### Personnel Cost

The General Fund Fiscal Year 2022 Adopted Budget includes a total of $680.9 million for salaries and wages, which reflects a net increase of $32.9 million or 5.1 percent from the Fiscal Year 2021 Adopted Budget. This increase is primarily due to the negotiation process with the City’s six Recognized Employee Organizations (REO). At the time the Fiscal Year 2022 budget was adopted, negotiations had been completed with the Municipal Employees Association (MEA), American Federation of State, County, and Municipal Employees (Local 127), and the Deputy City Attorneys Association (DCAA). The increase is primarily due to the following:
General Fund Expenditures

- $11.6 million for the negotiated salary increases with these with MEA, Local 127, and DCAA provide for a 4.0 percent general wage increase on July 1, 2021 with an additional 2.0 percent general wage increase effective January 1, 2022 for members of DCAA. Additionally, the budget also includes special wage adjustments to select job classifications.

- $10.5 million increase associated with estimated employee compensation for employees not represented by the three REOs that had yet to reach an agreement with the City at the time the budget was adopted;

- $4.4 million decrease in Budgeted Personnel Expenditure Savings (previously referred to as Vacancy Factor). Due to Budgeted Personnel Expenditure Savings being budgeted as a negative amount, a decrease to the amount results in a net increase in Personnel Cost budget. Please refer to the Citywide Budget Overview section of this volume for additional information on Budgeted Personnel Expenditure Saving;

- $2.2 million increase in estimated vacation and termination pay-in-lieu;

- $2.1 million increase in the Stormwater Department primarily associated with the citywide pipe repair crew and bacteria sources identification and abatement in areas of San Diego watersheds;

- $1.2 million increase in the Fire-Rescue Department primarily associated with overtime expenditures to support COVID-19 and the Advanced Lifeguard Academy; and

- $1.0 million increase in the Environmental Services Department primarily associated with support for the implementation and expansion of organics collection and the weekly residential refuse collection program to comply with SB-1383.

The General Fund Fiscal Year 2022 Adopted Budget includes a total of 7,731.03 FTE positions, which reflects a net increase of 91.01 FTE positions or 1.2 percent from the Fiscal Year 2021 Adopted Budget. While overall FTE positions are increasing, there are some departments and programs reducing positions.

The Fiscal Year 2022 Adopted Budget includes the addition of 177.55 FTE positions. The increase in positions is primarily due to the additions in the following departments:

- Stormwater for the administration and enforcement of water quality regulations and citywide pipe repairs;

- Environmental Services to support the implementation and expansion of organics collection related to SB-1383 and Clean SD program; and

- Parks & Recreation to support the maintenance and operations of new park facilities.

Offsetting the additional positions is a reduction of 85.54 FTE positions. The decrease is primarily related to reduction of hourly positions associated with the temporary closure of libraries at the beginning of the fiscal year associated with the re-opening of libraries and hiring of full-time librarians citywide. Additionally, the Fiscal Year 2022 Adopted Budget includes the reduction of 1.00 FTE positions due to reorganizations to non-general funds.

Table 3 shows the change in the number of budgeted positions in the General Fund over the last three years.

Further details on position changes in the General Fund are reflected in Attachment A - Fiscal Year 2022 Changes in Full-time Equivalent (FTE) Positions in the Appendix A.

**Figure 1** summarizes the Fiscal Year 2022 Adopted General Fund FTE positions by department. Only the City Council and the top ten departments with the most FTE budgeted positions are displayed. All other General Fund departments are combined under the Other Category. Details on the budgeted FTE positions in the General Fund are included in the Financial Summary and Schedules section of this Volume.

**Figure 1: Fiscal Year 2022 Adopted General Fund FTE Positions by Department**

As displayed in **Figure 1** above, the Police Department and the Fire-Rescue Department account for approximately 51.6 percent of the total budgeted positions in the General Fund for Fiscal Year 2022.

