Live broadcast publicly available on Zoom Webinar:

Participate by phone at 669-254-5252 (Webinar ID: 1614332988)

Your input is crucial during the redistricting process. We want to hear about your community of interest during the meeting.

We've identified ways to help you describe your community:

- ⇒ Begin with identifying your community in the Council District.
- ⇒ What are your shared interests and concerns (have you come together to advocate for infrastructure requests, school improvements, a development that you did or did not want?)
- ⇒ Discuss how enlarging or reducing the size of your community would be an improvement or hinderance.

You can submit your community of interest feedback and preliminary map at <https://bit.ly/Communitymapping>. Please note that the new mapping software is expected to be ready for residents to use on 9/21.

At the meeting, residents can discuss what they submitted or simply provide their overall district feedback. All residents are welcome to participate, regardless of where they live in the City of San Diego.

If you have questions or need translation services, please email redistricting2020@sandiego.gov (3) three business days in advance.
