

CITY OF SAN DIEGO

PUBLIC NOTICE

Date: August 05, 2020

Subject: Professional Certification Training Class for Solar PV and Energy Storage Systems

There will be a Professional Certification Class for Roof Mounted Solar Photovoltaic Systems and Energy Storage Systems. The training will include the new 2019 California Building Standards Code and the effect on PV design. In order to retain Professional Certification status, a representative must attend this class or have attended the class previously held on Monday, December 9th, 2019 or February 25th, 2020. Attendees must be a California registered Civil or Electrical Engineer or a licensed Electrical Contractor (C-10 License), General Contractor (B License) or a Solar Contractor (C-46 License) who is responsible for the design and installation of the system.

Date: Thursday, August 13th

Time: 9:00 a.m. to 12:00 p.m.

Location: Via Microsoft Teams Invitation
