

THE CITY OF SAN DIEGO

## Report to the Hearing Officer

DATE ISSUED: August 28, 2019 REPORT NO. HO-19-080

HEARING DATE: September 4, 2019

SUBJECT: WHITING COURT CONDO CONVERSION, Process Three Decision

PROJECT NUMBER: [602075](#)

OWNER/APPLICANT: JB JB, LLC, Owner/Robert Bateman, Applicant/Surveyor

### SUMMARY

Issue: Should the Hearing Officer approve the consolidation of two lots into one lot and the conversion of two attached residential dwelling units into condominiums and the waiver of the requirement to underground utilities on a 0.067-acre property within the Mission Beach Community Plan area?

Staff Recommendations: APPROVE Tentative Map Waiver No. 2132597 and approve a requested waiver of the requirement to underground overhead utilities.

Community Planning Group Recommendation: On June 18, 2019, the Mission Beach Community Planning Board voted 9-1-0 to recommend denial of the proposed project without conditions. However, the group recommended that the applicant revise the landscape plan to include more in-ground plantings within the required yard area (Attachment 7).

Environmental Review: The project was determined to be exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Sections 15301 (Existing Facilities) and 150305 (Minor Alterations in Land Use Limitations). This project is not pending an appeal of the environmental determination. The environmental exemption determination for this project was made on December 17, 2018, and the opportunity to appeal that determination ended January 2, 2019.

### BACKGROUND

The 0.067-acre site is located at 702 and 708 Whiting Court, in the R-N zone within the Mission Beach Planned District (Attachments 1-4). The project site is within an urban, developed residential neighborhood, surrounded by single- and multi-family development on all sides. The project site is

located in the Coastal Overlay Zone (Coastal Commission Jurisdiction), Coastal Height Limitation Overlay Zone, Parking Impact Overlay Zone (Beach Impact Area), Residential Tandem Parking Overlay Zone, First Public Roadway and within the Mission Beach Community Plan area. The front unit (Lot F) was constructed in 1938, and the rear unit (Lot E) was constructed in 1924. Both units have been remodeled at various points, with most recent remodel approved on March 24, 2016. During that ministerial review, the project was determined to be in compliance with all underlying zone regulations, including, but not limited to, height, floor area ratio, parking, setbacks and landscaping. Additionally, all projects impacting a parcel that contains a structure older than 45 years must be reviewed to determine whether a potentially significant historical resource exists on site prior to issuance of a permit. City of San Diego Staff evaluated the project site and concluded it is not significant, nor eligible for historic designation under local, state or federal criteria.

The Tentative Map Waiver would allow for the creation of condominium units for home ownership opportunities and does not affect the previously approved building permit. The proposal would consolidate the two lots into one lot and convert the two attached dwelling units into residential condominiums, for individual ownership. The project qualifies for undergrounding waiver of the existing overhead utility facilities since it involves a short span of overhead facility (less than a full block in length).

The proposed subdivision qualifies for a Tentative Map Waiver for the proposed subdivision of the property into two residential condominium dwelling units per SDMC Section 125.0120(b) (2) (A).

#### DISCUSSION

The proposal would consolidate the two lots into one lot and convert the two attached dwelling units into residential condominiums. The project site consists of two lots and is designated Low-Medium Density Residential (10-14 Dwelling Units per Acre) by the Mission Beach Community Plan (Attachment 2). One unit contains three-bedrooms and the other is a, four-bedroom unit. The front unit is located adjacent to Whiting Court and the second is located towards the rear of the property and the two dwelling units total 4,746 square feet in floor area. The project provides four (4) off-street parking spaces, where a minimum of four (4) spaces are required. Both units have vehicular access off the adjacent public alley with a four-car garage. City Staff determined that the structure is in conformance with all development codes.

On June 18, 2019, the Mission Beach Community Planning Board voted 9-1-0 to recommend denial of the proposed project (Attachment 7). The Board's main concern is that the proposed project does not meet the landscape requirements. Stating that a combination of planter boxes over 36 inches atop a raised deck covering the front yard landscape area is not in compliance with the requirements.

A recent building permit, Project No. 462095, approved the installation of the existing deck on March 24, 2016. Development Services Department's Landscape Section was not a reviewing discipline for that building permit review. The above grade potted plantings are not typically accepted towards meeting the Mission Beach Planned District Ordinance landscape area, however, above grade planting is an allowed alternative since the permitted deck covers a significant portion of the site's required yard planting area (Attachment 10). Development Services Department's Landscape

Section has determined that the project's proposed landscape plan is in compliance with the minimum landscape requirements of the Mission Beach Planned District Ordinance.

