FUNDING AGREEMENT
BETWEEN
STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC HEALTH
AND

CITY OF SAN DIEGO

PROJECT NUMBER: 3710020-065C (Lindbergh Field)

UNDER THE SAFE DRINKING WATER STATE REVOLVING FUND LAW OF 1997

THIS FUNDING AGREEMENT (this "Agreement") is entered into by and between the State of California Department of Public Health ("State") and City of San Diego, a public agency, in the County of San Diego, State of California, duly organized, existing, and acting pursuant to the laws thereof, ("Supplier"), which parties do hereby agree as follows:

SECTION 1. PURPOSE OF FUNDING

This Agreement constitutes funding in the form of a loan and a grant made by State to Supplier under the provisions of California Safe Drinking Water State Revolving Fund Law of 1997, Part 12, Chapter 4.5 (commencing with Section 116760), of Division 104 of Health and Safety Code. The purpose of the funding is to assist in financing construction of a project which will enable Supplier to meet safe drinking water standards established pursuant to Part 12, Chapter 4 (commencing with Section 116270), of Division 104 of the Health and Safety Code and California Code of Regulations, Title 22, or to address other health concerns (the "Project"). Funds may be used only for such eligible project costs as are approved by State.

This Agreement also constitutes a secured promissory note for Supplier's repayment of the loan.

Supplier is solely responsible for the design, construction, operation, and maintenance of the Project; and for all persons or entities engaged in such work, including but not limited to contractors, subcontractors, suppliers, and providers of services. Review or approval of plans, specifications, bid documents, or other construction documents by State is solely for the purpose of proper administration of the loan funds by State and shall not be deemed to relieve or restrict Supplier's responsibility.

SECTION 2. INCORPORATION OF OTHER DOCUMENTS

This Agreement incorporates by this reference all attachments to this Agreement, Exhibit "A", "Standard Conditions"; Exhibit "B", "Security Requirements"; Exhibit "C", "Special Requirements"; Exhibit "D", "Compliance with Davis-Bacon"; Exhibit "E", "New Restrictions on Lobbying"; Exhibit "F", "Compliance with Cross-cutting Federal Authorities"; Supplier's "Application For Construction Funds"; project plans and specifications as submitted to and approved by State; and any attachments to said documents.

Supplier accepts and agrees to comply with all terms, provisions, conditions, and commitments of this Agreement, including all incorporated documents and exhibits thereto, and to fulfill all assurances, declarations, representations, and statements made by Supplier in its application, documents, amendments, and communications filed in support of its request for Safe Drinking Water State Revolving Fund financing, including but not limited to any and all plans and specifications submitted to and approved by State.

SECTION 3. PROJECT COST

Supplier represents that the total cost of the Project is estimated to be \$5,977,779 (the "Project Cost") of which State agrees that \$5,977,779 is eligible for Safe Drinking Water State Revolving Fund financing.

SECTION 4. LOAN AMOUNT

Pursuant to the Safe Drinking Water State Revolving Fund Law of 1997, its applicable rules and regulations, and subject to the availability of funds, State will lend to Supplier in accordance with the terms of this Agreement an amount not to exceed \$5,977,779 (the "Loan").

For valuable consideration, Supplier agrees to repay State the Principal Amount of the Loan (as defined in Article A-1, hereof) together with interest, Delinquent Interest (as defined in Article A-14, hereof) and other fees and costs due thereon in accordance with terms and conditions of this Agreement. Supplier's promise to pay as set forth in this paragraph, shall survive termination of this Agreement for any reason including but not limited to operation of law.

SECTION 5. GRANT AMOUNT

Pursuant to the Safe Drinking Water State Revolving Fund Law of 1997, its applicable rules and regulations, and subject to the availability of funds, State will provide grant funding to Supplier in accordance with the terms of this Agreement in an amount not to exceed \$0 (zero) (the "Grant", with the Loan and the Grant hereinafter collectively referred to as, the "Funding").

