ITEM #8 – 3:05   **COMPLETE COMMUNITIES: HOUSING SOLUTIONS AND
MOBILITY CHOICES (Action Item) –** The Subcommittee will discuss and
develop recommendations on these proposals for the full committee.

Description: Complete Communities: Mobility Choices and Housing Solutions
proposes amendments to the San Diego Municipal Code (SDMC) to provide
incentives to increase housing production and expand the mobility network
around transit hubs and existing development. The initiative removes regulatory
barriers to housing at all income levels, especially low, very low, and moderate-
income households, while investing in neighborhood and mobility amenities,
such as recreational opportunities, street trees, linear parks, bicycle
facilities, urban plazas, and promenades. These types of investments increase
the quality of neighborhoods where new housing is proposed by creating more
walkable, bikeable, and enjoyable spaces, which in turn helps the City meet its
Climate Action Plan goals. Prioritizing these investments in areas where the
investments are needed most are central to the intent behind the Complete
Communities initiative.