In accordance with the current condominium conversion regulations, the applicant provided a Building Conditions Report. The project has been conditioned to require conformance with the San Diego Municipal Code provisions for building and landscape improvements prior to recordation of the Parcel Map (Condition Nos. 14 and 15, Attachment 5).

Pursuant to San Diego Municipal Code Section 144.0242, this project is requesting a waiver of the requirement to underground existing offsite overhead utility facilities located in the alley right-of-way at the rear of the site. The project qualifies for a waiver because the conversion involves a short span of overhead facility (less than a full block in length) and would not represent a logical extension to an underground facility. The City's Undergrounding Program identifies this area as the Residential Project Block 2S4 with an allocated construction date in 2017, but has yet to be completed.

The project complies with the applicable development regulations, such as the required minimum off-street parking, the building conditions report for condominium conversion and landscape requirements. The project site is fully developed and does not contain any form of Environmentally Sensitive Lands.

Conclusion:

Staff has reviewed the request for a Tentative Map Waiver and has found the project to be in conformance with the applicable sections of the San Diego Municipal Code and has provided evidence to support the required findings. Therefore, staff recommends the Hearing Officer approve Tentative Map Waiver No. 2132597.

ALTERNATIVES

1. Approve Tentative Map Waiver No. 2132597, with modifications.
2. Deny Tentative Map Waiver No. 2132597, if the findings required to approve the project cannot be affirmed.

Respectfully submitted,

  
Glenn Gargas, Development Project Manager

RESOLUTION NO. \_\_\_\_\_  
DATE OF FINAL PASSAGE SEPTEMBER 4, 2019

A RESOLUTION OF THE HEARING OFFICER ADOPTING THE FINDINGS  
AND APPROVING MAP WAIVER NO. 2132597 FOR WHITING COURT  
MW – PROJECT NO. 602075

WHEREAS, JBB, LLC, a NEVADA LIMITED LIABILITY COMPANY, Subdivider, and ROBERT J. BATEMAN, Surveyor, submitted an application with the City of San Diego for Map Waiver No. 2132597, to waive the requirement for a Tentative Map for lot consolidation, the condominium conversion of two existing attached residential dwellings units, and to waive the requirement to underground existing offsite overhead utilities. The project site is located at 702 and 708 Whiting Court, north of Verona Court, west of Mission Boulevard, south of Windemere Court and east of Ocean Front Walk, in the R-N Zone of the Mission Beach Precise Planned District, Coastal (appealable) Overlay Zone, Coastal Height Limitation Overlay Zone, Parking Impact Overlay Zone (Beach Impact Area), Residential Tandem Parking Overlay Zone, First Public Roadway Area, and with the Mission Beach Community Plan area. The property is legally described as Lots E and F, Block 237 of Mission Beach, in the City of San Diego, County of San Diego, State of California, According to Map Thereof No. 1651, Filed in the office of the County Recorder of San Diego County, December 14, 1914; and

WHEREAS, the map proposes the subdivision of a 0.067-acre site into a 2-unit residential condominium conversion and consolidation of two lots into one lot; and

WHEREAS, on December 17, 2018, the City of San Diego, as Lead Agency, through the Development Services Department, made and issued an Environmental Determination that the project is exempt from the California Environmental Quality Act (CEQA) (Public Resources Code section 21000 *et. seq.*) under CEQA Guidelines Section 15301, Existing Facilities and Section 150305,

Minor Alterations in Land Use Limitations; and there was no appeal of the Environmental Determination filed within the time period provided by San Diego Municipal Code section 112.0520;

WHEREAS, a preliminary soils and geological reconnaissance report are waived by the City Engineer pursuant to Subdivision Map Act section 66491(a) and San Diego Municipal Code sections 144.0220(a) and 144.0220(b); and

WHEREAS, the subdivision is a condominium project as defined in California Civil Code section 4125 and filed pursuant to the Subdivision Map Act. The total number of condominium dwelling units is two; and

WHEREAS, the request to waive the undergrounding of existing overhead utilities has been determined to be appropriate pursuant to San Diego Municipal Code section 144.0242(c) because the conversion involves a short span of overhead facility (less than a full block in length) and would not represent a logical extension to an underground facility; and

