Hoover High School Auditorium

Every level of government and every person in America are feeling the pinch of tighter budgets. My colleagues and I on the City Council Committee on Budget and Finance are making every effort to include community members in the budget planning and decision-making process. Holding Committee hearings on weekends, in the evening and in neighborhoods allows the public great input and heightens our awareness of your needs, questions and concerns. For more information or to complete an online budget priority survey, please visit [www.sandiego.gov/budgetandfinance](http://www.sandiego.gov/budgetandfinance). You may also call 619-236-6934 to leave your suggestions.

Thank you for your interest and for the opportunity to serve you and District Three.