SECTION 6. SUPPLIER'S COST

Supplier agrees to fund any portion of the Project Cost which is in excess of the Funding. Supplier's cost for this Project is estimated to be \$0 (zero), ("Supplier's Cost"). Unless otherwise set forth in Exhibit "C" to this Agreement, "Special Requirements", such Supplier's Cost shall be expended prior to the expenditure of State loan funds unless such Supplier's Cost is funded by other State or Federal Agencies, in which case funds shall be drawn on a pro-rata basis.

SECTION 7. COMPETITIVE BIDDING

All construction contracts related in any way to the Project shall be let by competitive bid procedures which assure award of such contracts to the lowest responsible bidders. Supplier shall adhere to any applicable state or local ordinance for competitive bidding and applicable labor laws.

Supplier shall not award a construction contract until a summary of bids and identification of the selected lowest responsible bidder is submitted to and approved in writing by State. A full explanation must be provided if Supplier is proposing to award a construction contract to anyone other than the lowest responsible bidder.

SECTION 8. REQUIREMENTS FOR DISBURSEMENT

Not later than sixty (60) days following the Date of Execution (as defined in Section 16, hereof), Supplier shall satisfy all conditions precedent to the disbursement of the Funding, including Basic Conditions Precedent as set forth in Article A-3, hereof. Failure by Supplier to satisfy said conditions and requirements by this date may, at the option of State, result in cancellation of this Agreement under Article A-7, hereof.

SECTION 9. RATE OF INTEREST

The rate of interest to be paid by Supplier on the Principal Amount of the Loan shall be 2.0933 percent per annum (the "Rate of Interest"). Interest shall begin to accrue as of the date of each Disbursement (as defined in Article A-6(b), hereof) of the Loan.

SECTION 10. LOAN REPAYMENT TERM

The Loan repayment term shall commence on the due date of the first P&I Invoice and expire on the date that is 20 years after the due date of the first P&I Invoice (the "Loan Repayment Term").

SECTION 11. SPECIAL REQUIREMENTS

Supplier shall satisfy the special requirements set forth in Exhibit "C". Failure by Supplier to timely satisfy the special requirements and conditions may, at the option of State, result in cancellation of this Agreement under Article A-7, hereof, or declaration that Supplier is in default pursuant to Article A-27, hereof.

SECTION 12. OPERATION AND MAINTENANCE OF PROJECT

Upon project completion and for a period of 50 years, which is the reasonably expected useful life of the Project, Supplier shall, as further consideration for the Funding, commence and continue operation of the Project; shall cause the Project to be operated in an efficient and economical manner; shall provide for the making of all repairs, renewals, and replacements necessary for the effective operation of the Project; and shall cause the Project to be maintained in as good of condition as upon its construction, ordinary and reasonable wear and depreciation excepted. Failure by Supplier to operate and maintain the Project in accordance with this provision may, at the option of State, be considered a material breach of this Agreement and may be treated as a default under Article A-27, hereof.

SECTION 13. FISCAL SERVICES AND DEPOSIT ACCOUNT CONTROL AGREEMENT

Supplier shall enter into a fiscal services agreement with a Fiscal Agent substantially in the form of **Attachment 1** to this Agreement (the "Fiscal Services and Deposit Account Control Agreement"). A Fiscal Agent shall be retained until all amounts due to State under the terms of this Agreement have been paid in full.

Supplier shall open a separate deposit account (the "Deposit Account") with the Fiscal Agent, in which Supplier shall maintain funds, including the Reserve Fund (as defined in Article B-4, hereof), sufficient to service the Loan. Funds from the Deposit Account shall be used only for payment of principal and/or interest on the Loan, or any delinquencies thereon, until the Loan is repaid in full.

Once State approves the Fiscal Services and Deposit Account Control Agreement, Supplier shall not do any of the following without first obtaining written approval by State: amend the Fiscal Services and Deposit Account Control Agreement; close the Deposit Account; or retain a new Fiscal Agent.

State shall have no obligation to make Disbursements (as defined in Article A-6(b), hereof) until the Fiscal Agent has been engaged and the Fiscal Services and Deposit Account Control Agreement between Supplier and the Fiscal Agent has been approved by State.

