PUBLIC NOTICE

Date: April 22, 2019

Subject: Annual Beach Area Construction Restrictions for 2019

It is once again time to remind you of the City of San Diego's Annual Beach Area Construction Restriction. The impact on the beach area businesses and residents is minimized by limiting non-emergency construction work during the summer period. The summer period is considered to be from Memorial Day to Labor Day.

The restriction affects travel and parking lanes as well as pedestrian walkways on streets adjacent to beach areas where merchants could be adversely affected by construction activities. The periods of most critical concern are Memorial Day, July 4 and Labor Day. Thus, we are requesting that no construction activities be scheduled on the days preceding and immediately following the holiday periods noted above.

If this notification applies to others in your organization, please pass this along to them.

Your cooperation will be greatly appreciated. If you have any questions related to the items discussed above, please contact Ali Sabouri at 619-446-5359 or by email at asabouri@sandiego.gov.

Sincerely,

A handwritten signature in blue ink that reads 'Gregory P. Hopkins'.