**Fringe Benefits**

The General Fund Fiscal Year 2022 Adopted Budget includes fringe benefit expenditures totaling $533.4 million, which reflects a net increase of $41.5 million or 8.4 percent from the Fiscal Year 2021 Adopted Budget. This net increase is primarily due to adjustments in the following fringe benefits:

- $36.8 million increase in the City's pension payment due to net asset and liability experience losses and mortality assumption changes. The liability experience loss is driven largely by changes in salary increases higher than those assumed;
General Fund Expenditures

- $2.1 million increase in Supplemental Pension Savings Plan driven by an increase in post-Proposition B employees; and
- $1.3 million increase in Flexible Benefits of which $648,000 is associated with increased flexible benefit tiers agreed to by the City and Local 127; the remaining increase in Flexible Benefits is due to position additions and reductions and changes in coverage selections of employees.

For a detailed discussion on fringe benefits, refer to the Citywide Budget Overview section of this Volume.

**Table 4** shows the change in fringe benefits in the General Fund from the Fiscal Year 2022 Adopted Budget by fringe type.

Supplies
The Supplies category includes costs for office supplies, books, tools, uniforms, safety supplies, and building and electrical materials, among others. The Supplies category for the Fiscal Year 2022 Adopted Budget totals $32.4 million, an increase of $2.1 million or 6.9 percent from the Fiscal Year 2021 Adopted Budget. The increase is associated with the following:

- $1.3 million in the Fire-Rescue Department for the replacement of structural personal protective equipment and supplies for three additional Fire Academies;
- $750,000 in the Library Department primarily to support the one-time purchase of electronic materials such as e-books and e-audio books for the Library, due to the increased demand of electronic resources during the COVID-19 pandemic; and
- $495,484 in the Environmental Services Department primarily associated with the one-time purchase of small kitchen pails for food waste related to the implementation and expansion of organics collection.

Contracts
The Contracts category includes the cost of legal fees, insurance, refuse disposal fees, fleet vehicle usage and assignment fees, rent expenses, consulting services and other contractual expenses. The Contracts category for the Fiscal Year 2022 Adopted Budget totals $269.5 million, a decrease of $11.9 million or 4.2 percent from the Fiscal Year 2021 Adopted Budget. This decrease is primarily due to the following adjustments:

- $31.8 million decrease in the Homelessness Strategies Department primarily related to a one-time increase in Fiscal Year 2021 for the Operation Shelter to Home supported by CARES Act funds; and
- $8.7 million decrease in the Economic Development Department primarily related to a one-time increase in Fiscal Year 2021 for the Small Business Relief Fund (SBRF) supported by CARES Act Funds.

This amount is offset by the following increases:

- $10.0 million in the Homelessness Strategies Department associated to one-time support for Homelessness Services and Programs focused on crisis intervention and housing and shelter opportunities;
- $6.3 million increase in various departments associated with fleet replacement costs due to the one-time use of fund balance for rate relief in Fiscal Year 2021; and
- $3.9 million in the Stormwater Department primarily to continue the development of the stormwater funding strategy, bacteria assessment study, support the San Diego River Investigative Order, and channel maintenance.

Information Technology
The Information Technology category includes the costs related to hardware and software maintenance, help desk support, and other information technology (IT) services. The Information Technology category for the Fiscal Year 2022 Adopted Budget totals $61.3 million, an increase of $14.1 million or 29.9 percent from the Fiscal Year 2021 Adopted Budget. This increase is primarily due to the following additions:

- $7.9 million in various departments associated with one-time costs required to transitions to new IT service providers;
- $787,581 in the Police Department for lease cost of ruggedized tablets;
- $550,000 in the Police Department for upgrade to the current Computer Aided Dispatch (CAD) system;
- $425,000 in Citywide for software and software maintenance to comply with Governmental Accounting Standards Board (GASB) requirements;
General Fund Expenditures

Standards Board (GASB) issued statement No. 87 to track, account for and disclose lessee and lessor agreements;
- $360,000 in the Environmental Services Department associated with Route Optimization Software Solution; and
- $320,767 in the Fire-Rescue Department primarily associated with a back-up dispatch center, circuit upgrades, and false alarm system replacement.

