Mr. Olson did not type up an invoice for this balance when we had service and it was only discovered after Vets. Burial Allowance check came in. I therefore considered it as a cash sale and did not make invoice at this late date, as it would have screwed up the works at Auditors. rwd.

Dear Mr. Franklin,

I am enclosing the disinterment authorization you requested. After signing, please forward to La Jolla Mortuary or this office so it will be available at time of disinterment.

I believe I mentioned to you in an earlier conversation that we would accept the two lots owned by your mother toward the disinterment expenses. If you wish to do this you may secure a quitclaim deed at a stationery store, enter the required information , have it notarized and forwarded with the disinterment order. The legal description of the graves is: Lot 644 and 645, Section 3, Division 8.

The present disinterment charge is $270.00. If you decide to return the graves to the cemetery you will be given credit for the original price of $230.00 leaving a total of $40.00 due on the disinterment.

If you require any further information do not hesitate to call or write.

Sincerely,

Jewell
