

THE CITY OF SAN DIEGO

MEMORANDUM

May 17, 2016
Honorable Council President Sherry Lightner and Members of the City Council
Scott Chadwick, Chief Operating Officer
Mary Lewis, Chief Financial Officer
Scott Chadwick, Chief Operating Officer Mary Lewis, Chief Financial Officer Tracy McCraner, Financial Management Director
May Revision to the Fiscal Year 2017 Proposed Budget

This memorandum presents the Mayor's recommended revisions (May Revision) to the Fiscal Year 2017 Proposed Budget. The May Revision is based on the most current financial information and economic assumptions available after the development of the Fiscal Year 2017 Proposed Budget. The May Revision contains recommended changes to the budget based on revised current year expenditure and revenue projections and adjustments to projects within the Capital Improvements Program. The May Revision continues the focus on investing in infrastructure, safe and livable neighborhoods, an economically prosperous City with opportunity in every community, and open government with excellent customer service.

In keeping with the Mayor's top priority of investing in infrastructure, there is \$21.7 million in new infrastructure expenditure additions included in the Proposed Budget and the May Revision for Fiscal Year 2017. This amount is \$5.8 million above the Mayor's pledge to dedicate at least 50 percent, or \$15.9 million, of all new major General Fund revenue growth toward infrastructure improvements in all neighborhoods.

As a result of the May revision changes, the proposed General Fund budget has increased by a net \$10.5 million and 11.25 full-time equivalent (FTE) positions. These additional expenditures and positions are primarily funded by an increase in Property Tax revenue, one-time revenue from a renegotiated lease agreement, and projected Fiscal Year 2016 year-end Excess Equity. This projected use of Fiscal Year 2016 year-end Excess Equity was recommended for City Council approval in the Fiscal Year 2016 Year-End Budget Monitoring Report also issued on May 17, 2016. Non-general fund budgets decreased by a net \$0.1 million and increased by 3.50 in FTE positions. After incorporating all May Revision adjustments, one-time uses still remain greater than one-time resources in keeping with the City's Budget Policy and best practices in governmental budgeting.

The following information provides an overview of significant adjustments to the Fiscal Year 2017 Proposed Budget. A summary of adjustments is also included in *Attachment* 1.

Page 2 Honorable Councilmembers May 17, 2016

OVERVIEW Significant Adjustments – General Fund

The May Revision includes an increase of \$10.5 million in both resources and uses for the General Fund. The following are significant adjustments for the General Fund:

Resource Adjustments

- \$5.5 million in projected Fiscal Year 2016 year-end Excess Equity (unrestricted fund balance) as requested in the Fiscal Year 2016 Year-End Budget Monitoring Report;
- \$3.0 million in revenue from a renegotiated lease agreement between the City of San Diego and MG Stonewood Garden Apartments, LP;
- \$2.3 million increase in Property Tax due to adjustments to incorporate the impact from the recent refunding of outstanding redevelopment debt and resumption of Section 33676 Property Tax revenues;
- \$430,000 increase related to the closure of funds and/or reduction of accumulated special fund balances found to be obsolete or excess funding over contract requirements; and
- Offsetting the above increases, is a decrease of \$597,729 in revenue due to the Communications Department's increased support of General Fund departments.

Expenditure Adjustments

- \$4.0 million to support Police Officer recruitment and retention efforts;
- \$1.5 million transfer to the Capital Improvements Program for the rehabilitation of the Thompson Medical Library/Eddy Auditorium building at Balboa Park;
- \$1.4 million in non-pensionable salary and benefit adjustments related to tentative agreements with four of the City's recognized employee organizations;
- \$757,768 to support citywide public facility major maintenance and repair projects;
- \$651,636 to support Police Dispatcher recruitment and retention efforts;
- \$500,000 for the transfer of franchise fees to the Trench Cut Fee/Excavation Fee fund;
- \$486,621 to expand both Fire academy participants from 36 to 48 participants;
- \$350,000 for the replacement of the light posts at Balboa Park's Central Mesa;
- \$116,741 to restore year-round (winter) restroom access at Mission Bay Park;
- \$105,476 to provide access to the senior center located in North Clairemont; and
- \$94,588 to increase supervision of maintenance crews at Balboa Park.

