

Fire-Rescue

Page Intentionally Left Blank

The City of San Diego's Fire-Rescue Department (SDFD) is committed to replacing and rehabilitating Fire and Lifeguard station facilities and associated infrastructure in order to better serve our community. The Capital Improvement Program (CIP) plays a vital role in meeting future infrastructure needs while also addressing ongoing deferred maintenance and capital needs of the existing stations. The Department has 49 fire stations, two 9-1-1 communication centers, a training facility, nine permanent lifeguard stations, boat dock and 48 seasonal lifeguard towers.

The Department seeks funding for capital improvements to preserve and extend the lifecycle of its facility infrastructure. This is accomplished through reconstruction, renovation, rehabilitation, expansion, and/or replacement of the facility or its essential interior and exterior building components such as station alerting, communication, roofs, and other facility-related maintenance and repair. These improvements positively impact the efficiency, health, and safety of the department's workforce, as well as ensure that the community can take civic pride in its public facilities.

Funding for the Department's capital projects come from a variety of sources such as Development Impact Fees (DIF), Facilities Benefit Assessments (FBA), deferred capital and infrastructure bonds, various grants, foundation funds, and the General Fund.

2019 CIP Accomplishments

In Fiscal Year 2019, the San Diego Fire-Rescue Department accomplished the following:

- Completed construction a new kitchen, dining/meeting room expansion, and ADA upgrades at Fire Station 15 (Ocean Beach)
- Completed a preliminary feasibility study of Ocean Beach Lifeguard Station and comfort station facility
- Completed design and started construction at Fire Station 50 (North University City)
- Completed construction of dorm rooms and kitchen reconstruction with ADA upgrades at Fire Station 9 (La Jolla)
- Completed construction of South Mission Beach Lifeguard Station
- Started construction of a new kitchen, ready room, watch room expansion, and ADA upgrades at Fire Station 8 (Mission Hills)
- Initiated land acquisition for Fire Station 48 (Black Mountain Ranch)
- Began construction of Fire-Rescue Air Operations Facility Phase I at Montgomery Field Airport
- Completed preliminary feasibility study, and environmental surveys, and initiated design at Fairmount Avenue Fire Station
- Initiated environmental surveys and design of Fire-Rescue Air Operations Facility Phase II
- Initiated preliminary feasibility study for a new joint use Fire-Rescue and Police Training Facility

2020 CIP Goals

The San Diego Fire-Rescue Department is looking forward to initiating and implementing the following capital improvement projects based on funding availability:

- Initiate design and construction of UCSD Fire Station
- Complete land acquisition and initiate design and construction of Fire Station 48 (Black Mountain Ranch)
- Complete construction of a new kitchen, ready room, watch room expansion, and ADA upgrades at Fire Station 8 (Mission Hills)
- Initiate design of new dorm rooms, office, and kitchen at Lifeguard's Northern Boat Safety Unit's (La Jolla)
- Initiate design of a new Mission Beach Lifeguard Station
- Initiate design of a new kitchen, dorm room reconstruction, HVAC, and ADA upgrades at Fire Station 6 (Otay Mesa)
- Complete environmental surveys and initiate design of the Fairmount Avenue Fire Station
- Initiate and complete construction of new dorm rooms, kitchen, HVAC, and ADA upgrades at Fire Station 3 (Little Italy)
- Complete construction of Fire Air Operations Facility Phase I

Children's Pool Lifeguard Station / S00644

Bldg - Pub Safety - Lifeguard Stations

Council District:	1	Priority Score:	93
Community Planning:	La Jolla	Priority Category:	High
Project Status:	Warranty	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2000 - 2020		
Improvement Type:	Replacement		

Description: This project provides for a new lifeguard station and family restroom at the Children's Pool in La Jolla.

Justification: The previous Lifeguard Tower structure was no longer safe and has been abandoned. It did not meet the current or future needs of Lifeguard Services. It did not provide adequate safety to the employees, and can no longer keep up with the growing community of La Jolla and the larger number of visitors every year. The scope of this project also includes remodeling the existing public restrooms facilities.

Operating Budget Impact: Maintenance costs for the new facility are expected to increase by approximately \$5,000 annually due to the increased square footage of the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Conceptual design has been completed and approved. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2017. The warranty phase of this project was completed in Fiscal Year 2018.

Summary of Project Changes: The total project cost increased by \$40,000 for post-construction items due to agency review. Project closeout has been extended to Fiscal Year 2020 due to agency review and approval.

Council District:	4	Priority Score:	83
Community Planning:	Mid-City: City Heights	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2015 - 2025		
Improvement Type:	New		

Description: This project provides for the design and construction of a new permanent fire station of approximately 13,000 square feet. The project will also include the purchase of a new fire engine apparatus. The facility will accommodate ten crews and will include apparatus bay, dorm rooms, kitchen, watch room, ready room, and station alerting system. The new fire station will comply with Fire's current station design and construction standards and specifications. This project was included in the Citygate Report.