(a) Conditions for Withholding. If State determines that the Project is not being carried out substantially in accordance with the provisions of this Agreement or that Supplier has failed in any other respect to comply with the terms and conditions of this Agreement, State shall give written notice to Supplier of such failure to comply. If Supplier does not cure any such failure to State's satisfaction within thirty (30) calendar days of receipt of such notice, State may withhold from Supplier all or any portion of the Loan and/or Grant and take any other action that it deems necessary to protect its

interests, including but not limited to declaring Supplier in default as set forth in Article A-27, hereof, or canceling this Agreement pursuant to subpart (b) of this Article A-7.

(b) Withholding Entire Funding. If State determines to withhold the entire Funding from Supplier pursuant to subpart (a) of this Article A-7, notice of such a determination shall constitute a notice of cancellation of this Agreement, and this Agreement shall no longer be binding on any party hereto. Said notice of cancellation shall be sent to Supplier by certified or registered mail, and shall be effective upon receipt.

(c) Withholding Balance of Loan and/or Grant. Where a portion of the Funding has been disbursed to Supplier and State has determined to withhold the balance of the Loan and/or Grant, State shall notify Supplier in writing, via certified or registered mail, that State is withholding the balance of the Loan and/or Grant from Supplier, pursuant to subpart (a) of this Article A-7. In such event, Supplier is deemed to be in default and subject to the provisions of Article A-27, hereof.

ARTICLE A-8. TIMING OF PROJECT

(a) Supplier shall complete the Project not later than three (3) years from the Date of Execution. Supplier's failure to complete the Project within the specified time period may, at the option of State, be considered a material breach of this Agreement and may be treated as a default under Article A-27, hereof.

(b) Within 15 days following completion of the Project, Supplier shall certify to the local District Office of the State of California Department of Public Health that the Project is complete and ready for final inspection. Supplier's certification, as required by this subpart (b), shall be substantially in the form provided by State and attached hereto as Attachment 6 to this Agreement.

(c) State will conduct a final inspection and certify that the Project is complete. Supplier shall not place the Project into operation prior to State's certification.

(d) The date of State's certification or the date set forth in subpart (a) of this Article A-8, whichever shall occur first, shall be the "Project Completion Date" for purposes of this Agreement.

ARTICLE A-9. SUPPLIER'S CONTRACTS

Supplier shall be solely responsible for resolution of any and all disputes arising out of or related to Supplier's contracts for construction of the Project, including but not limited to bid disputes and payment disputes with Supplier's contractors and subcontractors and shall provide appropriate releases (as set forth in Title 15 of the Civil Code) as may be requested by State.

ARTICLE A-10. AUDIT AND INSPECTION OF BOOKS AND RECORDS

(a) Upon execution of this Agreement and until 3 years following final Disbursement, pursuant to Government Code Section 8546.7, the contracting parties shall be subject to the examination and audit by State or any agent thereof. Parties are also subject to examination and audit of the United States Environmental Protection Agency, the Comptroller General of the United States, and the United States Office of the Inspector General, with respect to all matters connected with the performance of this Agreement, including, but not limited to, the cost of administering this Agreement. If any litigation, claim, negotiations, audit or other action is commenced before the expiration of said time period, all records must be retained until such action is resolved, or until the end of said time period, whichever shall later occur. All records of Supplier relating in any way to funding received pursuant to this Agreement shall be preserved for this purpose.

(b) During regular office hours, each of the parties hereto and their duly authorized representatives shall have the right to inspect and to make copies of any books, records, or reports of either party pertaining to this Agreement or matters related hereto. Each of the parties hereto shall maintain and shall make available at all times for such inspection accurate records of all its costs, disbursements, and receipts with respect to its activities under this Agreement. Failure or refusal by Supplier to comply with this provision shall be considered a material breach of this Agreement, and State may declare Supplier in default as set forth in Article A-27, withhold Disbursements to Supplier, or take any other action it deems necessary to protect its interests. The provisions of this subpart (b) shall be effective until expiration of the time period provided in subpart (a) of this Article A-10.