Energy and Utilities
The Energy and Utilities category includes the costs of electricity, fuel, gas, and other related expenditures. The Energy and Utilities category for the Fiscal Year 2022 Adopted Budget totals $50.8 million, a decrease of $669,335 or 1.3 percent from the Fiscal Year 2021 Adopted Budget. This net decrease is primarily due to revised energy expenditures and a decrease in wireless communication costs citywide.

Other
The Other category includes miscellaneous expenditures that do not fall under one of the other expenditure categories, such as transfers to Proprietary Funds, Governmental Funds and Other Funds. The Fiscal Year 2022 Adopted Budget for the Other category totals $5.2 million, an increase of $278,711 or 5.7 percent from the Fiscal Year 2021 Adopted Budget. This net increase is primarily due to the increase in Citywide expenditures associated to the Supplemental COLA benefit expense as determined by SDCERS

Transfers Out
The Transfers Out category includes transfers of funding between City funds, including the transfers of funding for annual debt service payments for outstanding bonds. The Transfers Out category for the Fiscal Year 2022 Adopted Budget totals $91.4 million, an increase of $48.9 million or 114.8 percent from the Fiscal Year 2021 Adopted Budget. This increase is primarily due to the following:
- $10.2 million associated with operational support for the San Diego Convention Center Corporation;
- $10.0 million associated with streets funding for communities of concern;
- $7.0 million associated with contributions to the Climate Equity Fund;
- $10.0 million in the Economic Development Department to provide small business grant and loans affected by the COVID-19 pandemic;
- $6.7 million in the Citywide Program Expenditures Department associated with the reclassification of lease to own payments for the 101 Ash building into the transfer out category; and
- $5.4 million in the Environmental Services Department for facility improvements associated with the implementation and expansion of organics collection.

Capital Expenditures
The Capital Expenditures category for the Fiscal Year 2022 Adopted Budget totals $1.7 million an increase of $228,409 or 15.4 percent from the Fiscal Year 2021 Adopted Budget. This net increase is primarily related to the addition of the pipe repair team in the Stormwater Department.

Debt
Debt category for the Fiscal Year 2022 Adopted Budget totals $17.0 million, a decrease of $4.8 million or 22.0 percent from the Fiscal Year 2021 Adopted Budget. This category includes long-term debt service on liabilities such as bonds, loans, and capital lease obligations.

This net decrease is primarily due to a $6.7 million in the Citywide Program Expenditures Department associated with the reclassification of lease to own payments for the 101 Ash building as a set aside into
General Fund Expenditures

the transfer out category. This decrease is offset with a $2.3 million increase in capital lease obligations associated with the acquisition of public safety radios for the Police and Fire-Rescue Departments.

Significant Budget Adjustments

The following is a summary of critical expenditures and budget reduction proposals. After incorporating all these expenditure adjustments, the Fiscal Year 2022 Adopted Budget remains balanced.

Critical Expenditures

Back to Work SD

This adjustment includes the addition of $14.2 million in one-time expenditures associated with the Mayor’s Back to Work San Diego Initiative - Equipping San Diegans for a better tomorrow. The Back to Work SD plan includes providing small business loans for the hardest hit industries, providing technical assistance for street vendors, restoring and enhancing the Small Business Enhancement Program, and investing in
summer youth programming, all focused within communities of concern. For a breakdown of programs and affected departments, please refer to the Citywide Budget Overview Section of this Volume.

**Employee Compensation**
This Fiscal Year 2022 Adopted Budget includes an increase of $22.1 million in the General Fund for employee compensation. This funding will support agreements with the City's six Recognized Employee Organizations and for unrepresented employees. These increases reflect an ongoing effort to make progress in the alignment of the City's employee compensation with the current employment market. Additional information on increases in employee compensation are included in the Salaries and Wages section of Volume I Citywide Budget Overview.

