The property at 4341-4351½ Illinois Street has been docketed for review by the Historical Resources Board at this month's Historical Resources Board meeting; staff is recommending designation under HRB Criterion A as a special element of North Park and San Diego's historical and architectural development. On June 11 the applicant submitted an addendum to the Historical Resource Research Report dated June 7, 2019. Staff has not been able to review the contents of the addendum and provide a response before distribution of this month's hearing materials to the Historical Resources Board. Additionally, staff may not be able to comment on the addendum at the hearing. Staff's recommendation remains unchanged.
