Long Range Property Management Fund

Description

The Long Range Property Management Fund was established to address the disposition and use of non-housing real properties owned by the former Redevelopment Agency (Successor Agency) of the City of San Diego. Although in existence since 2011, the Successor Agency is restructuring its budgetary procedures, related to the property management component of Successor Agency properties transferred to the City under the Long-Range Property Management Plan (LRPMP), to comply with the new requirements the City has established for the monitoring and oversight of the Fund. This Fund is in compliance with the State Assembly Bill 1484.