**General Fund CIP Contributions**
This Fiscal Year 2022 Adopted Budget includes a one-time transfer of $1.9 million from the General Fund to Capital Improvement Programs including $500,00 in additional funding for installation of streetlights Citywide; $400,000 to support a General Development Plan (GDP) for Keelly Street Park; $300,000 to support the design phase of Oak Park Library; $250,00 to support the design phase of the San Carlos Library; $250,000 to support a study, as part of preliminary engineering and to identify the project scope of Unimproved Street – S. Bancroft at Greely; $100,00 in support of Barrio Logan traffic calming truck route; and $100,000 to support the General Development Plan (GDP) for Boston Avenue Linear Park.

**City Attorney**

**Addition of City Attorney Positions**
This adjustment includes the addition of 3.00 Deputy City Attorney's in the amount of $504,303 to support the Office's Civil Litigation and Criminal Divisions, these positions are expected to reduce the need for outside counsel, and will help to retain key institutional knowledge and experience in the City Attorney's Office.

**City Attorney's Outside Legal Counsel Support**
This adjustment includes the addition of $900,000 for outside legal services that previously resided in the Citywide Program Expenditures Department but was reduced in Fiscal Year 2021. This amount is based on historical spend for outside legal counsel expenses for support on various legal matters that arise throughout the fiscal year.

**Family Justice Center Security Services**
This adjustment includes the addition of $56,600 for non-personnel expenditures for security services at the San Diego Family Justice Center necessary to ensure the safety of staff and visitors.

**City Auditor**

**Restoration of City Auditor Funding**
This adjustment includes the restoration of budgeted personnel expenditure savings applied to the City Auditor's Office in the amount of $91,251.

**City Treasurer**

**Delinquent Accounts and Centralized Payment Processing System**
This adjustment includes the addition of $280,000 in non-personnel expenditures to replace and maintain the new delinquent accounts system, as well as hosting and licensing costs for the City's centralized payment processing system.
General Fund Expenditures

Citywide Program Expenditures

Citywide Elections
This adjustment includes the addition of $505,984 in non-personnel expenditures for anticipated citywide primary elections for Council Districts 2, 4, 6, 8 and two city measures.

Climate Equity Fund
This adjustment includes the addition of $7.0 million one-time transfer for the contribution to the Climate Equity Fund per City Council Resolution 313454. For the breakdown of which projects are funded with these funding sources, please refer to Citywide Budget Overview Section of this Volume.

Convention Center Corporation Operational Support
This adjustment includes the addition of $10.2 million of one-time non-personnel expenditures for operational and capital support of the San Diego Convention Center Corporation.

Government Accounting Standards Board (GASB) 87 Compliance
This adjustment includes the addition of $425,000 in non-personnel expenditures to implement new software related to Governmental Accounting Standard Board (GASB) Statement No. 87 to track, account for, and disclose lessee and lessor agreements. This a new accounting standard issued by the GASB that goes into effect in Fiscal Year 2022. The GASB is the private non-governmental organization that establishes accounting reporting standards, or Generally Accepted Accounting Principles (GAAP), for state and local governments in the United States.

Public Liability Fund
This adjustment includes the addition of $6.8 million of non-personnel expenditures to support the Public Liability Operating Fund for anticipated claim payouts and insurance. Approximately $2.0 million of this increase is associated with the one-time use of the excess public liability funds for rate relief in Fiscal Year 2021.

Redistricting Commission
This adjustment includes the addition of $252,517 of one-time expenditures to support the second year of the City's Redistricting Commission approved by the City Council.

Communications
Addition of Supplemental Positions
This adjustment includes the addition of 4.00 FTE positions and total expenditures of $495,245 associated with the budgeting of supplemental positions currently filled in the Department. These positions enable the department to produce communications and to increase the department's capacity to communicate sensitive, complex and policy-related City issues to the public, employees, and the media.