WHEREAS, on September 4, 2019, the Hearing Officer of the City of San Diego considered Map Waiver No. 2132597, including the waiver of the requirement to underground existing offsite overhead utilities, and pursuant to sections 125.0122 (map waiver), 125.0444 (condo conversion), and 144.0240 (underground) of the San Diego Municipal Code and Subdivision Map Act section 66428, received for its consideration written and oral presentations, evidence having been submitted, and testimony having been heard from all interested parties at the public hearing, and the Hearing Officer having fully considered the matter and being fully advised concerning the same; NOW THEREFORE,

BE IT RESOLVED by the Hearing Officer of the City of San Diego, that it adopts the following findings with respect to Map Waiver No. 2132597:

**1. The proposed subdivision and its design or improvement are consistent with the policies, goals, and objectives of the applicable land use plan.**

The project proposes a Map Waiver to consolidate two lots into one lot, create two condominium units and waive the requirements to underground overhead utilities. The 0.067-acre project site is located in the R-N Zone of the Mission Beach Planned District and is designated Residential (36 DU/AC) land use by the Mission Beach Community Plan. The Mission Beach Community Plan encourages a wide variety of housing types for all age, income and social groups. The proposed creation of two condominium dwelling units would add to and continue to provide for a balanced community and equitable development within the community through the provision of housing that provides varying levels of architectural styles, size and affordability through residential development. The project site is designated Residential Use in the General Plan and is consistent with existing General Plan designations. In addition, the proposed subdivision will provide another opportunity for home ownership which is consistent with the General Plan, Housing Element, Goal No. 4: "to provide affordable housing opportunities consistent with a land use pattern which promotes infill development and socioeconomic equity; and facilitate compliance with all applicable federal, state, and local laws and regulations". The project is surrounded by both multi-family and single-family residential development.

As proposed, the subdivision would be consistent with the Mission Beach Community Plan and overall policies for development related to the Land Use and Urban Design elements contained in the General Plan.

**2. The proposed subdivision complies with the applicable zoning and development regulations of the Land Development Code including any allowable deviations pursuant to the Land Development Code.**

The proposed one-lot, two dwelling unit consolidation and condominium conversion subdivision complies with the development regulations of the R-N Zone of the Mission Beach Planned District Ordinance. The current duplex building is existing and there is no additional development proposed within the scope of this Map Wavier. The proposed project, will convert a two-dwelling-duplex into condominium ownership, which complies with the applicable zoning and development regulations of the Land Development Code (San Diego Municipal Code § 1513.0304. There are no proposed deviations with this project.

The project includes a request to waive the requirement to underground the existing offsite overhead utilities. The requested waiver of the requirement to underground the existing overhead utility facilities in the public right-of-way qualifies under the guidelines of Municipal Code Section 144.0242, Waiver of the Requirements to Underground Privately Owned Utility Systems and Service Facilities, in that the project involves a short (less than a full block) span of overhead facility and would not represent a logical extension to an underground facility.

The project has been conditioned to underground any new service run to any new or proposed structures within the subdivision.

The project complies with the Municipal Code and the Subdivision Map Act and includes conditions to ensure adequate parking, public improvements and compliance with the Land Development Code. Therefore, the proposed project complies with the applicable zoning and development regulations of the Land Development Code.

**3. The site is physically suitable for the type and density of development.**

The project site is located in the R-N Zone of the Mission Beach Planned District and is designated Residential (36 DU/AC) land use by the Mission Beach Community Plan. The proposed Map Waiver to create two condominium units, is for a site that is flat and previously graded within an urbanized area of the City. This map waiver does not propose any additional physical development on the property. The proposed subdivision changes the form of ownership of this duplex into condominiums. The proposed development does not involve any physical change to the existing duplex building. The conversion from apartments to condominiums were found physically suitable for the type and density of development (San Diego Municipal Code § 125.0440(c) and Subdivision Map Act §§ 66474(c) and 66474(d)). Therefore, this project will not affect the existing and future surrounding land uses and the site is physically suitable for the type and density under the proposed tentative map project.

