

CONSTRUCTION NOTICE: Overnight Full Road Closure at Friars Road between Napa Street and Sea World Drive

Feb. 16, 2022

On Thursday, Feb. 17 at 9 p.m. to Friday, Feb. 18 at 5 a.m., Friars Road from Napa Street to Sea World Drive will be closed to all vehicle, bicycle, and pedestrian traffic for the City of San Diego Morena Pump Station project, part of the Pure Water Program. The road will remain accessible for emergency responders. This is a temporary full closure for underground utility investigations and will be between the specified hours only.

At 5 a.m. on Feb. 18 eastbound access on Friars Road from Sea World Drive to Napa Street will reopen, along with the eastbound and westbound bicycle lanes. **In order to safely complete work on major support infrastructure on Friars Road as part of the Morena Pump Station project, the westbound vehicle lanes from Napa Street to Sea World Drive will remain closed until summer 2022 as part of the first phase of traffic control.**

What To Expect: During the full road closure, construction crews will conduct utility investigations that will aid in the next steps of Friars Road construction work that is part of the pump station project. The posted detours for this road closure are Napa Street, Morena Boulevard, Tecolote Road, and Sea World Drive. After the temporary closure, Friars Road between Napa Street and Sea World Drive will reopen to eastbound traffic only and two-way bicycle traffic. All nearby businesses will remain open and accessible. Please follow all posted signage and crew member directions near the work zone and expect delays in the area.

When: Friars Road between Napa Street and Sea World Drive will be fully closed from 9 p.m. on Thursday, Feb. 17, 2022, to 5 a.m. on Friday, Feb. 18, 2022. Work for this project is ongoing and this new traffic configuration is currently permitted to be in place through July 12, 2022. The work on Friars Road is primarily scheduled for Monday to Friday, from 7 a.m. to 4 p.m.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