The May Revision on its own includes more in one-time resources than one-time uses; however, when combined with the Proposed Budget one-time uses still exceed one-time resources by approximately \$10.7 million. This is in keeping with our Budget Policy and best practices in governmental budgeting. For an updated list of one-time resources and expenditures included in the Proposed Budget and May Revision refer to *Attachment 2*.

Excess Equity

Based on the Fiscal Year 2016 Year-End Budget Monitoring Report, issued May 17, 2016, the Fiscal Year 2016 projected Excess Equity is approximately \$36.0 million. Of this amount, \$4.0 million is allocated for use in Fiscal Year 2017 to support Police retention and recruitment efforts, and \$1.5 million for the rehabilitation of the Thompson Medical Library/Eddy Auditorium building at Balboa Park.

CITYWIDE CONSIDERATION

Page 3 Honorable Councilmembers May 17, 2016

The following section summarizes May Revision adjustments with a citywide impact.

Tentative Labor Agreements

In the Fiscal Year 2017 Proposed Budget, personnel expenditures included funding for anticipated non-pensionable compensation increases with the following recognized employee organizations: International Association of Firefighters (IAFF) Local 145, the American, Federation of State County and Municipal, Employees (AFSCME) Local 127, California, Teamsters Local 911, and the Deputy City Attorneys Association of San Diego (DCAA). Since the release of the Fiscal Year 2017 Proposed Budget and as of the date of this report, tentative labor agreements have been reached with these four recognized employee organizations and members of three of these organizations have ratified the terms of their tentative agreements. As a result, the May Revision includes non-pensionable adjustments to reflect increases in flex benefits, reimbursements for job-related training and professional development allowances, annual leave payouts and contributions to retiree health for IAFF Local 145, uniform allowance for IAFF Local 145 and Teamsters Local 911.

Fringe Benefit Adjustments

As a result of position adjustments, a citywide fringe rate adjustment is included in the May Revision to ensure that the Actuarially Determined Contribution (ADC) payment to SDCERS is properly allocated to departments for all positions added in the May Revision to the Fiscal Year 2017 Proposed Budget. An adjustment of budgeted fringe also includes Other Post-Employment Benefits (OPEB), Workers' Compensation, Risk Management Administration, Long-Term Disability, and Unemployment Insurance allocations to all departments as adjusted in the May Revision. This ensures fringe allocations are fully budgeted and that the expense is appropriately distributed to all funds.

DEPARTMENTAL ADJUSTMENTS

The following section includes departments or funds with departmental specific adjustments. It should be noted that the amounts in the tables included below reflect the tentative labor agreements and fringe benefit adjustments as well as all departmental specific adjustments. A summary of all adjustments is included in *Attachment* 1.

GENERAL FUND

Major General Fund Revenues

FTE Adjustment	Expenditure Adjustment	Reve	nue Adjustment
0.00	\$ -	\$	2,608,329

Property Tax Revenue

\$2.3 million in Property Tax revenue based on updated information from the California Department of Finance (DOF) and San Diego County Auditor-Controller. Due to the recent refunding of outstanding Redevelopment Agency bonds, debt service payments were reduced by approximately \$9.3 million to reflect the new debt service amounts. As a result of this adjustment, the City will receive an increase of \$1.2 million in the residual tax sharing from the Redevelopment Property Tax Trust Fund (RPTTF). Additionally, \$1.1 million in property tax revenue due to the resumption of property tax receipts as authorized under Health & Safety

Page 4 Honorable Councilmembers May 17, 2016

Code section 33676 which was suspended since 1998 in support of the City Heights redevelopment project area.