**4. The design of the subdivision or the proposed improvements are not likely to cause substantial environmental damage or substantially and avoidably injure fish or wildlife or their habitat.**

The project proposes to create two residential condominium units within an existing duplex structure, totaling 3,160-square-feet on a 0.067-acre site. The developed project site is located in an urban in-fill area and does not contain, nor is it adjacent to, any sensitive resources, Multiple Habitat Planning Area lands, Environmentally Sensitive Lands or existing fish or wildlife habitats. The site is surrounded by multi-story residential development, except the Pacific Ocean is to the west. This project is exempt from California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15301, (Existing Facilities) and 15305, (Minor Alterations in Land Use Limitations). Therefore, the design of the subdivision or the proposed improvements are not likely to cause substantial environmental damage or substantially and avoidably injure fish or wildlife or their habitat.

**5. The design of the subdivision or the type of improvements will not be detrimental to the public health, safety, and welfare.**

The project proposes to create two residential condominium units within an existing duplex structure, totaling 3,160-square-feet, on a 0.067-acre site. The project includes a request to waive the requirement to underground the existing offsite overhead utilities. The project will conform to all Uniform Building, Fire, Plumbing, Electrical, Mechanical Code and other regulations governing construction, continued operation and health/life/safety requirements. The project complies with the Municipal Code and the Subdivision Map Act and includes conditions and exhibits to ensure the provision of adequate parking, public

improvements and compliance with the Land Development Code. The subdivision is categorically exempt from review under the California Environmental Quality Act. The project has been conditioned to construct public improvements, including new City Standard curbs, gutters, new water meters, new water lateral, new back flow preventers and new sidewalk. These new improvements will aid public health a safety. As such, the design of the subdivision or the type of improvement will not be detrimental to the public health, safety, and welfare.

**6. The design of the subdivision or the type of improvements will not conflict with easements acquired by the public at large for access through or use of property within the proposed subdivision.**

The project proposes to create two residential condominium units within an existing duplex structure, totaling 3,160-square-feet, on a 0.067-acre site. There are no existing access easements located within the project boundaries, as shown on Map Waiver No. 2132597. As such, no conflict would occur with the recording of the subdivision, and there would be no conflicts with any easements acquired by the public at large for access through or use of the property within the proposed subdivision.

**7. The design of the proposed subdivision provides, to the extent feasible, for future passive or natural heating and cooling opportunities.**

The project proposes to create two residential condominium units within an existing duplex structure, totaling 3,160-square-feet, on a 0.067-acre site. The proposed subdivision will not impede or inhibit any future passive or natural heating and cooling opportunities. Each unit is exposed on two sides (north and south) to ensure passive cooling through cross-ventilation of the interior spaces. The existing duplex structure has the opportunity through the site orientation, architectural design, placement and selection of plant materials to provide to the extent feasible, for future passive or natural heating and cooling opportunities.

**8. The decision maker has considered the effects of the proposed subdivision on the housing needs of the region and that those needs are balanced against the needs for public services and the available fiscal and environmental resources.**

The project proposes to create two residential condominium units within an existing duplex structure, totaling 3,160-square-feet, on a 0.067-acre site. The project site is surrounded by multi-story residential development, except westerly, where the site is adjacent to the boardwalk and the Pacific Ocean. The Mission Beach Community Plan encourages a wide variety of housing types for all age, income and social groups. The project would maintain one three-bedroom unit and one four-bedroom unit. The project site is within a fully urbanized area of the City, surrounded by multi-family residential development. Commercial uses are two blocks to the south, the community's main commercial district located approximately four blocks to the north and Mission Bay Park is

located approximately three blocks to the east. The decision maker has reviewed the administrative record including the project plans, technical studies, environmental exemption and hear public testimony to determine the effects of the proposed subdivision on the housing needs of the region. Those needs were found to be balanced against the needs for public services and the available fiscal and environmental resources and found that the addition of one consolidated residential lot for two condominiums is consistent with the housing needs anticipated for the Mission Beach Community Planning area.

**9. The notices required by San Diego Municipal Code section 125.0431 have been given in the manner required.**

The project proposes to convert two existing residential units into condominiums on a 0.067-acre site located at 702 & 708 Whiting Court within the R-N Zone of the Mission Beach Planned District.

The project is currently owner occupied. All applicable notices required by San Diego Municipal Code section 125.0431 have been given in the manner required

**10. The project was not financed by funds obtained from a governmental agency to provide for elderly, disabled, or low-income housing.**

The project proposes to convert two existing residential units into condominiums on a 0.067-acre site located at 702 & 708 Whiting Court within the R-N Zone of the Mission Beach Planned District.

All costs associated with the processing of this Map Waiver were paid by the applicant. There, the project was not financed by funds obtained from a governmental agency to provide for elderly, disabled, or low-income housing.

