THE HONORABLE MAYOR AND CITY COUNCIL
OF THE CITY OF SAN DIEGO, CALIFORNIA

GENTLEMEN:

Returned herewith is Document No. 401409, petition of residents for prohibiting ball playing on the beach near lifeguard stations; also on the sidewalk back of the seawall.

The transmitter of this petition, Mr. John A. Harris, wrote a letter to the Council just prior to the circulation of this petition, objecting to disturbances in this same general area. Upon referral, the problems involved were studied by the Police and Recreation Departments and this office. My April 29, 1949, letter to the Council contains the report of the study and findings.

It is not believed that the prohibition of ball playing in the area would solve the problem. It is believed that strict enforcement of rules, regulations, and ordinances will be helpful and instructions have been issued to the local beach representatives of the Police Department and the Aquatic Division of the Park and Recreation Department to co-operate toward that end. With this, effective results can be expected.

A copy of this letter and a copy of the April 29, 1949, letter are being sent to Mr. Harris.

It is my recommendation that this document be filed.

Respectfully submitted,

F. A. Rhodes,
City Manager