City Council Districts
Constituent Relations Management Contract
This adjustment includes the addition of $135,000 in one-time non-personnel expenditures for the development and licensing of a constituent relations management platform. This platform is needed to ensure proper constituent tracking and services and to provide critical services to the needs of the community.

Community Projects, Program and Services
This adjustment includes the addition of $900,000 in one-time non-personnel expenditures for Community Projects, Programs, and Services (CPPS). CPPS funds are used in accordance with Council Policy No. 100-06.

Compliance
Surveillance Ordinance Implementation
This adjustment includes the addition of 1.00 Program Manager and total expenditures of $165,921 to support the implementation of the Surveillance Ordinance. This position will coordinate the citywide efforts to comply with the Surveillance Ordinance including coordination with various City departments and serve as the point of contact within City operations for the Council and the public on matters pertaining to surveillance ordinance compliance.

Department of Finance
Addition of Supplemental Positions
This adjustment includes the addition of 1.00 Principal Accountant to support the External Reporting section and 1.00 Program Coordinator to support negotiations with recognized employee organizations for a total expenditures of $292,857. This addition will budget these supplemental positions currently filled in the Department.

Invoice Processing Support
This adjustment includes the addition of 2.00 Administrative Aide 2s to conduct a pilot program to centralize invoice processing. The goal of the pilot program is to transfer all invoice processing responsibilities from departments to the Department of Finance and will focus on two vendors that have a large volume of invoices.
General Fund Expenditures

Department of Information Technology
General Fund PC Replacement Program
This adjustment includes the addition of $43,970 in non-personnel expenditures to support the General Fund PC Replacement Program to update General Fund department’s computers and support mobile and telework capabilities. These funds are for multi-year lease payments associated with the procurement of General Fund computers.

IT Service Provider Transition Costs
This adjustment includes the addition of $3.8 in one-time expenditures associated with anticipated information technology service provider transition costs initially projected to take place in Fiscal Year 2021.

The code compliance team is in the field responding to over 7,500 vegetation and graffiti requests for abatement each year.

Dig Alert Requirements
This adjustment includes the addition of 2.00 Electricians and 2.00 Traffic Signal Technicians for a total amount of $306,259 to support State-mandated Dig Alert activities. This additional support is needed to manage and maintain dig alert tickets per State-mandate effective January 1, 2021.
Residential Graffiti Abatement
This adjustment includes the addition of $150,000 in non-personnel expenditures to support residential graffiti abatement.

Safe & Sustainable Transportation All Ages & Abilities Team (STAT)
This adjustment includes the addition of 12.00 FTE positions in the amount of $828,616 and associated reimbursable revenue for a new team to install safe and sustainable transportation improvements. This team will be responsible for the design and installation of approximately nine miles of new or upgraded bicycle facilities throughout the City per year. Planned work includes quick-build projects, detectors and other signal enhancements, and layout and installation of bicycle and pedestrian facilities which could include additional striping, bollards, legends, and signage. Expenditures associated with this program will be supported with TransNet funding.

Street Condition Assessment
This adjustment includes the addition of $700,000 in one-time non-personnel expenditures to support a new Street Condition Assessment.

Street Damage Fee Transfer
This adjustment includes the addition of $200,000 for the transfer to the Trench Cut Fees/Excavation Fees fund to support street repairs. The transfer is based on SDGE's annual Street Damage Fees (SDFs) associated with the trenching they performed in Fiscal Year 2021 deposited in the General Fund.

Tree Trimming
This adjustment includes the addition of $900,000 in non-personnel expenditures to support tree trimming and tree removals.

Weed Abatement/Brush Management
This adjustment includes the addition of $328,000 in non-personnel expenditures to restore the weed abatement budget as a result of the Fiscal Year 2021 2.6 percent contracts reduction.

