Recovering Property Impounded

- Owner must provide valid *Property Release Form (PD-184)*.
- If items were impounded as evidence, the owner must contact the assigned investigator/unit for a *Property Release Form (PD-184)*.
- Owner must provide valid picture identification.
- No appointment is necessary unless picking up a firearm.
- To pick up someone else's property, you must have a written notarized authorization signed by the property owner. If the owner is incarcerated, in lieu of a notarized authorization, they may provide you a written, signed authorization on an outgoing jail stationery form. This release must indicate their full name, description of the property, full name of the person to whom the property is being authorized for release and have it signed by a deputy. A parent may claim property on behalf of a minor by providing the minor's birth certificate.
- Failure to claim property by the deadline as indicated in the Property Release Form will result in the property being disposed of according to law.