**11. For any project that was developed to provide housing for the elderly, disabled or to provide low income housing, provisions have been made to perpetuate the use for which the project was developed.**

The project proposes to convert two existing residential units into condominiums on a 0.067-acre site located at 702 & 708 Whiting Court within the R-N Zone of the Mission Beach Planned District.

The Map Waiver was not processed to provide housing for the elderly, disabled or to provide low income housing.

That said Findings are supported by the minutes, maps, and exhibits, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that based on the Findings hereinbefore adopted by the Hearing Officer, Map Waiver No. 2132597, including the waiver of the requirement to underground existing

HEARING OFFICER  
CONDITIONS FOR MAP WAIVER NO. 2132597  
**WHITING COURT MW - PROJECT NO. 602075**  
ADOPTED BY RESOLUTION NO. \_\_\_\_\_ ON SEPTEMBER 4, 2019

### **GENERAL**

1. This Map Waiver will expire September 19, 2022.
2. Compliance with all of the following conditions shall be completed and/or assured, to the satisfaction of the City Engineer, prior to the recordation of the Parcel Map unless otherwise noted.
3. Prior to the expiration of the Tentative Map Waiver (TMW), a Parcel Map to consolidate and subdivide the 0.067-acre properties into 2 residential condominium units shall be recorded in the office of the County Recorder of San Diego County.
4. Prior to the recordation of the Parcel Map, taxes must be paid or bonded for this property pursuant to section 66492 of the Subdivision Map Act. A current original tax certificate, recorded in the office of the San Diego County Recorder, must be provided to satisfy this condition. If a tax bond is required as indicated in the tax certificate, ensure that it is paid or posted at the County Clerk of the Board of Supervisors Office and supply proof prior to the recordation of the Parcel Map.
5. The Subdivider shall defend, indemnify, and hold the City (including its agents, officers, and employees [together, "Indemnified Parties"]) harmless from any claim, action, or proceeding, against the City and/or any Indemnified Parties to attack, set aside, void, or annul City's approval of this project, which action is brought within the time period provided for in Government Code section 66499.37. City shall promptly notify Subdivider of any claim, action, or proceeding and shall cooperate fully in the defense. If City fails to promptly notify the Subdivider of any claim, action, or proceeding, or if the City fails to cooperate fully in the defense, Subdivider shall not thereafter be responsible to defend, indemnify, or hold City and/or any Indemnified Parties harmless. City may participate in the defense of any claim, action, or proceeding if City bears its own attorney's fees and costs, City defends the action in good faith, and Subdivider is not be required to pay or perform any settlement unless such settlement is approved by the Subdivider.

### **CONDOMINIUM CONVERSION**

6. The Subdivider shall provide a Notice of Tenants Rights and Notices for Condominium Conversion, consistent with the Land Development Manual to be provided as follows:
  - a. For existing tenants, within 10 days of the project application for the condominium conversion being deemed complete; or
  - b. For prospective tenants, upon application for the rental of a unit in the proposed condominium conversion.

## ATTACHMENT 5

7. The Subdivider shall provide each tenant, and each person applying for the rental of a unit in such residential real property, all applicable notices and rights now or hereafter required by the Subdivision Map Act.
8. The Subdivider shall provide each of the tenants of the proposed condominiums written notice of intention to convert at least 180 days prior to termination of tenancy due to the conversion or proposed conversion in conformance with Subdivision Map Act section 66427.1(a)(2)(E). The provisions of this condition shall neither alter nor abridge the rights or obligations of the parties in performance of their covenants, including, but not limited to, the provision of services, payment of rent, or the obligations imposed by Civil Code sections 1941, 1941.1 and 1941.2.
9. The Subdivider shall provide the tenants of the proposed condominiums with written notification within 10 days after approval of a Parcel Map for the proposed conversion, in conformance with Subdivision Map Act section 66427.1(a)(2)(D).
10. The Subdivider shall give each tenant a notice of termination of tenancy 60 days prior to being required to vacate the property. (San Diego Municipal Code § 125.0431(a)(4)).
11. The Subdivider shall provide each of the tenants of the proposed condominiums notification of their exclusive right to contract for the purchase of his or her respective unit upon the same terms and conditions that such unit will be initially offered to the general public or terms more favorable to the tenant, in conformance with Subdivision Map Act section 66427.1(a)(2)(F) and San Diego Municipal Code section 125.0431(a)(5). The right shall commence on the date the subdivision public report is issued, as provided in section 11018.2 of the Business and Professions Code, and shall run for a period of not less than 90 days, unless the tenant gives prior written notice of his or her intention not to exercise the right. (San Diego Municipal Code § 125.0431(a)(5)).
12. The Subdivider shall provide a copy of the Building Conditions Report to a prospective purchaser prior to the opening of an escrow account. (San Diego Municipal Code § 144.0504(c)).
13. Prior to the recordation of the Parcel Map, the Subdivider shall demonstrate conformance with the San Diego Municipal Code provisions for building and landscape improvements (San Diego Municipal Code § 144.0507), to the satisfaction of the City Engineer.

