PARTIES TO THE AGREEMENT

This Memorandum of Understanding (MOU), is made and entered into on July 1, **2022**, by and between the City of San Diego (City) and San Diego City Firefighters, International Association of Firefighters Local 145, hereinafter referred to as Local 145.

ARTICLE 1:

Payroll Deductions

- A. It is agreed that Local 145 dues, assessments, and other authorized deductions shall be deducted by Management from the wages of each member and past member to the extent permitted by law. Remittance of the aggregate amount of all deductions shall be made to Local 145 by Management biweekly. All deductions shall be wire transferred to the pre-designated Local 145 accounts. There will be no cost to Local 145 for this transfer.
- B. Deductions shall be for a specified amount or for total compensation and shall be made based on the information provided by Local 145. Local 145 will maintain records of employee authorization for dues deductions. Local 145 will provide the City with information regarding the amount of dues deductions and the list of Local 145 employees who have affirmatively consented to or authorized dues deductions. The City shall not request Local 145 to provide a copy of any member employees' authorization unless a dispute arises about the existence or terms of the authorization. To the extent required by the Government Code, or otherwise required by law, the City will rely on the information provided by Local 145 in processing dues deductions for Local 145 employees. Deduction authorization or cancellation shall be made based on the information provided by Local 145. Local 145 is responsible for providing the City with timely information regarding changes to member employees' dues deductions.
- C. Local 145 shall disburse funds received from City in accordance with the deduction authorizations received.
- D. Local 145 shall indemnify, defend, and hold City harmless against any claims or suits instituted against City, which may arise as a result of the application of provisions of this Article, including, but not limited to contesting the collection or dispersal of any authorized deductions. In addition, Local 145 shall refund to City any amounts paid to it in error upon presentation by City of evidence supporting the error.
- E. Special Deduction – Local 145 Fire Fighters' Assistance VEBA Fund – Mass Changes.
 - 1. The Department of Finance, upon receipt of notification from Local 145, shall deduct the specified amount from the paychecks of members of the fund, to the extent permitted by law.
- F. If an employee submits a payroll deduction authorization change to City which has not been processed by Local 145, City will direct the employee to Local 145.
- G. Employees who choose to electronically deposit their paychecks to a financial institution of their choice (subject to electronic compatibility) will be required to provide authorization to the Department of Finance. Employees will not be required to change financial institutions if their financial institution is not compatible with the Automated Clearing House (ACH) transfer.
- H. Employees are required to enter their own time; if unavailable to do so, a Department Payroll Specialist can enter the time if they are provided written documentation indicating hours worked and approved by a Supervisor. Employees' time is required to be approved by their direct Supervisor and/or designee in their absence. Exceptions

can be made for entering time on behalf of an employee or approving employee time on behalf of a Supervisor only for circumstances for that specific pay period and should not be an ongoing practice. Department Payroll Specialists can approve time for Supervisors, who do not have current access to approve in the system, under “exceptional” circumstances as authorized by Department of Finance. In these circumstances, Department Payroll Specialists must be provided written documentation approved by the Supervisor.

- I. Employees must adhere to the Employee Time Entry and Approval deadlines. Any overtime hours not entered and approved by the payroll deadlines may not be paid until the following payday.

ARTICLE 2: Trades

- A. City agrees to continue the practice of allowing employees to trade work schedules, subject to the provisions of the Fair Labor Standards Act (FLSA) including 29 U.S.C. Section 207(p)(3) and 29 C.F.R. Section 553.31. Disputes regarding the impact of a trade or trades upon hours worked for retirement and overtime computation purposes for trades prior to July 1, 2021, shall be resolved by reference to the records maintained by Department payroll.
- B. Approval of trades will be subject to the staffing requirements of the San Diego Fire-Rescue Department (Department) as determined by the Fire Chief or their designee. Once a trade has been approved, the employee who accepts the trade assumes the responsibility for completing the assigned shift.
 - 1. Trades shall be limited to the exchange of scheduled work shifts, time for time, between two employees of the same classification.
 - 2. All trades must be between the original employees agreeing to the trade. All trades of scheduled shifts must be completed within one year.
 - 3. Trades of will-work assignments of four hours or less will be allowed with the proper payroll documentation.
 - 4. The above procedures apply to all trades regardless of the amount of time involved.
- C. Fire Engineers wishing certification on equipment for which they have not previously been certified, shall make a request to the Fire Chief or their designee. To the extent feasible, the Fire Chief shall arrange for the Fire Engineer to be assigned to a work station where they can achieve such certification during their normal work shift.
- D. Effective July 1, 2021, the City will no longer be responsible for tracking trades or providing compensation for prospective trade balances. Trades are strictly between two employees and are not the responsibility of the City. The Department may provide, as part of the automated scheduling program, a system that tracks trades for the employees use. This does not imply that the City/Department is responsible for compensation of any kind or the resolution of any disputes.

- E. The City and Local 145 will meet as required by MMBA over the resolution of trade balances that were acquired prior to July 1, 2021.

ARTICLE 3: Will Work List

- A. Local 145 agrees to support a will-work list consisting of sufficient numbers of volunteers to fill normal staffing vacancies. An employee who has volunteered for the will-work list may remove their name from that list any time prior to being called for work. In the event that there are insufficient numbers of suitable volunteers, Local 145 agrees to the use of mandatory call-back according to the agreement in the Staffing Policy Manual.
- B. Members wishing to volunteer for will-work will use the approved methods outlined in the Telestaff Manual and in the Staffing Policy Manual as incorporated in this MOU.
- C. Changes to the existing Staffing Manual policies shall be made by mutual consent of the Parties.

