paid for with federal funds. The City will continue to use existing federal and State relocation guidelines, as applicable, to minimize displacement and to alleviate the problems caused by displacement. Both the federal government and the State of California have specific requirements dictating the amount of benefits and assistance that must be provided to lower-income persons and households relocated from their homes as a result of displacement. Depending on the funding source, displaced persons may be offered one or more of the following:

- A rent subsidy for another unit
- A cash payment to be used for rent or a down payment on the purchase of a dwelling unit
- Moving and related expenses

The City’s rehabilitation programs may also deal with relocations issues when they provide minor additions to existing dwellings in order to address overcrowding. Any temporary relocation costs are included in the rehabilitation loan package offered to clients.

AVAILABILITY OF AND ACCESS TO RECORDS

Information on the City’s Con Plans, including records or documents over the previous Con Plans, CPPs/CoPPs, the current Con Plan, AAP, CAPERs, AFHs, and program regulations will be posted on the Economic Development Department’s website at www.sandiego.gov and will be made available for citizen review during normal working hours at the City of San Diego, 1200 Third Avenue Suite 1400, San Diego, CA 92101, and upon written or oral request addressed to the Community Development Division at (619) 236-6700 or CDBG@sandiego.gov. If the City is unable to provide immediate access to the documents requested, the City will make every effort to provide the documents and reports within ten (10) calendar days from the receipt of the request. These documents are also posted on City’s Economic Development Department website at www.sandiego.gov.

TECHNICAL ASSISTANCE

The City will, to the extent practicable, respond to requests for technical assistance by groups representing persons of low and moderate income developing funding proposals for any program covered by the Con Plan in accordance with grant procedures. This may include, but is not limited to, providing information regarding how to fill out applications, other potential funding sources,

and referrals to appropriate agencies within and outside the City. “Technical assistance,” as used here, does not include the provision of funds to groups requesting such assistance.

Assistance will also be provided by the City’s Economic Development Department to interested individuals and citizens’ groups who need further explanation on the background and intent of the Housing and Community Development Act, interpretation of specific HUD regulations, and project eligibility criteria for federal grants.

COMMUNITY PARTICIPATION POLICIES

The Community Participation Policies are designed to provide reasonable opportunities for Citizens, consultants, entitlement grant beneficiaries, and other interested parties to be involved in the development of the AFH and incorporate the AFH information into the Con Plan and other related planning documents.

The Community Participation Policies are used in addition to the Citizen Participation Policies when developing the AFH plan.

ASSESSMENT OF FAIR HOUSING (AFH) DATA

As part of the AFH, the City will gather and analyze historical and existing fair housing conditions data that pertain to determining the goals required to affirmatively further fair housing that will be used in the development of the Consolidated Plan. The City shall make available to the public, residents, public agencies, and other interested parties any HUD-provided data and other supplemental information the City plans to incorporate into the AFH at the start of the public participation process (or as soon as feasible [thereafter](#)). The City may make the HUD-provided data available to the public by cross-referencing to the data on HUD’s website.

AFH-ASSOCIATED CONSULTATION

The City will consult with other public and private agencies that provide assisted housing, health services, and social services, including those persons with HIV/AIDS and their families, and homeless persons. In addition to community-based and regionally-based organizations that represent protected class members and organizations that enforce fair housing laws, when preparing the AFH, the City will also consult with public housing authorities (PHAs) operating in the region. The consultation process will include regional government agencies in addition to adjacent jurisdictions and the County of San Diego.

The AFH Community Participation Policies also ~~incorporate~~[include](#) the Citizen Participation Policies ~~regarding~~[included in](#) the [following sections](#): Availability of Draft and Approved Documents; Public Hearings; Notice of Hearings and Review Periods, including Minor Amendments; and Availability of and Access to Records.

Avenue, Suite 1400, MS 56D, San Diego, CA 92101. Written comments or complaints will be referred to appropriate City staff for consideration and response. The City will provide substantive, written responses to all comments or complaints within fifteen (15) business days of receipt.
