The Library Department serves over 1.4 million residents of the City of San Diego. The Department prioritizes creating and maintaining libraries that are valued for their accessibility, comfort, and beauty. The Capital Improvements Program plays an important role in providing new facilities and addressing the capital needs of existing facilities. The Library system includes the Central Library and 35 branch libraries.

## 2019 CIP Accomplishments

In Fiscal Year 2019, the Library Department made progress on the following projects:

- Mission Hills-Hillcrest Library - The new 15,000 square-foot library with a two-story underground parking structure is located at the southwest corner of Washington and Front streets. The project construction was completed, and the new library opened on January 26, 2019.
- Ocean Beach Branch Library - This project provides for the expansion of the Ocean Beach Branch Library. The feasibility study explores a few options for expansion using the adjacent annex building, which is owned by the City, and has now been completed.
- Pacific Highlands Ranch Branch Library - The project provides for a new 18,000 square foot branch library on a 1.5-acre site in Pacific Highlands Ranch. This is a design-bid-build project. Land acquisition is complete. Project programming, community outreach, and the schematic design are completed.
- San Carlos Branch Library - The project provides for the acquisition of a lot adjoining the existing branch library located at 7265 Jackson Drive and building a new 25,000 square-foot library. The new building will serve as the District's flagship library. The project bridging documents were completed and reviewed in Fiscal Year 2019. Project cost and schedule, including construction, will be updated once additional funding has been identified.

## 2020 CIP Goals

The Library Department is looking forward to Fiscal Year 2020 with the following goals:

- Pacific Highlands Ranch Branch Library - design phase for the new 18,000 square-foot facility will continue through Fiscal Year 2020
- San Ysidro Branch Library - will be under construction and will be completed in Fiscal Year 2020
- Tierrasanta Library Expansion - The project will enclose two areas under the existing roof (approximately 520 sq. ft. each) and provide an outdoor reading patio under a third roof area, resulting in an expansion of usable space totaling approximately 1,560 sq. feet. One enclosure will become two separate study rooms and the other enclosure will become an addition to the existing community/meeting room. Project construction is anticipated to be completed in Fiscal Year 2020.

**Description:** This project provides for a 15,000 square-foot library at a site adjacent to the Florence Elementary School, on a block bounded by Front Street, Washington Street, Albatross Street, and University Avenue. This project will serve the Mission Hills and Hillcrest neighborhoods and is part of the 21st Century Library System/Library Department Facility Improvements Program.

**Justification:** The previous facility had no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

**Operating Budget Impact:** Personnel expenditures were added in the Fiscal Year 2019 operating budget to reflect the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-296900). The non-personnel increase in Fiscal Year 2020 is required to fund ongoing maintenance and contractual services for the additional square footage.

**Relationship to General and Community Plans:** The project is consistent with the Uptown Community Plan for promoting a high level of library services, but required a technical amendment to re-designate the site from Commercial-Mixed use to Institutional-Library.

**Schedule:** Preliminary studies and design concepts began in Fiscal Year 2001. Land acquisition was completed in Fiscal Year 2004. Design work began in Fiscal Year 2006 and was completed in Fiscal Year 2017. Construction began in Fiscal Year 2017 and was completed in Fiscal Year 2019. The warranty period began in Fiscal Year 2019 and is anticipated to be completed in Fiscal Year 2020.

**Summary of Project Changes:** This project is complete and will be closed at the end of the Fiscal Year. The project schedule has been updated for Fiscal Year 2020.

**Description:** This project will enclose two areas under the existing roof area (approximately 520 sq. ft each) and provide an outdoor reading patio under the third roof area, an expansion of usable space totaling approximately 1,560 sq. ft. One enclosure will become two separate study rooms, and the other enclosure will become an addition to the existing community meeting room. These improvements will necessitate remodel work to the existing men's and women's restrooms and site accessible parking stall to comply with current accessibility codes. Other miscellaneous site improvements will be included as necessary for access and path of travel compliance.

**Justification:** This library expansion project will meet the immediate needs of the community.