ARTICLE 4: Seniority

- A. The Parties agree that layoffs shall be governed by the provisions of Civil Service Rule V. Changes to Civil Service Rule V which affect members of Local 145 shall be by mutual consent of the Parties.
- B. For purposes of this Article:
1. City-wide seniority shall mean service in a classification regardless of the department or division.
 2. Right of competition shall mean the right of an employee who has been laid off to compete for positions in lower classes in which they have served satisfactorily, subject to the superior rights of any other employee who has been laid off.
- C. In cases of intra-Departmental processes, seniority shall be established as follows:
1. Relative seniority among employees in the same Academy hired into the Fire Fighter classifications will be established by class standing in their Academy. Open enrollees shall be ranked by class standing order following those hired into fire recruit positions.
 2. Relative seniority among employees promoted into the same classification on the same effective date shall first be established on the basis of seniority in the classification from which they were promoted. In the event seniority is equal in that classification, standing in the Academy will be used to determine seniority. If a tie remains, a lottery shall be used to determine seniority. The Department will make a reasonable and documented effort to offer the

opportunity to attend the lottery to all Parties with a material interest in the results.

ARTICLE 5: Provisions of Law

- A. This MOU is subject to all current and future applicable federal, state and local laws, regulations and the San Diego Charter (Charter).
- B. If any part or provision of this MOU is in conflict or inconsistent with applicable provisions of federal, state, or local laws or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, those parts or provisions shall be suspended and superseded by the applicable laws or regulations, and the remainder of this MOU shall not be affected.

ARTICLE 6: Employee Rights

- A. Both Parties agree not to discriminate against any employee for the exercise of rights guaranteed by applicable state and/or federal law, which prohibits favor or discrimination based on any of the protected classes or categories listed in the City's Equal Employment Opportunity (EEO) Policy – Annual Statement, or because of political affiliation or employee organization affiliation.
- B. The Parties mutually recognize and agree to fully protect the rights of all employees falling into the classifications listed in Article 10 to join and participate in the activities of Local 145, or not to join and participate in these activities, and all other rights guaranteed by law.
- C. No employees shall be interfered with, intimidated, restrained, coerced, or discriminated against because of the exercise of these rights.
- D. The provisions of this MOU apply equally to all covered employees without favor or discrimination because of race, color, sex, age, disability, national origin, political or religious opinions or affiliations, pregnancy, or sexual orientation.
- E. Local 145 agrees to recognize and support Equal Opportunity plans and policies promulgated in accordance with procedures established by the City Council and the Department that are consistent with state and federal law. These policies shall be submitted to Local 145 and shall be met and conferred upon if required by the Meyers-Milias-Brown Act (MMBA).
- F. The Parties agree to support and comply with City's Human Dignity Ordinance.

City shall comply with applicable federal, state, and local health and safety laws on a timely basis. City and Local 145 shall jointly study National Fire Protection Association standards for training and equipment for future adoption.
- E. In the event a repair necessitates closure of a facility for more than 48 hours, alternative accommodations will be made available.

ARTICLE 8:

Mileage and Meal Allowance

- A. City agrees to reimburse members of the Bargaining Unit for use of their private vehicles to travel from one work station to another work station when the travel results from a reassignment of work station during the employee's work hours.  4. At the end of the month, reimbursable miles driven should be totaled, and the reimbursable mileage amount should be calculated by multiplying the total reimbursable miles by the mileage rate. Personnel will be expected to provide supporting documentation for all reimbursable mileage requests. The SDFD Mileage Report AC-1145 form is to be checked for accuracy and signed by the supervisor before sending the completed document to your payroll specialist.
- B. Mileage reimbursement will be paid in accordance with the current IRS Standard Mileage Rates for business reimbursement.
- C. In the event an employee is transferred to a different work site after reaching their normally assigned work site and does not have transportation available, the Department will arrange transportation to the new work site. At the end of the duty shift, the employee has the option of leaving the assigned work site upon being relieved or requesting that the Department arrange for transportation to the original work site. The exercise of these rights shall not preclude Local 145 from meeting and consulting or meeting and conferring with Management representatives as required by law about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment, and shall not supersede the provisions of this MOU.

3. Personnel who receive specialty pay as part of a permanent assignment to a specialty station will not lose the specialty pay when rotated out of the specialty station by management to meet staffing or training needs.
4. If Fire-Rescue Department Management displaces a bargaining unit member due to managerial rights, the bargaining unit member will continue to receive that specialty assignment pay for the period of time in which they are involuntarily displaced, but not to exceed one year following the date of displacement. This provision does not apply if the displacement is a result of the bargaining unit member's decision to voluntarily bid on an assignment.

5. A Specialty Station Employee Performance Report Addendum (SSEPRA) will be completed for each employee permanently assigned to a recognized specialty station upon, (1) completion of an initial six-month period; and (2) annually, on July 1st, thereafter in accordance with the existing rules for the Employee Performance Review Program as set forth in City of San Diego Personnel Manual Index Code G-7.

In the event that either party wishes to exercise this clause, notification to the other party should be made as early as possible to attempt to resolve the issue which is anticipated to prevent completion of the administrative assignment. This clause is not intended to replace the due diligence necessary to understand and properly prepare for an administrative position sought, on the part of the member; or to circumvent existing performance improvement processes within the Employee Performance Review Program, on the part of Management. A member who returns to their previous assignment and pay under the 30-day clause is not eligible for displacement pay described in Section E.4. of this article.

F. Bilingual – English Pay

City time by the Personnel Department. City may retest an employee every three years.

Battalion Chiefs who receive specialty pay as part of a permanent assignment to a specialty station will not lose the specialty pay when rotated out of the specialty station to fulfill the duties of Shift Commander in accordance with the Department Staffing Manual.

H. Emergency Duty Pay

Emergency Duty is a direct response to a specific incident or critical need in the department and is above and beyond the expectation of an Emergency All Call (calling back all available personnel) or "Stand By" as defined in Personnel Regulation H.7. In order to support critical operational needs (i.e. – Safety, Logistics, EMS or similar), the Department may require or request that specified assignments, as designated by the Fire Chief or designee, to be immediately available to return to work during off-duty hours. When this requirement regularly exists for a specific position, the employee working in that position is deemed to be on emergency duty. When employees are on emergency duty, they must be available by telephone or other electronic communication device and able to return to duty within one hour of receiving a request to do so. Employees who are required or agree to be on emergency duty will be compensated at two and a half percent of their base wage while working the emergency duty assignment.