### **AFFORDABLE HOUSING**

14. Prior to recordation of the Parcel Map, the Subdivider shall enter into a written agreement with the San Diego Housing Commission to pay the condominium conversion inclusionary housing fee pursuant to the Inclusionary Affordable Housing Regulations (San Diego Municipal Code § 142.1301 *et seq.*).
15. Prior to the recordation of the Parcel Map, the Subdivider shall demonstrate conformance with the San Diego Municipal Code provisions for Coastal Overlay Zone Affordable Housing Replacement Regulations (San Diego Municipal Code § 143.0810 *et seq.*), to the satisfaction of the Development Services Department and the San Diego Housing Commission.

## ATTACHMENT 5

16. Prior to the recordation of the Parcel Map, the Subdivider shall demonstrate conformance with the San Diego Municipal Code provisions for Tenant Relocation Benefits (San Diego Municipal Code § 144.0505), to the satisfaction of the Development Services Department and the Housing Commission.
17. Prior to the approval of the Condominium Conversion the applicant shall demonstrate compliance with the provisions of the Condominium Conversion Regulations of Chapter 14, Article 4, Division 5 of the San Diego Municipal Code.
18. The Owner/Permittee shall either show evidence that relocation assistance has been paid to eligible tenants or enter into a written Agreement with the San Diego Housing Commission which shall be drafted and approved by the San Diego Housing Commission, executed by the Owner/Permittee, and secured by a deed of trust which incorporates applicable relocation benefit conditions consistent with the San Diego Municipal Code.
19. The Owner/Permittee shall comply with the provisions of Chapter 14, Article 2, Division 13 of the San Diego Municipal Code (Inclusionary Affordable Housing Regulations) by paying the Condominium Conversion Inclusionary Affordable Housing Fee in one of the following, manners:
  - a. Deferring payment of the Condominium Conversion Inclusionary Affordable Housing Fee until the close of escrow of the first condominium sold at the development by entering into a written agreement with the San Diego Housing Commission securing payment of the Condominium Conversion Inclusionary Affordable Housing Fee, which shall be recorded against the development and secured by a recorded deed of trust in favor of the San Diego Housing Commission. If Owner/Permittee elects future payment of the Condominium Conversion Inclusionary Affordable Housing, the fee shall be calculated using the rate in effect at the close of escrow of the first condominium unit sold at the development; or
  - b. Pre-paying the Condominium Conversion Inclusionary Affordable Housing Fee to the City based upon the aggregate square footage of all residential units in the project. If Owner/Permittee pre-pays the Condominium Conversion Inclusionary Affordable Housing, the fee shall be calculated using the rate in effect on the date of pre-payment.

### **ENGINEERING**

20. The Subdivider shall reconstruct the sidewalk, maintaining the existing sidewalk scoring pattern and preserving any contractor's stamp, adjacent to the site on Whiting Court.
21. Prior to the issuance of any building permits, the Subdivider shall obtain an Encroachment Maintenance Removal Agreement, from the City Engineer, for the private wall on the Ocean Front Walk and Whiting Court Right-of-Way.
22. The Subdivider shall remove the brick within the public R/W, adjacent to the site on Whiting Court.
23. The Subdivider shall underground existing and/or proposed public utility systems and service facilities in accordance with the San Diego Municipal Code.

## ATTACHMENT 5

24. The Subdivider shall ensure that all existing onsite utilities serving the subdivision shall be undergrounded with the appropriate permits. The Subdivider shall provide written confirmation from applicable utilities that the conversion has taken place, or provide other means to assure the undergrounding, satisfactory to the City Engineer.
25. The Subdivider shall comply with the "General Conditions for Tentative Subdivision Maps," filed in the Office of the City Clerk under Document No. 767688 on May 7, 1980. Only those exceptions to the General Conditions which are shown on the Map Waiver and covered in these special conditions will be authorized. All public improvements and incidental facilities shall be designed in accordance with criteria established in the Street Design Manual, filed with the City Clerk as Document No. RR-297376.

