

THE CITY OF SAN DIEGO

MEMORANDUM

DATE: November 8, 2019

TO: Planning Commission

FROM: Travis Cleveland, Development Project Manager, Development Services Department TC

SUBJECT: Courthouse Commons Tunnel, Project No. 634065

---

This project appeared on the November 7, 2019 Planning Commission docket as item #1 for a recommendation to the City Council. Due to absences and recusals, the Planning Commission did not have a quorum for this item and could not take action on that date.

The project was re-noticed for the December 5, 2019 Planning Commission meeting. Because the project has not changed, the original staff report, dated October 31, 2019, will continue to be used. A new staff report was not written.
