

September 21, 1940

San Diego City Council
Civic Center, Pacific Highway
San Diego, California

Gentlemen:

The Encanto Parent-Teacher Association desires to register its disapproval of the closing of the Mission Beach Plunge.

Since the use of the pool is so advantageous to our citizens, we would appreciate any efforts on the part of the City Council to re-open it at the earliest possible date.

Respectfully yours,

Bessie Krohn
Secretary, Encanto P.T.A.
