# San Diego's Vital History

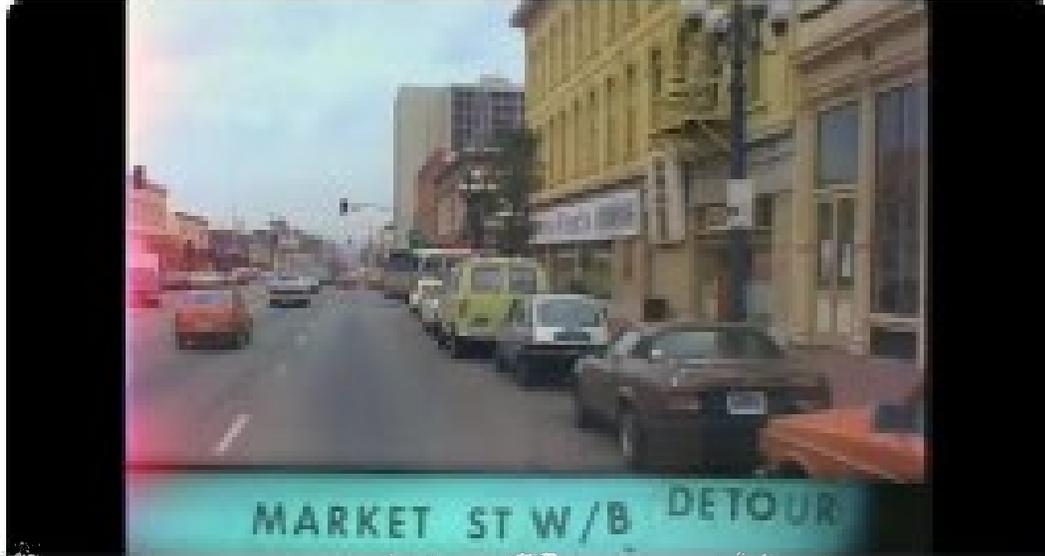

The **Office of the City Clerk** has been providing public access to the Digital Archives since 2015, since then we've hit 169,883 views and counting.

In 2018, the Archives Access & Preservation Program converted and uploaded approximately 14,700 moving color film images of "Street Views" and 8,340 minutes of magnetic audio of the "Council Meeting" tapes and this category has **definitely put us on the map!**