Authorized Local 145 representatives seeking access to work locations shall first request access from the Fire Chief or their designee, at which time the authorized representative shall inform the Fire Chief or their designee of the purpose of the visit. The Fire Chief or their designee may deny access to a work location if in their judgment, it is determined that a visit will unduly interfere with the operations of the Department or facility. In that event, the Fire Chief or their designee will recommend an alternative time for the visit. The Local 145 representative shall not unduly interfere with the operations of the Department during a visit. Local 145 representatives shall be allowed access to work locations during lunch or after 5:00 p.m.

If no Board member is assigned to the employee's work area or if the Board member assigned to the employee's work area is not available at the time the grievant makes their request, another Board member may investigate the grievance.

2. After notifying and receiving approval of the immediate supervisor, a Board member shall be allowed reasonable time off during working hours, without loss of time or pay, to investigate, prepare and present such grievances. The immediate supervisor will authorize the Board member to leave their work assignment, unless compelling circumstances require refusal of such permission. In such case, the immediate supervisor shall inform the Board member of the reasons for the denial of release time and establish an alternate time when the Board member can reasonably be expected to be released from their work assignment.

F. Board of Directors Meetings

Three members of the Board shall be permitted to attend, while on-duty, meetings of the Board of Directors (once per month, generally from 8:00 a.m. – 5:00 p.m.; or every two weeks, 8:00 a.m. – 1:00 p.m.) and General Membership meetings (normally scheduled on the third Tuesday from 7:00 p.m. – 10:00 p.m. and third Wednesday of every other month from 8:30 a.m. – 11:30 a.m. Additional members of the Board may be permitted to attend under these arrangements on the condition that Local 145 provides relief for them. 1. Each employee is expected by City to reasonably consider accepting the assignment when notified. Names of employees who are excused from an OCA by the Fire Chief or their designee for good reason shall remain in their respective positions on the list for rotational assignment.
 2. Taking all things equally, first consideration will be given for appointment to an OCA of thirty days or more to employees on the eligible list for the class in which a vacancy occurs, except in those cases in which the specialized needs of the assignment necessitates appointment of an employee not on the eligible list.

3. If no eligible, on-duty personnel are available for an OCA, employees not on a promotional list shall be eligible based on Personnel Manual Regulations and the section on seniority agreed to in this MOU.
 4. OCA for straight-day employees shall be limited to their functional division.
 5. Employees who fulfill an OCA in a budgeted position shall be rotated to the bottom of the list at the completion of the OCA. For this purpose, a minimum of eight hours will be considered an assignment.

- C. Personnel who satisfactorily work OCA shall be eligible for a reduction of the time between promotion and the first step increase according to the following:
1. Each employee wishing to participate in this program shall be responsible for obtaining the approved form and shall have their supervisor enter time served in an OCA capacity after each assignment.
 2. After being promoted, the employee shall give the form to the Fire Chief or their designee for verification.
 - a. Time served in OCA during the four-year period immediately preceding promotion shall reduce the time element for the first step increase from the rate received at the time of promotion to the next highest rate for which the employee is eligible. However, OCA time shall not reduce the normal time for a step increase to less than one-half the normal time nor shall OCA time affect requirements for additional step increases.
 - b. Any employee who loses the OCA form and who fails to report the loss to the Fire Chief or their designee shall not be eligible to receive any credits under this provision.
- D. Credit for OCA to operate brush rigs shall be limited to emergency in-service operating time.
- E. The standard for shift conversion to calendar time shall be nine shifts per month. Time served credit shall be apportioned accordingly.
- F. Employees on OCA will be compensated at the rate of their regular job classification. 1. Personnel participating in early relief shall do so on a voluntary basis.
2. Any increase in time that may develop from an early relief will not result in additional compensated hours of work.
3. City will not be required to keep records of any individual's time worked in early shifts.
 - a. In the event of legislative action requiring compensation for time worked in early relief, this policy shall become null and void.

- E. Effective July 1, 2017, no employee shall work more than 96 consecutive hours including trades without a minimum 24 hour off-duty rest break. The Fire Chief or designee may extend this 96 consecutive hour timeframe due to disaster situations, need for strike teams, or other operational circumstances that warrant immediate coverage.

1. Personnel deploying on a strike team shall continue to receive the rate of pay in effect until the end of the regularly scheduled work shift.
2. Personnel who return from a strike team on their regular duty day, whether over or under the 96-hour consecutive work rule, shall continue to receive the rate of pay in effect until the end of the regularly scheduled work shift. Flexible Benefits Plan

A. General Nature of Plan and Eligibility

1. The City offers an IRS-qualified cafeteria-style benefits program called the Flexible Benefits Plan (FBP) to all eligible employees. Under the FBP, an

annual dollar value is set for each eligible employee who may use these “FBP credits” for a variety of tax-free benefit or cash-in-lieu options or take these FBP Credits as taxable cash under certain circumstances.

2. An “eligible employee” means any employee in one-half, three-quarter, or full-time status. Employees in non-standard hour positions are not eligible to participate in the FBP.
3. **“Hired” for purposes of determining FBP credits is based on the employee’s most recent hire date with the City. If an employee experiences a break in service and is then rehired, the rehire date would be considered the most recent hire date.**
4. During the annual open enrollment process for the FBP, eligible employees are required to acknowledge that no amount of FBP Credits is included in “Base Compensation” under the SDCERS defined benefit pension plan. Employees are also required to acknowledge that the FBP credits allocated to them for the year will be paid out over 24 of 26 pay periods, as a lump sum benefit for all hours worked during each month within the year. For months that have three pay cycles, the middle paycheck will not include any FBP transactions. If an employee separates from City employment, the FBP credits payable through their last day on the City payroll will be added to their final paycheck.

B. FBP Options for Eligible Employees Hired Before July 1, 2020

1. For eligible employees hired before July 1, 2020, total Flex Credits of \$1,750 (Waiver) and \$9,830 (Employee Only) are available with the customary cash-back option. These options allow the maximum cash-back opportunity for employees who waive medical insurance or cover only themselves. However, beginning July 1, 2020, there is also an option for employees who wish to cover a Spouse or Domestic Partner, Children or Family, where more Flex Credits will be available to them for these tiers of coverage but they will have no cash-back option and no amounts can be deposited into their 401(k) account. Eligible employees hired before July 1, 2020, may change the option they select (Option No. 1 – Cash-Back; Option No. 2 – No Cash-Back) from one year to the next at the time of open enrollment.

