Torp family already owned Lot 195-4-8
When Viggo Torp was interred the burial
encroached on Lot 194. Eric Victor Torp
is interred in the lower left hand
corner of Lot 194 and also extra deep
so there should be no problem with the
future interment of Harriet Torp.

PR-974 (REV. 9-78)

This burial was to be in Grave #3 but in checking on the grounds it was found that because of the narrow graves and location of a palm tree at the foot of the plot there would have been considrable problems in making a full size burial in Grave #3. The problem was discussed with Wally Featheringill and he said that sinee he was was quite familiar with both families and since the Orosz family was interested only in a decent and inexepensive burial place to use grave #2 #2 and he would explain to the Berggren family that Grave #3 would be used for the three ash vaulwt interments to be made in the future