Other Financial Sources & Uses

\$430,000 in additional Other Financial Sources & Uses revenue based on the closure and/or reduction of accumulated non-general fund balances. As part of the year-end process, funds are reviewed to determine if there are excess fund balances and/or funds ready to close. This review identified one-time revenue from two funds that should be closed as they are now obsolete. These funds were created with contributions from the General Fund or by receiving fee revenues for reimbursement of general fund costs:

- Urban Land Institute Study of Downtown established 11/3/1986 \$14,000
- Industrial Development Bond Program established 6/15/1993 \$67,000

A third fund, International Gateway Associates, established 1/13/2004, reserve account has grown to more than \$946,000 leaving excess reserves of approximately \$350,000 which will be returned to the General Fund.

Transient Occupancy Tax (TOT) and Property Transfer Tax Revenue

Reduction of \$57,154 and \$31,190 in Transient Occupancy Tax and Property Transfer Tax revenue, respectively, based on updated Fiscal Year 2016 receipts.

City Attorney

FTE Adjustment	Expenditure Adjustment	Revenue Adjustment

Reduction of Information Technology Expenditures

As a result of the City's continuous efforts to identify process improvements and efficiencies, the Office of the City Treasurer has identified an additional reduction of \$70,500 in nonpersonnel expenditures for savings in the information technology expenditure category.

Citywide Program Expenditures

FTE Adjustment	Expe	nditure Adjustment	Revenue Adjustment
0.00	\$	(4,648,701)	\$ -

Citywide Program Expenditures are comprised of programs and activities that benefit multiple departments in the General Fund. These Citywide Program Expenditures decreased by a net \$4.6 million in the May Revision due to the combined impact of the following adjustments.

Tentative Labor Agreements Reallocation

\$5.1 million reduced expenditures in Citywide Program Expenditures which was then allocated to individual departmental budgets impacted as a result of the tentative labor agreements. The Fiscal Year 2017 Proposed Budget for the Citywide Program Expenditures Department included anticipated non-pensionable compensation increases with the City's bargaining groups to serve as a budgetary placeholder for impacted General Fund Departments. Since the release of the Fiscal Year 2017 Proposed Budget and as of the date of this report, tentative labor agreements have been reached with all four recognized employee organizations and members of three of these organizations have ratified the terms of their tentative agreements. As a result, the May Revision includes non-pensionable adjustments to reflect increases in flex benefits, reimbursements for job-related training and professional development allowances, annual leave payouts and contributions to retiree health for IAFF Local 145, uniform allowance for IAFF Local 145 and Teamsters Local 911.

Corporate Master Lease Rent

\$287,868 in additional non-personnel expenditures for revised rent and operational expense estimates, primarily for Civic Center Plaza for Fiscal Year 2017.

Kinder Morgan Litigation

\$250,000 in additional one-time non-personnel expenditures for legal services related to the ongoing Kinder Morgan litigation. The Fiscal Year 2017 Proposed Budget assumed this litigation would be resolved during Fiscal Year 2016.

Animal Services Support

\$103,450 in additional non-personnel expenditures for increased contractual costs for animal services based on revised estimates from the County Department of Animal Services received after the release of the Fiscal Year 2017 Proposed Budget.

Insurance

\$220,131 reduction in non-personnel expenditures due to the recent receipt of revised insurance estimates from the CSAC – Excess Insurance Authority for Fiscal Year 2017.

Sublease with SDG&E

\$20,900 in additional revenue associated with a lease payment from SDG&E for the use of City property.

CAPITAL IMPROVEMENTS PROGRAM (CIP)

Adjustments to capital improvement projects are primarily due to the identification of additional funding and adjustments to bring project budget in line with revised project schedules. The Fiscal Year 2017 May Revision CIP adjustments total an increase of \$48.3 million to the Fiscal Year 2017 Proposed CIP Budget. *Attachment* 5 – FY 2017 CIP May Revision Adjustments provides an itemized list of the changes by project along with a brief description of each change.

