WE NEED YOUR HELP!

We want to tell your story by illuminating the impact your organization has on our city!

What?

We are creating a map to illustrate your organization's activity in our city. To do this, we need you to complete a few additional questions as a supplement to the FY19 Final Performance Report.

When?

New questions will be added to the FY19 Final Performance Report on the Go Smart portal for your organization to complete and submit. The deadline is **July 31, 2019**.

Important

The Go Smart portal for the FY19 Final Performance Report will not be accessible on **Tuesday, July 16 from 8:00 a.m. to 12 p.m.**

NOTE: If you are currently in the process of completing your organization's Final Performance Report, information may be lost when the portal is down. Please make sure you copy and save your answers on a separate document!

Final Performance Report already submitted?

If you already submitted your organization's FY19 Final Performance Report, you still need to answer the supplementary questions.

You will be able to access those questions via the Go Smart portal on **Tuesday, July 16 after 12:00 p.m.** and resubmit your final report with the answers to the supplementary questions.

Thank you!

Thank you for your help. We appreciate all your efforts to activate San Diego with arts and culture!