2. Option No. 1 to Choose \$1,750 (Waiver) and \$9,830 (Employee Only) in FBP Credits and Take Cash-Back

During open enrollment employees hired before July 1, 2020 who wish to maximize the cash available to them from their total \$1,750 (Waiver) and \$9,830 (Employee Only) in FBP Credits, must select either the Waiver or an Employee-Only Medical Coverage Option from the FBP component plan offerings.

An employee may select the “Waiver” option to opt out of any medical insurance offering under the FBP without providing the City with proof of other medical insurance coverage. After selecting the Health Waiver or Employee Only Health Coverage, the employee may allocate their remaining Flex Credits: to pay for other FBP insurance offerings; to be deposited to their

401(k) account; to fund an FSA account for dental/medical/vision reimbursements or child/dependent care; or to be returned to them over 24 pay periods as taxable cash.

3. Option No. 2 to Choose Increased Medical Coverage for Employee-Plus Tiers and Use Remaining FBP Credits for Other Benefits But Take No Cash Back

During open enrollment employees hired before July 1, 2020, who choose a medical insurance option and cover one or more dependents, will have the option to get more Flex Credits to cover themselves plus a spouse, domestic partner, children or family as follows:

Employee and Children	\$15,000
Employee and Spouse/Domestic Partner	\$18,250
Employee and Spouse/Domestic Partner and Children	\$20,750

Once an employee has selected one of the above-described tiers for medical coverage, any remaining FBP credits may be used to pay for other FBP insurance offerings or to fund an FSA account for dental/medical/vision reimbursements or child/dependent care. However, no FBP Credits remaining after selecting required or optional coverages or funding FSA accounts may be deposited to their 401(k) account or be taken as cash-back.

C. FBP Options for Eligible Employees Hired On or After July 1, 2020

1. For eligible employees hired on or after July 1, 2020, there will be two options available under City's FBP: (1) a \$1,000 cash-back option for an employee who provides proof of qualifying medical coverage outside the FBP and selects the waiver; or, (2) a no-cash-back option which provides FBP Credits in varying amounts for Employee Only and for Employee-Plus tiers.

2. Option No. 1 to Choose \$1,000 in Cash In Exchange for Waiver of Medical Insurance With Proof of Alternative Qualifying Medical Coverage

This option is an eligible opt-out arrangement under City's FBP. It is the *only* means for an eligible employee to have \$1,000 in taxable cash paid out to them in increments over 24 pay periods of the year so long as they remain employed and eligible. However, an employee who chooses this option is also forfeiting the opportunity to have thousands of additional Flex Credits available for other qualifying benefit opportunities under the FBP.

During open enrollment, this eligible opt-out arrangement allows an eligible employee to decline medical benefits coverage under the FBP for the upcoming Plan Year and instead receive a \$1,000 cash payment. An eligible employee can waive coverage without restriction, but to receive the \$1,000 cash payment, the eligible employee must provide during open enrollment reasonable evidence of enrollment in "minimum essential coverage" under another employer-sponsored group medical plan (a spouse's plan, for example), or under a qualifying government program, which covers the employee and their tax dependents for the upcoming Plan Year. Individual coverage, including

insurance purchased through the Affordable Care Act (ACA) Exchange, will not qualify as minimum essential coverage under the eligible opt-out arrangement. If an eligible employee selects the Waiver and certifies that they have and will maintain qualifying coverage for themselves and their tax dependents during the Plan Year, the City will pay the \$1,000 “waiver” cash over 24 pay periods if the employee remains employed and eligible. However, the employee’s failure to have or maintain this minimum essential coverage outside the FBP will disqualify the employee from eligibility in City’s opt-out arrangement and no cash payments will be made or continue to be made.

To elect and enroll in this opt-out arrangement, an eligible employee must complete and execute an online Election Form and file the completed form -- together with the employee's certification that they and their tax dependents have (or will have) other minimum essential coverage (other than individual coverage) during the Plan Year -- with the City’s Risk Management Department during open enrollment before the Plan Year begins for which the opt-out election is to be effective. Once made, an employee’s election to participate in this opt-out arrangement is irrevocable until the end of the Plan Year unless the employee is entitled to change their election under the FBP due to a mid-year election change event as described under section 3.07 of the City’s FBP.

An eligible employee must provide the certification of other minimum essential coverage (other than individual coverage) annually during each open enrollment period. An employee who elected to participate in this \$1,000 cash-back opt-out arrangement will no longer be eligible to receive cash payments: (1) after the last day of employment if the employee terminates employment with the City; (2) if the employee is no longer eligible to participate in the FBP; (3) if the employee enrolls in a medical plan offered under City’s FBP; or (4) if the employee ceases to maintain minimum essential coverage for them and their tax dependents under another employer-sponsored group medical plan or qualifying governmental program.

An eligible employee who elects the \$1,000 cash-back waiver under this opt-out arrangement will have no remaining FBP Credits to “spend” on other FBP component plan offerings. However, the employee may elect benefits offered through these other component plans by paying for the cost of those benefits with pre-tax salary reduction contributions.

3. Option No. 2 to Choose A Medical Insurance Option and Use Remaining FBP Credits For Other Benefits But Take No Cash-Back

All eligible employees hired on or after July 1, 2020, who choose a medical insurance option, will have the following Flex Credits available. Once the employee selects a medical plan offered under the FBP for Employee Only or for one of the Employee-Plus tiers below, the employee may use the remaining Flex Credits for other insurance plans offered under the FBP (life, dental, vision), or to fund a flexible spending account (FSA) for dental/medical/vision reimbursements or child/dependent care. However, no FBP credits remaining may be deposited to their 401(k) account or be taken as cash-back. An eligible employee who has other medical coverage outside the

FBP may still select the lowest cost Employee Only medical insurance option and then use the remaining Flex Credits for other benefits but no cash-back.

Employee Only	\$7,600
Employee and Children	\$15,000
Employee and Spouse/Domestic Partner	\$18,250
Employee and Spouse/Domestic Partner and Children	\$20,750

For employees hired on or after July 1, 2020, only Eligible Employees who elected the “Waiver” under the Option No. 1 “opt-out arrangement” can receive FBP credits in cash-back payments.

