EXECUTIVE SUMMARY OF ITEM:

On October 9th, 2019, Assembly Bill 116 was passed to amend existing Enhanced Infrastructure Financing District laws. This amendment to the Government Code included a requirement that the Public Finance Authority adopt an Annual Report as set forth in Government Code section 53398.66(j)(3). The Planning Department, in conjunction with other supporting City of San Diego departments, has prepared the District's Fiscal Year 2019 Annual Report (Attachment 1).

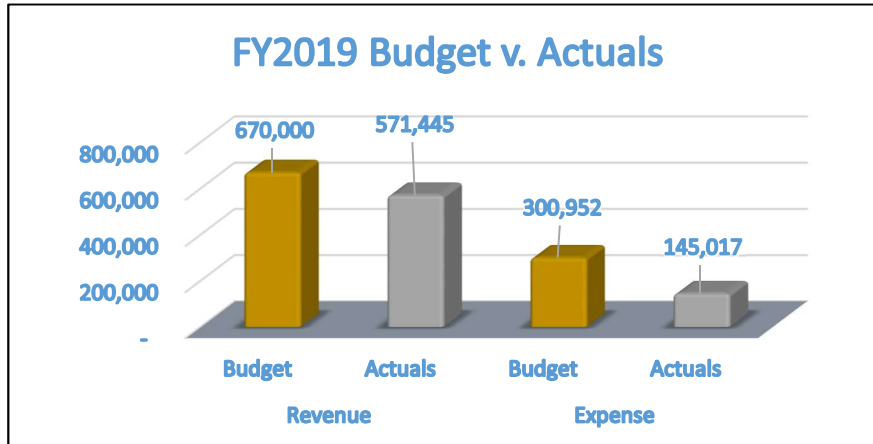

A draft report was made available to the public on the EIFD's website on May 7, 2020, which was more than 30 days before the public hearing. In addition, a written notice was mailed to all residents and owners of land within the area covered by the District.

In order to comply with the newly established requirements, the District's Fiscal Year 2019 Annual Report includes the following sections:

Amount of revenues expended to assist private business

CONCLUSION:

The Fiscal Year 2019 fiscal activity for the District has been audited and the limited tests on internal controls did not reveal any material misstatements or noncompliance. It is recommended that the Authority adopt the District's Fiscal Year 2019 Annual Report.

Respectfully submitted,

Tom Tomlinson