FY 2017 Underfunded Projects List

With the approval of the Annual CIP Budget, the City Council will also be asked to approve a list of underfunded projects to be funded with other project savings. The list, originally published on page 15 of Volume 3 of the Mayor's Fiscal Year 2017 Proposed Budget, has been updated to remove project S00982 –Interstate 5 Underpass–Bikeway/Ped Conn. Additionally, after the release of the FY 2017 Proposed Budget, projects S15030 – Keiller Neighborhood Park ADA Improvements and S00752 –Beyer Park Development received or were proposed to receive funding in excess of what was requested on the FY 2017 Underfunded Projects List. Attachment 6 – FY 2017 Underfunded Projects List includes the updated list, which removes these projects.

FY 2017 Planned Construction Contracts

The list of capital projects anticipated to move forward to bid and award construction contracts during Fiscal Year 2017 has been updated as shown in *Attachment* 7 – FY 2017 Planned Construction Contracts List.

Excerpt from Council Policy 100-03: Transient Occupancy Tax Attachment A: General Requirements and Conditions Section B: Funding

- 1. Expenses must be both incurred and paid by an organization before the City will release funding to the organization, except as otherwise may be provided.
- 2. Expenses must be incurred during the City's fiscal year (July 1 June 30) for which the program is funded, except as otherwise may be provided.
- 3. City funds may not be used for alcoholic beverages. In addition, City funds may not be used for travel, meals, lodging, or entertainment expenses, except as otherwise may be provided. Waivers to this provision will be considered for expenditures within the Economic Development Program categories. Organizations receiving waivers may use City funds for travel, meals, or lodging within the following parameters:
 - a. Travel when use of public air carrier transport is required in order to perform the contractual scope of services to the City, City funds may be applied toward the equivalent of coach airfare only. City funds may not be applied toward any upgrades.
 - b. Meals when provision of meals is required in order to perform the contractual scope of services to the City, City funds may be applied toward a maximum of \$50 per day per person for meals (excluding sales tax and a maximum 15% gratuity, which are also eligible expenses). This daily maximum is further limited by meal, as follows: \$10, \$15, and \$25 are the maximum City funds that can be applied toward breakfast, lunch, and dinner, respectively, per person. If alcoholic beverages are consumed with meals, they may not be paid for with City funds. In the event that meals are provided to individuals who are not members of the funded organization within the scope of a business development meeting, documentation containing the purpose of the meeting, the benefit to the City, and a list of attendees must be provided to the City in order for City funding to be utilized.
 - c. Lodging when out-of-town lodging is required in order to perform the contractual scope of services to the City, City funds may be applied toward the equivalent of the cost of a standard room in a business class hotel, or toward the conference rates of the host hotel when attending a conference.
 - d. Sponsorships the City acknowledges the business requirement of event sponsorships by promotional organizations in order to market San Diego as a convention destination in a highly competitive market, and to attract businesses to

the region. The primary objective of a funded organization's participation in such events is to gain exposure for San Diego and secure access to important decision makers representing prominent convention groups and businesses. Financial sponsorship of such events is an acceptable application of City funds. If alcoholic beverages are consumed during event sponsorships, they may not be paid for with City funds.

- 4. City funds will be used only to assist an organization in its annual operating program or in its sponsorship of special events. City funding will not be used for capital or equipment outlay, for the purchase of awards, trophies, gifts, or uniforms, nor for the buildup of reserves.
- 5. Matching fund requirements will be determined by the appropriate application process as called for in the specific funding guidelines within each funding category, if applicable.
- 6. Organizations requesting funds should possess, at a minimum, a three-year track record of operations. Annual requests for funding may be for one-time events or projects, though applicant organizations must have a three-year history.