Any unused Flex Credits will be forfeited at year-end and cannot be carried over from year-to-year.

- D. **For calendar year 2023, the Parties agree to exchange premium rates for the Parties’ respective plan offerings on or about October 1, 2022. For calendar year 2024 and thereafter during the term of this MOU, the Parties will exchange premium rates on or about August 1 of each year or earlier if mutually agreed.**
- E. The benefits available through the FBP and the respective annual costs of the benefits are reflected in the **Benefits Info and Costs** booklet **published** each year.
- F. Medical Plans
1. Effective August 1, 2010, Local 145 will make available its own HMO medical plan through City’s FBP.
 2. Local 145 members will have the option of enrolling in City’s Kaiser HMO Medical Plan, City’s PPO Medical Plan, City’s Cigna Select Plan, or Local 145 HMO Medical Plan.
- G. Notes
1. It is the intent of the Parties that all component plans offered under the FBP comply with all applicable state and federal laws, including IRS regulations as interpreted by the City Attorney. All disputes over interpretation of this Article shall be submitted to the appropriate agencies for interpretation.
 2. Eligible employees who do not have sufficient Flex Credits to enroll in insurance plans offered under the City’s FBP, will have appropriate amounts withheld from their paychecks to pay for the cost of coverage they select.
 3. Eligible employees may designate a specific amount of pre-tax money (IRS restrictions apply) to be withheld from their paycheck to reimburse eligible out-of-pocket Health Care Spending Account (HCSA) and Dependent Care Spending Account (DCSA) expenses. These payroll deductions must be designated during the open enrollment period, are irrevocable, and are subject to IRS regulations. These amounts are forfeited if not used within the year or during the grace period described in the Flexible Benefits Plan document.

4. Eligible employees are required to enroll for their benefits each year during the designated open enrollment period. If an employee fails to complete enrollment within the open enrollment period, the employee's current options for medical coverage (or a comparable plan if that option is unavailable), including dependent medical offset and life insurance, will be automatically continued at the same level for the next year as if the employee had elected to keep them. All other benefit options will be cancelled. Employees agree that City may make a payroll deduction for employee and/or dependent medical and life insurance coverage if the FBP Credits are insufficient to pay for the benefit options selected by the employee. Any FBP Credits remaining from the FBP allotment will be paid out as a taxable cash payment if a cash-back option is otherwise available to the employee. All payroll deductions, including HCSA and DCSA reimbursements, will continue and may not be stopped until the following open enrollment period, except when a qualifying event occurs as defined in the FBP document.
 5. The City agrees that it will not arbitrarily or unreasonably deny Local 145 the opportunity to offer a **health** insurance plan to active or retired employees. The City and Local 145 agree to meet and discuss Local 145's proposal to establish a 501(c)(9) trust ("Trust"), with adequate notice to the City, for the sole purpose of providing medical, dental, vision, and other related benefits to Local 145 members. Establishment of the Trust is subject to compliance with applicable tax and fiduciary rules, regulations, and guidance, as determined by the City Attorney. If a trust is established, the City will make monthly payments to the Trust on behalf of each eligible active employee represented by Local 145, and these payments will equate to and be in lieu of, the annual FBP credit allotments the City provides to eligible employees in paragraphs two and three above.
 6. Local 145 agrees to indemnify the City against any and all claims arising out of the administration of Local 145's benefits plans.
 7. Audit and Inspection of Records.

The City Auditor is authorized to audit all necessary documents pertaining to the health insurance plans offered by Local 145, and Local 145 is authorized to audit the City's health plans to the extent that documents are requested and provided pursuant to state and federal public information laws.
 8. Local 145 will be given the opportunity to answer questions about the FBP and its plan offerings during open enrollment and in New Employee Orientation sessions.
- H. **The City will be changing the plan year of the City's Flexible Benefits Plan from a fiscal year basis to a calendar year basis, effective January 1, 2023:**
1. A first open enrollment will be held in June 2022 for a short plan year. (Health plan coverage effective dates will be August 1, 2022 through December 31, 2022).
 2. A second open enrollment will be held in November 2022 for a new calendar year plan. (Health plan coverage effective dates will be January 1, 2023 through December 31, 2023).

3. Thereafter, open enrollment would be held once a year in the fall for the calendar year plans (effective dates January 1 through December 31), with rate renewals for 12-month coverage periods.
- I. The City has discretion to conduct an audit of employees' dependents at any time of its choosing to ensure that it is providing coverage to employees' dependents on a tax-free basis as required by the Internal Revenue Code.
- J. **The parties agree to reopen negotiations over flexible benefit credits if the healthcare plan that most represented employees are enrolled in during calendar year 2023 is projected to increase by more than 5% in calendar year 2024. The parties agree that any negotiations related to flexible benefits will commence on August 1, 2023 and conclude no later than September 15, 2023 and any changes to the flexible benefit credits for calendar year 2024 will be decided by mutual agreement.**

ARTICLE 23: Retirement

A. SDCERS Employee Offset

Effective July 1, 2009, the City's offset of employee pension contributions for employees in Local 145 Represented bargaining units is eliminated.

B. DROP

1. City contends that the Deferred Retirement Option Plan (DROP) is an employment benefit subject to modification through the meet and confer process. Despite Local 145's disagreement with this contention, the Parties agree that, during the term of this MOU, they will meet and confer over proposals to modify DROP to make DROP "cost free" to City. The Parties acknowledge that City's proposals will modify DROP to make DROP "cost free" as defined by City and may include any and all aspects of DROP, including but not limited to, all of the DROP alternative plan design proposals set forth in a study by Buck Consultants presented by City to Local 145 on March 14, 2012, or any variations of the alternative proposals which changes numbers or percentages reflected in the Buck study. However, by agreeing to meet and confer regarding proposals to modify DROP, Local 145 is not waiving its right to challenge any proposed modification to DROP on the basis that it may impair a constitutionally protected, individually vested pension benefit, or on any other ground. Local 145 further reserves its right to argue, despite any contrary assertion by City, that the current unmodified DROP is, in fact, "cost free" within the meaning of reasonable actuarial principles and appropriate margins of error. Moreover, in agreeing to meet and confer regarding proposals to modify DROP, neither Party is waiving its rights to make any legal arguments or pursue any legal action related to any proposed DROP modification.

