

THE CITY OF SAN DIEGO

REPORT TO THE CITY COUNCIL

DATE ISSUED: December 31, 2015 REPORT NO: 15-113
ATTENTION: Council President and City Council
FROM: Chief Financial Officer via the Office of the City Comptroller
SUBJECT: Informational Report Pursuant to the Local Agency Special Tax and Bond
Accountability Act for the Fiscal Year Ended June 30, 2015

REQUESTED ACTION: Information Item Only

SUMMARY

THIS IS AN INFORMATION ITEM ONLY. NO ACTION IS REQUIRED ON THE PART OF THE CITY COUNCIL.

BACKGROUND

This Annual Report is being provided pursuant to the Local Agency Special Tax and Bond Accountability Act (the "Act"). The Act was enacted by the California State Legislature to provide accountability measures associated with a local agency's adoption of voter approved special taxes and certain forms of bonded indebtedness. The Act requires that, on or after January 1, 2001, any local special tax or bond measure subject to voter approval shall provide accountability measures that include:

1. A statement indicating the specific purposes of the special tax or bond;
2. A requirement that the proceeds of the special tax or bond be applied to those specific identified purposes;
3. The creation of an account into which the proceeds shall be deposited; and
4. An annual report containing specified information concerning the use of the proceeds.

At present, the City of San Diego has four Community Facilities Districts (CFD) that fall under the provisions of the Act; Community Facilities District No. 1 (Miramar Ranch North), Community Facilities District No. 2 (Santaluz) Improvement Area No. 1, Improvement Area No. 3 and Improvement Area No. 4, Community Facilities District No. 3 (Liberty Station), and Community Facilities District No. 4 (Black Mountain Ranch Villages).

Collections and Expenditures

The revenues and expenses of each Community Facilities District and Improvement Areas are tracked using separate restricted funds. When collected funds exceed the amount of funds expended for the year, the excess funds remain in the separate fund and can only be used for their intended purposes. When the funds expended exceed the amount collected in the year, the excess is paid from the restricted fund balance of the CFD. Revenue and expenditure data contained herein is based upon audited financial information for Fiscal Year 2015.

DISCUSSION

Previous Council actions, public hearings, and elections have formally established the aforementioned districts, authorized the levy of special taxes, and authorized the issuance of special tax bonds to finance the acquisition of certain necessary public improvements. The documents associated with those actions fulfill, or provide for, satisfaction of the first three requirements referenced above. The purpose of this report is to comply with the Annual Report requirements (No. 4, above) of the Act as they pertain to the above referenced Community Facilities Districts. Accordingly, the following information is presented:
