NEWS AND INFORMATION FROM THE FIFTH DISTRICT

VOLUME 5, ISSUE 3/AUGUST 2017

## Recap of ‘Conversation + Craft Beer with Councilmember Mark Kersey’

On July 23, [Second Chance Beer Co.](http://www.secondchancebeerco.com) and I hosted ‘Conversation + Craft Beer,’ a City Hall update for District Five neighbors. I enjoyed speaking with so many engaged residents in an unconventional setting.

We covered a variety of topics, including Prop H or Rebuild San Diego dedicating \$17.8 million to infrastructure improvements across the City in the coming fiscal year and nearly 50 miles of roads in District Five planned for slurry or overlay in the next twelve months.

Watch the video at <http://bit.ly/sdstreetrepair> to learn about street repair, then explore <http://bit.ly/streetssandiego> for future/ongoing work in the City and throughout District Five. Read up on what else I covered at ‘Conversation + Craft Beer’ at <http://bit.ly/SDUT-conversationrecap>

## Hiking With Your Pet In The Heat

Before you take your dog on a hike or a run, the City of San Diego's Park and Rec team encourages you to understand signs of heat stroke in your pet and proper ways of cooling down your animal if it occurs.

Dogs suffering from heat stroke will display some or all of the following symptoms: excessive panting, loss of consciousness or comatose, sudden blindness, seizures, tacky and/or darkened gums, off-balance/wobbly, paddling or swimming motions, yellowing of the whites of the eyes or gums, bloody diarrhea, or dark urine.

If these symptoms are present, move your dog to shade and quickly identify a water source to hose the animal down with cool water all over the body, including head, paws, groin and shoulders. This helps lower the dog's body temperature and stabilizes them enough to transport them to the nearest veterinary clinic. Contact the City's Park and Rec Department for additional information about K9 heat stroke protocol at:

<https://www.sandiego.gov/park-and-recreation/general-info/about/mypark>

## Protect Yourself, Your Family and Your Neighborhood

Neighborhood Watch is a volunteer crime prevention program that enlists residents in cooperation with law enforcement to reduce crime, solve problems, and improve the quality of life in your area.

If you are interested in being a Neighborhood Watch captain or co-captain or learning more about neighborhood watch, contact a Neighborhood Watch Coordinator at <http://www.sandiegoneighborhoodwatch.com/home.html>

## Business Spotlight: Creamistry

If you have a passion for science—or a passion for ice cream— then check out [Creamistry](#), a made-to-order liquid nitrogen ice cream shop in Torrey Highlands. Specially trained 'creamologists' use liquid nitrogen to instantly freeze fresh ingredients into a customizable scoop of ice cream. They have a wide variety of dairy, organic, GMO-free and even vegan options, so everyone can satisfy their sweet tooth.

Creamistry  
7825 Highlands Village Place, Suite E104  
San Diego, CA 92129

## In the Community

Celebrating Independence Day at the Scripps Ranch Civic Association Fourth of July Parade and Rancho Bernardo Spirit of the Fourth Parade.

Congratulations to the Rancho Peñasquitos Little League for winning the Southern California State Championship!

Thank you RB Retired Service Volunteer Patrol for 25 years of service to our community.

District Five families and first responders coming together to promote neighborhood safety during National Night Out.

Touring the Jewish Family Service of San Diego and learning how they help seniors stay social and active.