### **MAPPING**

26. "Basis of Bearings" means the source of uniform orientation of all measured bearings shown on the map. Unless otherwise approved, this source shall be the California Coordinate System, Zone 6, North American Datum of 1983 (NAD 83).
27. "California Coordinate System" means the coordinate system as defined in Section 8801 through 8819 of the California Public Resources Code. The specified zone for San Diego County is "Zone 6," and the official datum is the "North American Datum of 1983."
28. Every Parcel Map shall:
  - a. Use the California Coordinate System for its "Basis of Bearings" and express all measured and calculated bearing values in terms of said system. The angle of grid divergence from a true meridian (theta or mapping angle) and the north point of said map shall appear on each sheet thereof. Establishment of said Basis of Bearings may be by use of existing Horizontal Control stations or astronomic observations.
  - b. Show two measured ties from the boundary of the map to existing Horizontal Control stations having California Coordinate values of First Order accuracy. These tie lines to the existing control shall be shown in relation to the California Coordinate System (i.e., grid bearings and grid distances). All other distances shown on the map are to be shown as ground distances. A combined factor for conversion of grid-to-ground shall be shown on the map.
29. The Parcel Map shall be based on a field survey and all lot corners must be marked with durable survey monuments pursuant to Section 144.0311(d) of the City of San Diego Land Development Codes and Subdivision Map Act Section 66495.

All survey monuments shall be set prior to the recordation of the Parcel Map, unless the setting of monuments is deemed impractical due to the proposed improvements and/or grading associated with the project, in which case, delayed monumentation may be applied on the Parcel Map in accordance with Section 144.0130 of the City of San Diego Land Development Codes.

## ATTACHMENT 5

30. All subdivision maps in the City of San Diego are required to be tied to the California Coordinate System of 1983 (CCS83), Zone 6 pursuant to section 8801 through 8819 of the California Public Resources Code.

### **LANDSCAPE/BRUSH MANAGEMENT**

31. Prior to the recordation of the Parcel Map, the Subdivider shall submit complete landscape and irrigation construction documents to the Development Services Department for approval. The construction documents shall be consistent with approved Exhibit "A," the Mission Beach Planned District Ordinance, the Mission Beach Community Plan, and the Land Development Manual - Landscape Standards.
32. The Subdivider shall maintain all landscape in a disease, weed and litter free condition at all times. Severe pruning or "topping" of trees is not permitted. The trees shall be maintained in a safe manner to allow each tree to grow to its mature height and spread.
33. If any required landscape (including existing or new plantings, hardscape, landscape features, etc.) indicated on the approved construction document plans is damaged or removed during demolition or construction, it shall be repaired and/or replaced in kind and equivalent size per the approved documents to the satisfaction of the Development Services Department within 30 days of damage.
34. The Subdivider shall install and maintain all landscaping proposed in public view corridors to not obstruct public views of the ocean as specified in §132.0403(e) of the Land Development Code, Coastal Overlay Zone Regulations. Landscaping materials shall not encroach or overhang into the Courts and Places right-of-way below a height of 8-ft. above the finish surface or finish grade, as measured at the trunk [§1513.0402(a)(2)].

### **TRANSPORTATION**

35. The owner/permittee shall provide and maintain 4 parking spaces on site. All on-site parking stalls and aisle widths shall be in compliance with requirements of the City's Land Development Code and shall not be converted and/or utilized for any other purpose, unless otherwise authorized in writing authorized by the appropriate City decision maker in accordance with the SDMC.

### **INFORMATION:**

- The approval of this Map Waiver by the Hearing Officer of the City of San Diego does not authorize the Subdivider to violate any Federal, State, or City laws, ordinances, regulations, or policies including but not limited to, the Federal Endangered Species Act of 1973 and any amendments thereto (16 U.S.C. § 1531 *et seq.*).
- If the Subdivider makes any request for new water and sewer facilities (including services, fire hydrants, and laterals), the Subdivider shall design and construct such facilities in accordance with established criteria in the most current editions of the City of San Diego water and sewer design guides and City regulations, standards and practices pertaining thereto. Off-site improvements may be required to provide

adequate and acceptable levels of service and will be determined at final engineering.