In the event City and Local 145 reach agreement on any modifications to DROP, these modifications will become effective on the date agreed upon. In the event the Parties fail to reach an agreement, any impasse hearing related to DROP will be conducted in accordance with Council Policy 300-06 on a date

to be agreed upon by the Parties but in no event before January 1, 2013. However, any impasse hearing related to the Parties' meet and confer over DROP, including the aspects of DROP described above, will be separate from and not combined with any issues remaining for impasse in connection with the Parties' meet and confer process for a new MOU for Fiscal Year 2014.

2. Effective July 1, 2009, interest will be credited to the Member's DROP account at a rate determined by the SDCERS Board of Administration (SDCERS Board).
3. Employees hired on or after July 1, 2005, are not eligible for DROP. Article 4, Division 14 of the Municipal Code has been revised to reflect this change.

C. General Retirement Provisions

Paragraphs 1 through 9 below of this Article reflect the Parties' agreement regarding retirement contributions and benefits resulting from prior negotiations.

1. 2005 Benefit Changes

a. Retirement Contribution Adjustments

1. The following language in paragraphs 1.a.(2) through 1.a.(3) has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU.
2. Effective July 2, 2005, the employee pension contribution for employees in Local 145-represented Bargaining Units will increase by 3.0% of the employee's base wage. This negotiated increase in the employee pension contributions represents a decrease in City's offset of the employee pension contributions.
3. The 3 percent negotiated employee pension contribution increase effective July 2, 2005, is in addition to the employee pension contribution increase that will take effect automatically upon depletion of the Employee Contribution Rate Reserve in 2005. City will calculate the amount of this automatic pension contribution increase by September 1, 2005. As initial payment of this automatic pension contribution increase beginning July 2, 2005, the employee pension contribution for Local 145-unit members will increase by 1.5 percent of the employee's base wage, with the goal of applying the increase in approximately equal amounts over the entirety of Fiscal Year 2006. City will adjust the 1.5 percent figure as needed following calculation of the actual amount of the automatic pension contribution increase.

b. Use of Negotiated Employee Pension Contribution Increases

1. The following language in paragraphs 1.b.(2) through 1.b.(3) has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU.
2. All monies resulting from the 3 percent negotiated employee pension contribution increase effective July 2, 2005 (i.e., City

savings that result from substituting those increases for City offset of employee pension contributions), shall be designated exclusively for payment to support a leveraged mechanism to reduce the San Diego City Employees Retirement System (SDCERS) unfunded actuarially accrued liability ("UAAL"), such as Pension Obligation Bonds, lease capitalization, or a similar mechanism selected by City. If City does not implement a leveraged mechanism to reduce the UAAL within the term of this MOU, then these monies shall be deposited into the SDCERS Employee Contribution Rate Reserve and used to defray the pension contribution obligation of employees in Local 145-represented Bargaining Units.

3. The Parties agree that Local 145 will not contend that City has breached Article 23(2)(B) of the Fiscal Year 2006 MOU, provided that for Fiscal Year 2007, City uses the negotiated employee pension contributions of Local 145 members from Fiscal Year 2006 and 2007 to support a leveraged mechanism to reduce the SDCERS "UAAL", such as Pension Obligation Bonds, lease capitalization, or a similar mechanism selected by City. If City does not implement a leveraged mechanism to reduce the UAAL within the term of this MOU, then these monies shall be deposited into the SDCERS Employee Contribution Rate Reserve and used to defray the pension contribution obligation of employees in Local 145-represented Bargaining Units.

c. Retirement Contribution Offsets

Upon termination of employment, an employee will have no vested right in employee pension contribution offsets contributed by City. Substitution of this portion of the employees' contribution by a City payment will not decrease the total amount applied toward the required retirement contribution and will not affect retirement benefits. Provided, however, such payment shall not exceed any employee's total contribution to the Retirement System.

d. Purchase Of Service Credit

Employees hired on or after July 1, 2005, are not eligible for the purchase of service credit ("airtime") in SDCERS, except for credit for up to five years of military service. Article 4, Division 13 of the Municipal Code has been revised to reflect this change.

e. "13th Check" Supplemental Benefit

Employees hired on or after July 1, 2005, are not eligible to receive the "13th Check" supplemental benefit set forth in Sections 24.1502(c) and 24.1503 of the Municipal Code.

f. Calculation of Service Retirement Allowance

The service retirement allowance calculation formulas for employees hired on or after July 1, 2005 and before July 20, 2012, will be 2.5% at

age 55 for General Members and 3.0% at age 50 for Safety Members, with the existing tiers for those formulae. Article 4, Division 4 of the Municipal Code has been revised to reflect this change. For employees hired before July 1, 2005, the retirement allowance calculation formulas will remain as currently provided under Article 4, Division 4 of the Municipal Code. Limiting the Defined Benefit Plan to employees hired before July 20, 2012 is subject to the reopener provisions on Proposition B in Article 31, Section E.

2. Retirement Contribution Offsets

- a. The following language in paragraphs 2.b. through 5 has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU.
- b. City agrees to continue to offset or pay for 4.3% of the employee's portion of the required retirement contribution to SDCERS. The employee, upon termination, will have no vested right in the amount so contributed by City. Substitution of this portion of the employee's contribution by a City payment will not decrease the total amount applied towards the required retirement contribution and will not affect retirement benefits. Provided, however, such payment shall not exceed any employee's total contribution to the Retirement system.
- c. City agrees that it will apply an amount that is approximately equal to 7.3% of the base wage of employees covered by this MOU who are SDCERS Safety Members, into the City Retirement System, thereby reducing the amount deducted from employee's paychecks as the employee's retirement contribution by that amount. Effective July 1, 2002, this amount for Safety Members will be increased to 9.0%. This increase will remain in effect until the Employee Contribution Reserve is exhausted. Effective July 5, 2003, this amount, for Safety Members, will increase to 10% of base wage. This increase will remain in effect until the Employee Contribution Reserve is exhausted. For SDCERS General Members represented by Local 145, effective July 5, 2003, City agrees that it will apply an additional 1.6%, for a total of 7.0%, of the base wage of employees covered by this MOU, into the Retirement System, thereby reducing the amount deducted from employee's paychecks as the employee's retirement contribution by that amount. This increase is to remain in effect until the Employee Contribution Reserve is exhausted. The employee, upon termination, will have no vested right in the amount so contributed by City. Substitution of this portion of the employee's contribution by a City payment will not decrease the total amount applied towards the required retirement contribution, and will not affect retirement benefits provided, however, such payment shall not exceed any employee's total contribution to the Retirement System.
- d. City agrees not to propose reductions in the retirement offset through 2002.