Budget Reduction Proposals
In order to balance the General Fund and mitigate the impact from the COVID-19 pandemic, a total of $8.9 million in operating expenditure reductions were included in the Fiscal Year 2022 Adopted Budget.

Citywide Reductions

Equipment Rate Reduction
This adjustment includes the reduction of $680,000 in non-personnel expenditures associated with a reduction for equipment rentals that are operated by the Fleet Operations Department.

Development Services

Civil Penalty Funds
This adjustment includes the addition of $619,083 in revenue from the Civil Penalty Fund in lieu of expenditure reductions to support the positions within the Code Enforcement Division.

Reduction of Transfer to Proprietary Funds
This adjustment includes the reduction of $200,000 of non-personnel expenditures associated with the conclusion of the Accela Project Tracking system financing program.
General Fund Expenditures

Economic Development
Small Business Enhancement Program Funding
This adjustment includes the addition of $200,000 in revenue from the Small Business Enhancement Fund in lieu of expenditures reduction to support special projects related to small businesses and support ongoing operations.

Environmental Services
Reduction of Contracts Services
This adjustment includes the reduction of $877,754 of non-personnel expenditures associated with anticipated efficiencies in the required labor crews to sanitize sidewalks, conduct waste abatement and remove illegal dumping and litter throughout the City.

Mobility
Revised Revenue Adjustment
This adjustment includes the increase of $325,000 in revenue in lieu of expenditure reductions associated with the SANDAG Co-operative Agreement to reimburse staff costs and revenues related to Small Mobility Devise related impound and storage fees.

Office of the Chief Operating Officer

Police
Reduction of Clean SD Overtime
This adjustment includes the reduction of $1.0 million in overtime expenditures associated with Clean SD. The reduction will equate to approximately 12 fewer police officers per day working to abate abandoned property and conduct litter removal, as well as maintain areas that have been cleaned throughout our City. Police officers are a critical component of the Clean SD program because they provide the security needed for cleaning crews to abate abandoned property and remove litter in unsafe areas.

Reduction in Neighborhood Policing Overtime
This adjustment includes the reduction $1.0 million in overtime expenditures associated to police officers that prioritize and address community complaints of quality of life issues that impact San Diego's neighborhoods and business districts; provide presence at city provided homeless shelters and storage facilities as dictated by the original agreement with surrounding communities; and provide extra outreach services via the Homeless Outreach Team.
Reduction in Extension of Shift Overtime
This adjustment includes the reduction of $2.0 million in overtime expenditures associated to extension of shift. This reduction will be realized through enhanced oversight that will ensure extension of shift overtime is only approved when necessary. However, in the case of major events that may negatively affect the City's strategic objective of safe and livable neighborhoods, the department will respond in a manner expected from the public which may require extension of shift overtime.

One-Time Resources and Uses
Fiscal Year 2022 Adopted Budget includes $169.7 million in one-time resources as displayed in Table 5.

1Negative amounts displayed on this table are associated with one time decreases in revenue.

This compares to approximately $73.0 million in one-time uses as displayed in Table 6. The information shown in the table below reflects that there are $96.7 million less in one-time uses than one-time resources being utilized. In keeping with best practices in governmental budgeting, the City has a policy of supporting ongoing expenditures with ongoing revenues. However, given the sharp decline in on-going revenues associated with the COVID-19 pandemic, the City used a significant amount of one-time resources and American Rescue Plan Act funds to balance the Adopted Budget to maintain core services. These one-time revenues include $149.3 million in American Rescue Plan relief funds which are eligible to be used as
General Fund Expenditures

revenue replacement to provide general government services in accordance with the guidelines put forth by the United States Department of Treasury.

The City believes that, as the pandemic subsides and the economy recovers, on-going revenue will return to more normal levels, narrowing this gap. The City will continue to monitor revenues during Fiscal Year 2022 and will continue to address any structural shortfalls during next year’s budget process.
