INFORMATION
 BULLETIN
320
 August 2017

This information bulletin establishes the requirements and the process for becoming a registered special inspector with the City of San Diego. Inspectors employed to perform special inspections as specified in Chapter 17 of the governing California Building Code are required to be registered by the City of San Diego. Registered inspectors are authorized to perform special inspections in the category of their registration.

I. SPECIAL INSPECTION REGISTRATION CATEGORIES

The Development Services Department issues registrations in the following categories:

- A. Structural Masonry;
- B. Structural Steel and Bolting / Structural Welding;
- C. Spray-applied Fireproofing;
- D. Reinforced Concrete;
- E. Prestressed Concrete;
- F. Pile Driving (driven);
- G. Structural Wood; and
- H. Exterior Insulation & Finish System (EIFS).

All special inspections are required to be performed in accordance with the provisions of the governing California Building Code and Standards as adopted by the City of San Diego.

II. QUALIFICATION REQUIREMENTS

A. An International Code Council (ICC) certification with a valid expiration date is required for all categories, except for Pile Driving, Structural Wood, and EIFS as ICC currently does not offer certification in these categories. Refer to Table-1 in this bulletin for a summary of minimum registration requirements.

III. APPLICATION SUBMITTAL REQUIREMENTS

Applicants shall submit to Inspection Services Division, the following forms and documents for registration and renewal as special inspector in each category. In addition, refer to Section IV, In-Person Interview, for additional documents required to be submitted.

A. Application
 A typed or printed copy of the Application for Special Inspector Registration, Form DS-320.

B. Education/Experience
 Proof of education and technical competence (not required for renewal of registration):

- 1. Copies of State, College, Trade school or High school diploma, degrees or certificates.
- 2. Copies of transcripts may be submitted in lieu of diplomas or degrees.

C. Certification
 Proof of certification issued by the International Code Council (ICC) or American Concrete Institute (ACI) as applicable with a valid expiration date. Refer to Table-1 for a summary of registration requirements.

D. Application Fee
 Refer to section VI-Fee schedule.

IV. IN-PERSON INTERVIEW

After application, documents, and fees are received and approved, a letter of notification will be mailed or e-mailed to schedule an in-person interview. Applicants must bring the following to the interview:

A. Registration Fee

Refer to Section VI- Fee schedule.

B. Photos

Two 2" X 2" full-faced passport photos taken within one year of the application date.

After the interview, a registration card will be issued. Registration cards are not transferrable. Registration cards must be carried by the Special Inspector when engaged in special inspection assignments and presented to City authorized personnel upon request.

V. RENEWAL OF REGISTRATION

The issued registration card is valid for a maximum of three years or upon adoption of governing California building code. Failure to renew any registration cards is a cause for suspension or revocation of the special inspector registration.

All renewal applications shall be submitted within 6 months of the expiration date. A registered inspector may not conduct any inspections with an expired registration. There is no extension of time for renewal processing by the Department after the expiration date. Failure to complete the renewal of an expired license within 6 months after the expiration date constitutes abandonment of the registration card. The applicant will be required to resubmit as a

new special inspector candidate.

VI. FEE SCHEDULE

A non-refundable application fee must be included at the time application is submitted. Check or money order is accepted. Cash or credit cards are NOT accepted. Please make checks or money orders payable to: City of San Diego-Treasurer.

VII. COMMUNICATION AND CHANGE OF INFORMATION

Every registered special inspector is requested to have Internet connectivity and maintain a current and valid e-mail address on file with the department. If your mailing address, telephone number or e-mail address has changed, please notify the department immediately.

Information will periodically be sent electronically to registered special inspectors and it is important that you receive it. Such information will be e-mailed to the e-mail address on file.