ARTICLE A-11. STATEMENT OF PRINCIPAL AMOUNT OF LOAN

(a) Transmission of Statement to Supplier. Within sixty (60) days after the final Disbursement, State shall transmit to Supplier a written statement setting forth the Principal Amount of the Loan.

(b) Remittance of Funds by Supplier. Within thirty (30) days from the final Disbursement, Supplier shall remit to State any funds that were disbursed under this Agreement and were not utilized to pay Eligible Project Costs or were otherwise not valid Disbursements pursuant to the terms and conditions of this Agreement.

Such remittance to State shall not constitute repayment of any part of the Principal Amount of the Loan, but shall be deemed to be a return to State of part of the funds disbursed.

ARTICLE A-12. INTEREST PAYMENTS DURING CONSTRUCTION

During construction, Supplier shall pay interest to State at the rate specified in Section 9 of this Agreement on all Disbursements of the Loan. Interest on Disbursements of the Loan shall not be deferred.

State will invoice Supplier semiannually for interest accrued during the Project construction period. Interest on each Disbursement of the Loan shall be calculated using the fraction $x/365$ times the Rate of Interest, where x is the number of calendar days remaining in the semiannual period from the date on which the Disbursement of the Loan was made. Interest accrued during the construction period is due and payable within thirty (30) days of the date of the invoice.

ARTICLE A-13. REPAYMENT OF PRINCIPAL AMOUNT OF LOAN AND INTEREST

(a) Terms of Repayment. State will invoice Supplier semiannually for principal and any interest payments (the "P&I Invoice"). The P&I Invoices will include a statement of the then Principal Amount of the Loan, the amount of the payment which constitutes principal to be paid, and the amount of the payment which constitutes interest, if any, to be paid.

Supplier shall make semiannual payments to State no later than January 1 and July 1 of each year until the Principal Amount of the Loan is repaid in full. Principal and interest payments shall commence no later than one (1) year from the Project Completion Date. Supplier shall make level semiannual payments based on a standard semiannual payment loan amortization method to be determined by State. The standard amortization method shall incorporate the Principal Amount of the Loan as determined by Article A-11, hereof, the Loan Repayment Term specified in Section 10 of this Agreement, and the Rate of Interest, as specified in Section 9 of this Agreement. The final semiannual payment shall be in an amount equal to the then outstanding Principal Amount of the Loan, plus any remaining unpaid accrued interest. Interest on the Principal Amount of the Loan shall not be deferred.

Unless earlier payment is required by the terms of this Agreement, the Principal Amount of the Loan, interest, Delinquent Interest, and any other charges or fees shall be due and payable 20 years from the due date of the first P&I Invoice.

(b) Advance Payment Option. Supplier may make advance payment against principal without penalty, provided that any such advance payment shall be applied first to interest then owed and then to principal, and provided further, that any such payment shall not relieve Supplier of its obligations to make payments in the amount and at the time specified in subpart (a) of this Article A-13 until the Principal Amount of the Loan is repaid in full. Any advance payment must be coordinated with State prior to the making of any such payment to ensure proper credit to Supplier's account.

ARTICLE A-14. PAYMENT DELINQUENCY

Any payment of principal and/or interest required to be paid by Supplier to State pursuant to this Agreement which remains unpaid after it becomes due and payable shall be delinquent. Delinquent interest charges shall be in addition to any other charges or payments owing State from Supplier and shall accrue at the rate of one tenth of one percent (0.1%) per day, on the amount of such delinquent payment, for each day it remains unpaid past the tenth (10th) day after the date payment was due (the "Delinquent Interest"). The Delinquent Interest assessed will not be added to the Principal Amount of the Loan but will be treated as a separate account and obligation of Supplier. Delinquent Interest shall accrue on the total payment amount from the due date of payment through the date payment is made. Any payment by Supplier under terms of this Agreement is deemed to have been made when it is received by State.

