There are several cases of intentional skirting of DSD permitting requirements and permit conditions in La Jolla, where Community members, their representatives and the LJCPA are clearly having no

effect commenting on one project at a time. LJCPA Options include: informing both City Council and the Mayor about DSD's inadequacies; petitioning for more Code Compliance resources; adopting changes to administrative personnel, processes, codes, etc.; or, referral to the City Auditor or County Grand Jury for remediation. The LJCPA would like additional input from other CPG's in San Diego.
