

# Forecast of Projects to be Awarded in Fiscal Year 2019

## (First Quarter)

Data Date: June 1, 2018

This page contains all Capital Improvements Program (CIP) projects anticipated to be advertised and awarded for construction in the current fiscal year listed initially in the City's [Adopted CIP budget \(/fm/annual\)](/fm/annual). This page is updated throughout the year with the current cost estimates and new projects to list. It also identifies which projects were already awarded (/cip/reports/constructioncontracts) to a construction contractor. In addition, some projects from the original list may roll-over to the first quarter of next fiscal year and possibly beyond due to unforeseen conditions. See [Construction Contract Types \(/cip/bidopps/cct\)](/cip/bidopps/cct) for more information about delivery methods. Also, visit [Bid and Contract Opportunities \(/cip/bidopps\)](/cip/bidopps) for projects currently in the bid and award phase For more information about this report, call (619) 533-4207 or email [engineering@sanidiego.gov](mailto:engineering@sanidiego.gov) (<mailto:engineering@sanidiego.gov>).
