This bulletin provides a summary of the City of San Diego's Inclusionary Affordable Housing Ordinance. For more details, please see San Diego Municipal Code (SDMC) Chapter 14, Article 2, Division 13, as well as the San Diego Housing Commission's Inclusionary Affordable Housing Implementation and Monitoring Procedures Manual (Procedures Manual). Note: The information contained in this bulletin reflects amendments as adopted by O-21167 N.S. and will not apply within the Coastal Overlay Zone until the California Coastal Commission certifies it as a Local Coastal Program Amendment.

I. Inclusionary Affordable Housing Ordinance Applicability

The Inclusionary Affordable Housing Ordinance applies to all new residential development of 10 or more dwelling units and to all condominium conversions of two or more dwelling units. Developments are required to provide a certain percentage of affordable units in the development. Applicants may also choose to pay an Inclusionary In Lieu Fee for all or a portion of the inclusionary dwelling units; rehabilitate existing dwelling units or SRO Hotel Rooms; convert hotel or motel guest rooms to inclusionary dwelling units; or donate land.

Residential development that provides affordable dwelling units as a condition of the development and has an application for a development permit, for a subdivision, or for a Building Permit deemed complete before July 1, 2020, shall be subject to the version of the Inclusionary Affordable Housing Regulations in effect prior to July 1, 2020, as set forth in the Procedures Manual.

The Inclusionary In Lieu Fee applicable to residential development that has an application for a development permit, for a subdivision, or for a Building Permit deemed complete before July 1, 2020 shall be $12.73 per square foot multiplied by the net building area of the unrestricted market-rate residential development.

II. Exemptions from the Inclusionary Housing Ordinance

The following types of residential development projects are exempt from the Inclusionary Housing Ordinance as outlined in SDMC §142.1303.

1. Projects subject to the North City Future Urbanizing Area inclusionary housing requirements.

   A. Rehabilitation of an existing building that does not result in a net increase of dwelling units.

   B. Density bonus units constructed in accordance with Chapter 14, Article 3, Division 7.

III. Development of Inclusionary Dwelling Units

The Inclusionary Affordable Housing Regulations may be satisfied by setting aside 10 percent of the total dwelling units in the development for households earning at or below certain income levels. These requirements shall be implemented incrementally from July 1, 2020, through June 30, 2024, as outlined in the Procedures Manual.

IV. Inclusionary In Lieu Fee

From July 1, 2020 through June 30, 2024, the Inclusionary In Lieu Fee requirements shall be implemented incrementally. V. Other Methods of Compliance

The requirements of the Inclusionary Affordable Housing Ordinance may also be satisfied by the following methods:

A. Rehabilitation of Existing Dwelling Units, SRO Hotel Rooms, or Conversion of Guest Rooms

Existing dwelling units and SRO Hotel Rooms can be rehabilitated, or existing guest rooms in a motel or hotel could be converted to inclusionary dwelling units to satisfy the requirements in accordance with SDMC §142.1307.

B. Land Donation

Land may be donated if the value of the land is equal to or greater than the applicable Inclusionary In Lieu Fee as outlined in SDMC §142.1308.

VI. Variances and Waivers

The Inclusionary Housing Ordinance allows applicants to request a Variance (Process 4) or Waiver (Process 5) from the affordable housing requirements. A Variance is required to deviate from specific portions of the Ordinance; and a Waiver is required to be exempted entirely from the Ordinance. The City decision-maker may approve a Variance or Waiver only if specific findings can be substantiated (see SDMC §142.1311).

VII. Affordable/In-fill Housing and Sustainable Buildings Expedite Program

This program is an optional service available for a fee and provides reduced project processing times in the development review process for both discretionary and ministerial projects that provide affordable
housing. This Expedite Program significantly streamlines the City review process and typically results in time savings in excess of 50 percent. For more information, please see Information Bulletin 538.