- Subsequent applications related to this Map Waiver will be subject to fees and charges based on the rate and calculation method in effect at the time of payment.
- Any party on whom fees, dedications, reservations, or other exactions have been imposed as conditions of approval of the Map Waiver, may protest the imposition within 90 days of the approval of this Map Waiver by filing a written protest with the San Diego City Clerk pursuant to Government Code Sections 66020 and/or 66021.
- Where in the course of development of private property, public facilities are damaged or removed, the Subdivider shall at no cost to the City, obtain the required permits for work in the public right-of-way, and repair or replace the public facility to the satisfaction of the City Engineer (San Diego Municipal Code § 142.0607).

**Project Name/Number:** Whiting Court Condo Conv MW / 602075

**SCH No.:** N/A

**Project Location-Specific:** 702 and 708 Whiting Ct., San Diego CA, 92109

**Project Location-City/County:** San Diego/San Diego

**Description of nature and purpose of the Project:** Map Waiver and lot consolidation for the condominium conversion of two existing attached residential dwellings units within a 3,160 square foot three-story structure at 702 and 708 Whiting Ct. The 0.7-acre site is located within the MBPD-R-N Zone, the Coastal Height Limit Overlay Zone, the Coastal Overlay Zone (Coastal Commission's Jurisdiction), the Parking Impact Overlay Zone (Beach Impact Area), Residential Tandem Parking Overlay Zone, First Public Roadway Area, and Mission Beach Community Plan Area, Council District 2. The proposed project conforms to the parking, setbacks, and other zoning regulations for MBPD-R-N Zone. No new construction is proposed with this action.

**Name of Public Agency Approving Project:** City of San Diego

**Name of Person or Agency Carrying Out Project:** William Benko, 864 Grand Ave., Ste. 461, San Diego, CA 92109; 702-326-4491

**Exempt Status:** (CHECK ONE)

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269 (b)(c))
- Categorical Exemption: Section 15301, Existing Facilities and 15305, Minor Alterations in Land Use Limitations
- Statutory Exemptions:

**Reasons why project is exempt:** The City of San Diego determined that the project would qualify to be categorically exempt from CEQA pursuant to Sections 15301, Existing Facilities and Section 15305, Minor Alterations in Land Use Limitations. The exemptions are appropriate because Section 15301 allows for division of existing multiple family or single-family residences into common interest ownership where no physical changes occur which are not otherwise exempt. Additionally, Section 15305 allows for minor alterations in land use limitations in areas with an average slope of less than 20%, which do not result in any changes in land use or density. There is no physical development in conjunction with this map waiver and therefore, would not cause any impacts on the environment under this action.

<p>On June 18, 2019, the Mission Beach Precise Planning Board voted 9-1-0 to deny the proposed Map Waiver because the "Landscape" requirements pursuant to SDMC 1513.0402(a)(1) were not met by the Applicant and owners. A combination of planter boxes over 36" atop a raised deck covering nearly the complete front yard landscape area is not permitted. See photo attached hereto as reference to the current condition.</p> <p>Per SDMC §1513.0402(a)(1) "Landscaping" in "Residential Subdistricts" requires that "One hundred percent of all required yards except interior yards and rear yards shall be landscaped with a minimum of at least 50 percent and shall be any combination of trees, shrubs and ground cover . . . All proposed landscaping in the required yard areas for Courts, Places, or Walks shall be maintained at a height of three feet or lower (including raised planters) to preserve public views." This requirement was not shown in the proposed tentative map and landscape plan. Nearly 100% of the front yard landscape area is covered by a deck where only 50% is permitted.</p> <p>Further, per SDMC §1513.0402(a)(1) "The remaining 50 percent may include, but is not restricted to, fountains, reflecting pools, art objects, decorative walkways, screens, walls, fences, benches, and decks not exceeding 3 feet in height." A combination of planter boxes atop a raised deck covering nearly the complete front yard landscape area is not permitted according to the express development regulations of Chapter 15 of the San Diego Municipal Code, Article 13: Mission Beach Planned District, Division 4: General and Supplemental Regulations. No trees, shrubs and or ground cover were provided in the proposed drawings in locations not already covered by a deck.</p> <p>Suggestion to remedy: Reduce deck coverage to 50% of the front yard and as permitted, landscape the remaining 50% with a combination of trees, shrubs and ground cover. This is a simple remedy. The deck in its current condition should have never been approved during the ministerial remodel PTS #462095 as landscape standards per SDMC §1513.0402(a)(1).</p>