3. 1981 Pension Plan

Effective July 1, 1991, for the purpose of benefit calculation only, 1981 Plan service is equivalent to SDCERS Service.

4. COLA

Effective July 1, 1992, the cost of living adjustment (COLA) for retirees who retired before October 6, 1980, will increase from 1.5 percent to 2 percent per year.

5. Widows Benefit

Effective July 1, 1992, and thereafter, a group of widows of deceased Safety Members from the special safety class will receive a benefit of \$350 per month.

6. Internal Revenue Code section 414(h)(2)

Beginning January 3, 1993, City agrees to implement Internal Revenue Code (IRC) section 414(h)(2) for Local 145 employees, allowing employee contributions to the Retirement System to be made pre-tax.

7. 1997 Benefit Changes

- a. The Disability Income Offset provision is eliminated. There will be no reduction of retirement benefits if the retiree has other income.
- b. A five-year purchase of service credit provision is established effective January 1, 1997. Under this provision, the eligible members may purchase up to five years of service credit by paying both employee and employer contributions in an amount and manner determined by the SDCERS Board to make the Retirement System whole for such time. In addition, eligible members retiring on or after January 1, 1997, may purchase probationary periods, Military and Veterans Code leaves, waiting periods for the 1981 Pension Plan, actual time worked hourly or part-time, SLOWP occurring prior to January 1, 1997, the difference in time between part time and full-time prior to January 1, 1997, LTD, Vocational Rehabilitation Maintenance and Temporary Total Disability, FMLA periods, special leaves of absence with job to be saved periods, and any period preceding reinstatement by the Civil Service Commission following a termination appeal.
- c. DROP is established effective April 1, 1997. DROP provides an alternative form of benefit accrual while allowing an eligible Member to continue working for City. During the DROP period, a DROP participant retains all rights, privileges and benefits of being an active City employee, except as specifically modified in Chapter 2, Article 4, Division 14 of the Municipal Code, and is subject to the same terms and conditions of employment including disciplinary actions up to and including termination. The Member continues to be eligible for the active employee Flex Benefits Plan for the classification and is not eligible for "Retiree" Health Benefits until such time as the Member

completes or terminates the DROP period. Under DROP, a monthly service retirement allowance along with any COLA increases, Supplemental Benefit checks and any adjustments to such payments applicable to retirements effective on the date the Member entered DROP, are credited to the Member's DROP Account in the SDCERS Trust Fund. These SDCERS benefits are calculated as if the Member were retiring on the date the Member enters the DROP. The Member's contributions to the Retirement System cease. The Member and City each contribute 3.05% of the Member's Base Compensation, as defined in Municipal Code section 24.0103, each pay period that the Member participates in the DROP. The Member's contribution is made on a pre-tax basis pursuant to IRC section 414(h)(2). These employee and employer contributions are credited to the Member's DROP Account and are distributed to the DROP participant upon termination of employment. No withdrawals may be made from the DROP account until the Member terminates City employment. Interest is credited to the Member's DROP Account at a rate determined by the SDCERS Board. The Member is 100% vested in their DROP Account at all times.

1. A DROP participant who becomes disabled may apply for conversion of their deferred retirement allowance to a disability retirement allowance calculated at the date of entry into DROP, and the employee shall retain all of the DROP and matching contributions. A Member who participates in DROP irrevocably designates a specific consecutive period of months for participation, not to exceed sixty months. The Member must terminate City service at the end of the designated period.
 2. After the Member terminates City employment, the DROP account will be distributed as a lump sum, or in any other manner permitted by the IRS.
- d. For retirements effective on or after January 1, 1997, the 50% continuance is available to the spouse to whom the Member was married on the date of retirement. The requirement that the Member be married to their spouse at least one year prior to retirement for the spouse to receive the 50% continuance is eliminated.
 - e. The surviving spouse of a Member who is killed while in the performance of duty is entitled to continued health coverage as provided in California Labor Code section 4856.
 - f. The modified special death benefit provided to the surviving spouse of a Member killed in the line of duty is amended to eliminate the requirement that the benefit be discontinued if the spouse remarries. Any benefit terminated to such spouse as a result of remarriage shall be reinstated effective January 1, 1997.
 - g. A retirement allowance cap of 90% of Final Compensation, as defined in Municipal Code section 24.0103, is established for eligible Fire Safety Members.

- h. This paragraph has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU. City and Local 145 agree to jointly support a request to the SDCERS Board to pay 0.49% of the employee's contribution from SDCERS' undistributed earnings effective July 1, 1998. This 0.49% represents a portion of the increase in employee's contribution scheduled to go into effect July 1, 1998, as a result of benefit improvements, which were implemented January 1, 1997.

8. 2000 Retirement Benefit Changes

City and Local 145, having met and conferred, and having participated in the settlement of a class action lawsuit challenging the calculation of "compensation earnable" have agreed to benefit changes to SDCERS. The benefit changes resulting from this class action settlement were approved by the SDCERS active and retired membership in June 2000.

a. Formula Change for Calculation of SDCERS Monthly Retirement Benefit

The Retirement Calculation Factor to be applied to the Fire Safety Member's Final Compensation, as defined in Municipal Code section 24.0103, at specified ages may be increased from the current levels to those shown below for all retirements effective on or after July 1, 2000 if the Fire Safety Member selects this option.