ARTICLE A-15. ACCOUNTING AND DEPOSIT OF DISBURSEMENTS

(a) Separate Accounting of Disbursements and Interest; Records. Supplier shall account for Disbursements received separately from all other Supplier's funds. Supplier shall maintain accounting procedures that are in accordance with Generally Accepted Accounting Principles. Supplier shall keep complete and accurate records of all receipts, Disbursements, and interest earned on the Disbursements. Invoices must be maintained for a period of at least three (3) years following final Disbursement. All other records must be maintained for the Loan Repayment Term.

Supplier shall require its agents, contractors and subcontractors to maintain books, records, and other documents pertinent to their work in accordance with Generally Accepted Accounting Principles. Records are subject to inspection by State at any and all reasonable times.

(b) Disposition of Funds Disbursed. In addition to specific requirements set forth in this Agreement, all Disbursements shall be deposited, administered, and accounted for pursuant to all provisions of law applicable to Supplier.

(c) Interim and Final Audits. In addition to the provisions of Article A-10, at any time following the Date of Execution and until completion of the Project, or final Disbursement, whichever shall occur last, State reserves the right to conduct an audit of Supplier's disposition of the Funding. After completion of the Project, State may require Supplier to conduct a final audit at Supplier's expense; such audit to be conducted by and a report prepared by an independent Certified Public Accountant.

Failure or refusal by Supplier to comply with these provisions shall be considered a material breach of this Agreement and State may elect to pursue any remedies included but not limited to those provided in Article A-7, hereof.

Supplier agrees to cooperate with State in all manner necessary to permit State to adequately report to the United States Environmental Protection Agency on Supplier's compliance with the Anti-Discrimination Laws.

Supplier, its contractors and subcontractors shall give written notice of their obligations under this Article A-18 to labor organizations with which they have a collective bargaining or other agreement.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under

paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(1) A subcontract exceeding \$100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure

forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§34.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §34.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§34.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §34.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§34.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§34.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §34.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal; or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §34.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§34.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§34.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§34.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§34.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§34.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§34.605. Inspector General Report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

(b) In partial compliance with the above list of Cross-cutting Federal Authorities, Supplier agrees to take certain actions specifically set forth in the following Articles:

ARTICLE F-2. EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

Supplier agrees that it shall be deemed to be a contractor and shall comply with the following requirements in that role:

(a) During the performance of this Agreement, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, or age. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, or age. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places available to employees and applicants for employment, notices to be provided by the Federal Government setting forth the provisions of the Equal Opportunity Clause and the Rehabilitation Act of 1973. Such notices shall state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin, physical or mental handicap, or age, and the rights of applicants and employees.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, physical or mental handicap, or age.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding of notice, to be provided by the Federal Government advising the labor union or workers' representative of the contractor's commitments under the Equal Opportunities Clause, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of the Rehabilitation Act of 1973 and of the Federal Executive Order No. 11246, as amended, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Federal Executive Order No. 11246, as amended, and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency

and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the requirements of this Equal Opportunity Clause or with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further federal contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended, and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of paragraphs (1) through (7) of this Article F-2 in every contract, subcontract or purchase order related to this Agreement unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246, as amended, or section 503 of the Rehabilitation Act of 1973, so that such provisions will be binding upon each contractor, subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor or the Director of Federal Compliance Programs or State may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request in writing to State, which, in turn, may request the United States to enter into such litigation to protect the interests of the United States and State.

Each contractor shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.

Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of Federal Executive Order 11246, as amended, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.

(b) In addition, if the Project is to be constructed in a geographical area that has been designated by the Office of Federal Contract Compliance for special treatment, Supplier agrees that it will undertake, and will require its contractors and subcontractors to undertake affirmative action programs in accordance with regulations and other directives promulgated by that Office.