Justification: This project will provide for a fire station to meet emergency response times for the community.

Operating Budget Impact: Once construction is complete annual operating costs to staff this station will be \$1.7 million for personnel and non-personnel expenditures.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan's Public Facilities, Services and Safety Element, Public Facilities Financing Plan, and the City Heights and Southeastern San Diego Community Plans.

Schedule: Land acquisition was completed in Fiscal Year 2017. Design is anticipated to be completed in Fiscal Year 2021. Construction will be scheduled upon identification of funding.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2020.

Fire-Rescue

Fire Station No. 02 - Bayside / S15042

Bldg - Pub Safety - Fire Fac / Struct

Council District:	3	Priority Score:	93
Community Planning:	Centre City - Little Italy	Priority Category:	High
Project Status:	Warranty	Contact Information:	Abella-Shon, Michelle
Duration:	2015 - 2021		858-573-1362
Improvement Type:	New		mshon@sandiego.gov

Description: This project provides for the program, design, and construction of a new fire station of approximately 24,680 sq/ft of work and living spaces, underground parking, 3 apparatus bays, dorm rooms, kitchen, watch room, ready room, and station alerting system, to accommodate the 24-hour Fire crew of 12 and the acquisition of a new fire apparatus. The new fire station will comply with Fire's current station design and construction standards and specifications.

Justification: This project will add a new fire station west of the existing railroad tracks in order to meet Fire-Rescue department's operational needs and response times. The new station will also meet future population growth of Downtown and the surrounding communities.

Operating Budget Impact: Annual operating costs to staff this station is \$1.7 million for personnel and non-personnel expenditures.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan's Public Facilities, Services and Safety Element, and the Downtown and Little Italy Community Plan.

Schedule: Design and permits are complete. Construction was completed in Fiscal Year 2018 and Fire Station No. 02 opened on June 28, 2018. The warranty phase of this project is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: In Fiscal Year 2019, the City Council deappropriated \$2,699,820 from this project. This project will be closed at the end of the fiscal year. The project schedule has been updated for Fiscal Year 2020.

Fire Station No. 05 - Hillcrest / S00788

Bldg - Pub Safety - Fire Fac / Struct

Council District:	3	Priority Score:	80
Community Planning:	Uptown	Priority Category:	Medium
Project Status:	Warranty	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2003 - 2020		
Improvement Type:	New		

Description: This project provides for an approximately 10,500 square foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new, modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine and one aerial truck.

Justification: The current station is 49 years old. The water and sewer service to the existing station is deteriorating and requires immediate repairs. The station is too small to accommodate a new style fire engine and the larger type of aerial ladder truck. The current station is inadequate to serve future population growth.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance costs estimated at \$5,000 annually.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2016. Construction began in Fiscal Year 2017 and was completed in Fiscal Year 2019. The warranty phase of this project will be completed in Fiscal Year 2020.

Summary of Project Changes: In Fiscal Year 2019, \$611,121 was deappropriated from this project. The project schedule has been updated for Fiscal Year 2020. This project will be closed by the end of the fiscal year.

Fire Station No. 22 - Point Loma / S00787

Bldg - Pub Safety - Fire Fac / Struct

Council District:	2	Priority Score:	81
Community Planning:	Peninsula	Priority Category:	Medium
Project Status:	Warranty	Contact Information:	Grani, Jason
Duration:	2002 - 2020		619-533-7525
Improvement Type:	Replacement		jgrani@sandiego.gov

Description: This project provides for the demolition of an existing station and reconstruction of a new station located at 1055 Catalina Boulevard in Point Loma.

Operating Budget Impact: None.

Justification: The existing fire station was built in the early 1940s and is now too small to accommodate new fire engines. Many of the major components had exceeded their expected service life. The needs of modern technology and a diversified workforce also required changes in fire facility configuration.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: The project design was completed in Fiscal Year 2016. Construction began in Fiscal Year 2016 and was completed in Fiscal Year 2019. The warranty phase of this project was completed in Fiscal Year 2019.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2020.

Fire-Rescue

Fire Station No. 48 - Black Mountain Ranch / S15015

Bldg - Pub Safety - Fire Fac / Struct

Council District:	5	Priority Score:	71
Community Planning:	Black Mountain Ranch	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Abella-Shon, Michelle
Duration:	2015 - 2021		858-573-1362
Improvement Type:	New		mshon@sandiego.gov

Description: This project provides for the land acquisition, design and construction of a new permanent fire station of approximately 10,500 square feet. The facility will accommodate ten crewmembers and will include apparatus bay, dorm rooms, kitchen, watch room, ready room, station alerting system, and training classroom/multi-purpose room. This project will also include the cost for the purchase of one fire engine. The new station will be located at Carmel Valley Road and Winecreek Road in the Black Mountain Ranch Community. The new fire station will comply with Fire’s current station design and construction standards and specifications.

