Shooting Review Board Reports

When the Shooting Review Board (SRB) completes its review of tactics, training and equipment with regard to an officer-involved shooting, the Chief of Police sends a copy of the SRB report to the Community Review Board (CRB) via the CRB Executive Director. The original three-person Case Review Team will be assigned to review the report. If any member of the original Case Review Team is no longer serving on the Board, the Board Chair may assign a replacement, with priority given to Board Members who attended the original case presentation.

The Team will then review the SRB report, referring to the original Team Case Report and related IA documentation, as needed.

If the Team has questions or concerns about the SRB report, the Team may request the Executive Director or Board Chair contact the Chair of the SRB or the Executive Assistant Chief of Police to seek clarification.

The Team will then provide the full Board an oral summary of the findings of in the SRB in the case during closed session, including a short summary of the facts in the original Team Case Report. The Team will read the Shooting Review Board's report and verbally share any Team comments. No vote of the CRB Board is required. If the Board has concerns, however, it may vote to have the Board Chair send a letter to the Chair of the SRB and/or the Chief of Police.