ARTICLE F-3. PARTICIPATION OF DISADVANTAGED BUSINESS ENTERPRISES

(a) Supplier acknowledges that Executive Orders 11625, 12138, and 12432 are applicable to this Agreement, and that the United States Environmental Agency (EPA) adopted regulations to implement those requirements [40 Code of Federal Regulations Part 33 Participation by Disadvantaged Business Enterprises in United States Environmental Protection Agency Programs – {Federal DBE Regulations}]. In compliance with Federal DBE Regulations, State has negotiated “Fair Share Objectives” with EPA for participation of Minority Business Enterprises and Women’s Business Enterprises in procurement activity undertaken with funds made available to Supplier under this Agreement. The “Fair Share Objectives” are set forth in the CDPH DBE Utilization Guidance attached as **Attachment 8** to this Agreement and incorporated herein by this reference. Supplier agrees that it will cooperate with and assist State in realizing the “Fair Share Objectives” and will exercise good faith efforts to achieve such participation of disadvantaged business enterprises, and in particular agrees that in the selection of construction contractors, and for the procurement of equipment, supplies, construction, and services related to the project, it, at a minimum, has or will undertake the following affirmative steps:

- (1) Include disadvantage business enterprises on solicitation lists;
- (2) Assure that disadvantaged business enterprises are solicited whenever they are potential sources;
- (3) Divide total requirements, when economically feasible, into small tasks or quantities to permit maximum participation by disadvantaged business enterprises;
- (4) Establish delivery schedules, when the requirements of the work permit, which will encourage participation by disadvantaged business enterprises;
- (5) Use the services of the Small Business Administration and the Office of Minority Business Enterprise of the U.S. Department of Commerce, and the California Unified Certification at the California Department of Transportations, as appropriate; and
- (6) If any contractor awards subagreements, require the contractor to take the affirmative steps in paragraphs (1) through (5) of this paragraph.

(b) Supplier agrees that prior to the award of any contract for the procurement of equipment, supplies, construction, or services related to the Project, it has or will review the efforts of such contractor to include disadvantaged business enterprises and will assure State that such contractor has complied with the requirements of this Article F-3. A form for providing said assurance will be provided by State in a form substantially similar to that of **Attachment 9** to this Agreement.

(c) As required by Federal DBE Regulations, Supplier agrees to circulate bid solicitation(s) for this project for a minimum of 15 days.

(d) As required by Federal DBE Regulations, Supplier agrees to require prime contractor to pay subcontractors for satisfactory performance within 30 days from the prime contractor's receipt of payment from the Supplier.

(e) Supplier agrees to include in procurement solicitation provisions related to the utilization of Disadvantaged Business Enterprises in substantially the form of **Attachment 10**, Supplier further agrees to include in each procurement solicitation EPA Form 6100-2, EPA Form 6100-3, and EPA Form 6100-4 as required by Federal DBE Regulations which are included in **Attachment 10**.

(f) Supplier agrees to submit the Good Faith Effort documentation received from the selected prime contractor bidder to State.

(g) As required by Federal DBE Regulations, Supplier agrees to create and maintain a bidders list of all firms that bid or quote on prime contracts or bid or quote subcontracts on the project. Supplier shall maintain bidders list until Supplier has certified project completion to State. (See **Attachment 11**.)

(h) Supplier agrees that it shall report to State on procurements and utilization of Disadvantaged Business Enterprises semiannually, within fifteen (15) days after April 1 and October 1, throughout the project, until after submission of the final claim, Supplier shall report, using **Attachment 12** to this Agreement.

ARTICLE F-4. PROCUREMENT PROHIBITIONS

By its signature on this Agreement, Supplier certifies that it will not procure goods, services, or materials from any entity, or otherwise utilize any facility for the construction of the Project, if such entity or facility is listed on the USEPA's List of Violating Facilities, and Supplier further certifies it will comply with the provisions of Executive Order No. 11738, 3 C.F.R. 799 (1973), Section 306 of the Clean Air Act 42 U.S.C. 7606 (1994) and Section 508 of the Clean Water Act 33 U.S.C. 1368 (1982).

ARTICLE F-5. DEBARMENT AND SUSPENSION

Supplier agrees that for purposes of the following subparts (a) and (b), Supplier is the "prospective lower tier participant", and this Funding Agreement is the "proposal".

(a) Instructions for Certification

(1) By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

(2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

(3) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

(4) The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

(5) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

(6) The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions. The prospective lower tier participant shall submit to State all certification submitted pursuant to this paragraph.

(7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

(8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(9) Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

(b) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