Justification: This project will provide for the needed fire station to meet the emergency response times of the community. Refer to Black Mountain Ranch Facilities Financing Plan projects.

Operating Budget Impact: Annual operating costs to staff this station is \$1.7 million for personnel and non-personnel expenditures.

Relationship to General and Community Plans: This project is consistent with Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2017.

Summary of Project Changes: In Fiscal Year 2019, \$10,691,308 was allocated to this project. Project funding has been revised in conformance with the Black Mountain Ranch Public Facilities Financing Plan to reflect total project cost. This project has been updated for Fiscal Year 2020.

Project Status:	Continuing	Contact Information:	Abella-Shon, Michelle
Duration:	2003 - 2026		858-573-1362
Improvement Type:	New		mshon@sandiego.gov

Description: This project provides for an approximately 13,000 square foot double-house fire station to serve the Otay Mesa and Otay Mesa/Nestor Communities. The fire station will be located across the intersection of Ocean View Hills Parkway and Sea Fire Point and will serve the community in addition to Fire Station 6 located at 693 Twining Avenue. The fire station will accommodate 3 apparatus bays and will also have a training room. This project will also include the cost for the purchase of one fire engine. The new fire station will comply with Fire's current station design & construction standards & specifications.

Justification: A second fire station is needed to serve the Otay Mesa and neighboring communities and it will ensure consistency with the recommendations in the Citygate Report.

Operating Budget Impact: Annual operating costs to staff this station is \$1.7 million for personnel and non-personnel expenditures.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Design and land acquisition is anticipated to begin in Fiscal Year 2023 and construction is anticipated to begin in Fiscal Year 2025.

Summary of Project Changes: The schedule has been updated for Fiscal Year 2020.

Fire-Rescue

Fire Station No. 50 - North University City / S13021

Bldg - Pub Safety - Fire Fac / Struct

Council District:	1	Priority Score:	74
Community Planning:	University	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2013 - 2025		
Improvement Type:	New		

Description: This new facility will provide support to the University City area and will provide emergency response times that meet City and national standards. This new fire station will accommodate up to twelve crew members, a fire engine, service aerial truck, ambulance, and training room. The size of the station will be approximately 13,500 square feet. The building design will comply with Fire's design and construction standards.

Justification: An additional fire station is needed in this area to ensure consistency with the recommendations in the Citygate Report.

Operating Budget Impact: Annual operating costs to staff this station is \$1.7 million for personnel and non-personnel expenditures. Additionally, a new fire engine and truck will need to be purchased for this station.

Relationship to General and Community Plans: This project is consistent with the North and South University Community Plan and with the City's General Plan.

Schedule: Planning and design was initiated in Fiscal Year 2015 and was completed in Fiscal Year 2018. Construction is anticipated to be completed in Fiscal Year 2021. A five-year restoration will begin after an initial four-month period of maintenance and monitoring to ensure the growth of the plants. This process will begin in Fiscal Year 2020 and be completed in Fiscal Year 2025.

Summary of Project Changes: In Fiscal Year 2019, \$1.0 million in North University City-FBA Funds was allocated to this project through the Fiscal Year 2019 Mid-Year Action, for the purchase of a fire engine. The project schedule has been updated for Fiscal Year 2020.

Fire Station No. 51 - Skyline Hills / S14017

Bldg - Pub Safety - Fire Fac / Struct

Council District:	4	Priority Score:	83
Community Planning:	Skyline - Paradise Hills	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2015 - 2025		
Improvement Type:	New		

Description: This project provides for the design and construction of a permanent station to be built at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills.

Justification: An additional fire station is needed in this area to meet response time guidelines in this growing community, as recommended in the Citygate Report.

Operating Budget Impact: This station will be staffed by the employees that are currently working the temporary station at this site. No additional staff will be requested once this station is completed.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2021 and will be completed in Fiscal Year 2022. Funding for construction is currently unidentified.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2020.

Fire-Rescue Air Operations Facility / S15012

Bldg - Pub Safety - Fire Fac / Struct

Council District:	6	Priority Score:	78
Community Planning:	Kearny Mesa	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2016 - 2023		
Improvement Type:	Betterment		

Description: Phase I of this project provides for the planning, design and reconstruction of an existing building, formerly operated by FAA, as a permanent Fire-Rescue Air Operations Facility station at the City's Montgomery-Gibbs Executive Airport. The station area will provide approximately 8,136 square feet of office and living spaces to accommodate 24 hour staffing that includes one battalion chief, two captains, two pilots, and four firefighters. This project will also provide an additional helipad. Phase II provides for two hangars and parking spaces for five helicopters, parking and shelter for a single Heli tender, and three fueling tender vehicles. Due to impacts of existing vernal pools, the project will provide off-side mitigation in Otay Mesa in conjunction with the La Media Road widening project. This project will also provide a hangar support area that includes space for maintenance offices, overhaul, avionics, and storage rooms.

