

# Forecast of Projects to be Awarded in Fiscal Year 2018

Data Date: June 1, 2017

This page contains all Capital Improvements Program (CIP) projects anticipated to be advertised and awarded for construction in the current fiscal year listed initially in the City's Adopted CIP budget (/fm/annual). This page is updated throughout the year with the current cost estimates and new projects to list. It also identifies which projects were already awarded (/cip/reports/constructioncontracts) to a construction contractor. In addition, some projects from the original list may roll-over to the first quarter of next fiscal year and possibly beyond due to unforeseen conditions. See Construction Contract Types (/cip/bidopps/cct) for more information about delivery methods. Also, visit Bid and Contract Opportunities (/cip/bidopps) for projects currently in the bid and award phase For more information about this report, call (619) 533-4207 or email [engineering@san Diego.gov](mailto:engineering@san Diego.gov) (<mailto:engineering@san Diego.gov>).
