

## Empower yourself with financial knowledge and resources as you plan for your financial future

Whether you're just starting to save, at the half-way mark, or nearing retirement, Wells Fargo has resources to help you. Check out *My Financial Guide* on [wellsfargo.com](http://wellsfargo.com) to help you assess your needs, plan for your goals, and take the next step to prepare for a better retirement.

*My Financial Guide* also has a wide range of topics that cover more broad financial goals like managing credit and saving for a home. After all, creating overall financial health means considering all your financial goals; not just one.

Visit *My Financial Guide* by scanning this QR code. You'll need a QR reader to do so; if you don't have one installed you can download one (most are free) using the application store on your phone.

Or, visit [wellsfargo.com/financial-education](http://wellsfargo.com/financial-education).

### Resources to help you with a broad range of financial decisions

*My Financial Guide* includes helpful articles and tools on a wide range of topics, including:

- **Determine how much to save** — Three options to help you determine how much to save each year, along with an interactive calculator that'll help you create a plan.
- **Five retirement mistakes to avoid** — Avoiding these five common mistakes can help with your retirement planning.
- **A Letter on the Lessons of Life** — Beyond Today<sup>SM</sup> blogger shares the three important letters she wrote to her children to protect them and guide them to a comfortable future.

Recordkeeping, trustee, and/or custody services are provided by Wells Fargo Institutional Retirement and Trust, a business unit of Wells Fargo Bank, N.A., a bank affiliate of Wells Fargo & Company.