Justification: Air Ops personnel currently operates from mobile trailers with no hangar space for the department's two helicopters. The proposed reconstructed facility will include offices and dormitories. This project will provide a much needed permanent solution for the Fire-Rescue Air Operations Facility to meet their air rescue operational requirements.

Operating Budget Impact: The operating budget impact for non-personnel expenses is approximately \$200,000 once Phase I is completed.

Relationship to General and Community Plans: This is in conformance with the City's General Plan's Public Facilities, Services and Safety Element, Airport Land Use Compatibility Plan (ALUCP), and Airport Layout Plan (ALP) for Montgomery-Gibbs Executive Airport.

Schedule: Phase I design began in Fiscal Year 2017 and was completed in Fiscal Year 2018. Construction began in Fiscal Year 2019 and will be completed in Fiscal Year 2020. Phase II design began in Fiscal Year 2018 and is anticipated to be completed in Fiscal Year 2020. Phase II construction is anticipated to start in Fiscal Year 2020 with completion in Fiscal Year 2022 contingent upon appropriation of construction funding.

Summary of Project Changes: Total project cost increased by \$499,384 due to a revised cost estimate. The project description has been updated for Fiscal Year 2020.

North Pacific Beach Lifeguard Station / S10119

Bldg - Pub Safety - Lifeguard Stations

Council District:	2	Priority Score:	83
Community Planning:	Pacific Beach	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2011 - 2025		
Improvement Type:	Replacement		

Description: This project provides for the North Pacific Beach Lifeguard Station located at the foot of Law Street, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas, and a rescue vehicles facility.

Justification: North Pacific Beach has become a highly frequented beach over the years and new facilities will benefit both the public and the employees. Lifeguards are currently operating from a seasonal tower structure supported by a container-type of facility where medical aids and other daily activities like food preparation take place. This can create health issues for both the public and the employees.

Operating Budget Impact: There is an estimated \$5,000 operating cost that will need to be added to the Lifeguard Division budget after construction is complete. The funds will be needed to properly maintain this expanded facility.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and will be completed in Fiscal Year 2022. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes have been made to this project in Fiscal Year 2020.

South Mission Beach Lifeguard Station / S00791

Bldg - Pub Safety - Lifeguard Stations

Council District:	2	Priority Score:	81
Community Planning:	Mission Beach	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2003 - 2020		
Improvement Type:	Replacement		

Description: The project provides for a replacement for the South Mission Beach Station located at 700 North Jetty Road. The new structure will include an observation tower, first aid room, reception area, kitchen, locker room and restroom areas, and accommodate a rescue vehicle and emergency equipment facility.

Justification: The existing facility was constructed in 1974 and was intended to be a temporary lifeguard station. It is inadequate to accommodate staff or to provide adequate water safety protection.

Operating Budget Impact: Non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased area of the new facility.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2014. Construction began in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2019. The warranty phase of this project will be completed in Fiscal Year 2020.

Summary of Project Changes: \$335,953 was allocated to this project via Fiscal Year 2019 Yea-End action. The project schedule has been updated for Fiscal Year 2020.

UCSD Fire Station and ROW Improvements / S19003

Bldg - Pub Safety - Fire Fac / Struct

Council District:	1	Priority Score:	87
Community Planning:	La Jolla	Priority Category:	High
Project Status:	Continuing	Contact Information:	Grani, Jason 619-533-7525 jgrani@sandiego.gov
Duration:	2019 - 2026		
Improvement Type:	New		

Description: This project provides for the design and construction of a new permanent 3-bay fire station of approximately 10,500 square feet. The facility will accommodate three fire apparatus and a crew of nine to eleven fire personnel, and onsite surface parking for Fire-Rescue personnel apparatus bays. In addition, the offsite improvements include but are not limited to site grading, utility, and street/traffic improvements within the public right-of-way along Torrey Pines Road to allow for emergency response apparatus bays.

Justification: This project will provide for the permanent fire station and the associated infrastructure necessary to meet the Fire-Rescue Department’s current operational requirements and the needs for the growing UCSD campus and surrounding communities.

Operating Budget Impact: Annual operating cost to staff the station is \$1.7 million for personnel and non-personnel expenditures.

Relationship to General and Community Plans: This project is in conformance with the City’s General Plan and the La Jolla and University Community Plans.

Schedule: Design is anticipated to begin in Fiscal Year 2021. Construction is anticipated to begin in Fiscal Year 2023.

Summary of Project Changes: In Fiscal Year 2019, \$20,621,000 was allocated to this project. This project was updated for Fiscal Year 2020.
