Mr. Albert Wong and R. W. Dehne together went to the section in person and decided on the lots to be sold in this first transaction . The main monument is to be placed generally in the center of the area outside of the section on the north side. Lots are as close to the monument as possible. rwd

Initially all lots are recorded in the name of the association. As they asign them to new owners, we will make the permanent ownership transaction as we have done in the past with the Eagles Lodge.