Retirement Age	Retirement Calculation Factor Effective 1/1/1997 – 6/30/2000 [Current]	Retirement Calculation Factor Effective 7/1/2000 [New]
50	2.50%	3.00%
51	2.60%	3.00%
52	2.70%	3.00%
53	2.80%	3.00%
54	2.90%	3.00%
55+	2.9999%	3.00%

b. Member Option.

Pursuant to the class action settlement, a Member may choose, upon application for retirement, one of the following two options:

1. The Retirement Calculation Factor in effect on July 1, 2000, with no change in the Fire Safety Member's Final Compensation; OR
2. A 10% increase in the Fire Safety Member's Final Compensation, with the Fire Safety Member's Unmodified Service Retirement Allowance calculated using the Retirement Calculation Factor in effect on June 30, 2000.

- c. This election must be made with SDCERS at the time of application for retirement.

d. Fire Safety Member's SDCERS Contribution Rate Change

This paragraph has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU.

1. On July 1, 2001, Fire Safety Members' contribution rates to SDCERS will be increased by 0.53%.
2. Effective July 1, 2000, Fire Safety Members' Contribution rates will increase by an additional 0.16% to pay for the cost of providing the choice of Retirement Calculation Factors described above. The additional 0.16% increase will be paid from the Employee Benefit Reserve described in Municipal Code section 24.1507 until the Reserve is exhausted.

e. Eligibility for Industrial Disability Retirement Change

A Fire Safety Member may be eligible for an industrial disability retirement if it has been medically determined that the Fire Safety Member has become psychologically or mentally incapable of performing their normal and customary duties as a result of a violent attack on the Member with deadly force, such as a shooting or stabbing that causes great bodily injury, and that resulted in a nervous or mental disorder. The violent attack must occur on or after July 1, 2002, and such application for industrial disability retirement must be submitted before July 1, 2005. This provision shall sunset on June 30, 2005, and no such applications may be made after that date.

9. 2002 Benefit Changes

a. Change of Retirement Calculation Factors for City GENERAL Members

1. The Retirement Calculation Factors used to calculate a General Member's Allowance will increase to the levels shown below ("New Factors") for all retirements effective on or after July 1, 2002, unless the General Member elects, before retirement, to have their Allowance calculated using the Old Factors (2% at age 55, etc., with 10% added to the Member's Final Compensation) or the Corbett Factors (2.25% at age 55, etc.). The New Factors will apply to all City employees who join the Retirement System after June 30, 2002, and their Allowances will be capped at 90%. The 90% cap will also apply to: (1) General Members who joined the Retirement System on or before June 30, 2002, except as provided below, and (2) General Members who participated in the Retirement System on or before June 30, 2002, who left City employment but are rehired by City on or after July 1, 2002.

Retirement Age	Benefit
55-59	2.50%
60	2.55%
61	2.60%
62	2.65%

63	2.70%
64	2.75%
65+	2.80*

2. Any General Member whose Allowance as of July 1, 2002 is 90% or more using the New Factors may continue to accrue benefits above the 90% cap until December 31, 2002. The General Member's Allowance will be capped at that time.
 - a. Any General Member who joined the Retirement System before July 1, 2002 may continue to accrue benefits above the 90% cap using either the Old Factors or the Corbett Factors. If the Member selects one of these options, the Member's Allowance will not be capped, and the Retirement System will refund to the Member, at retirement, any excess contributions the Member made to fund the New Factors.
 - b. Any General Member who joined the Retirement System before July 1, 2002, and reaches the 90% cap by choosing the New Factors, may continue to accrue benefits above the 90% cap until December 31, 2002, at which time the Member's Retirement Calculation Factor and Creditable Service are capped; the Member's Final Compensation is not capped. On January 1, 2003, the Member must choose one of the following options:
 - i. If the Member is eligible for a service retirement on January 1, 2003, they may:
 - (i) Continue working and contributing to the Retirement System,
 - (ii) Enter DROP, or
 - (iii) Retire.
 - c. A General Member may exceed the 90% cap if the Member:
 - i. Applied to purchase creditable service on or before June 5, 2002, and thereafter signed the contract to purchase that time,
 - ii. Was hired at age 24 or younger, and
 - iii. Will exceed the 90% cap because of the Creditable Service they applied to purchase on or before June 5, 2002. The Member may not exceed the cap by creditable service that they applied to purchase after June 5, 2002.

d. When a Member who meets the conditions of paragraph 3 first becomes eligible for a service retirement, their Retirement Calculation Factor and years of creditable service will be capped at that time, even if the Member continues to work and contribute to the Retirement System. The Member's Final Compensation will not be capped. When eligible to retire, the Member may:

- i. Continue working and contributing to the Retirement System,
- ii. Enter DROP; or
- iii. Retire.

b. GENERAL Members SDCERS Contribution Rate Change

This paragraph has been left in the MOU for historical purposes only and has no force and effect during the term of this MOU.

On December 20, 2003, General Members' contribution rates to SDCERS will be increased by an approximate additional 0.53%.

c. Annual Leave Conversion

1. During the meet and confer between City and Local 145 for Fiscal Year 2009, the Parties met and conferred in good faith and reached a tentative agreement on April 11, 2008. During this meet and confer, the Parties did not discuss any changes to the below section of the Operating Procedures. It provided as follows:

Employees in the Bargaining Unit will no longer be eligible to exercise any cash out feature of annual leave accrued from July 1, 2002 prospectively. Since employees cannot cash out post-July 1, 2002 annual leave, employees who have balances of post-July 1, 2002 annual leave at the end of their DROP period, will be permitted to extend the DROP period beyond the five-year maximum by that amount of post-July 1, 2002 annual leave not converted to service credit prior to entering DROP. Specific procedures for implementing this benefit will be subject to IRS rules, as interpreted by the City Attorney's Office.

2. On April 21, 2008, the City Council approved the tentative agreement for Fiscal Year 2009 subject to the final MOU returning to the City Council for ratification on a future date. On April 1, 2008, the City Council passed an ordinance amending the Municipal Code to require a lump sum payment for the purchase of San Diego City Employees Retirement System service credit and prohibiting the practice of purchasing service credit with annual leave. SDCERS has not allowed any member to purchase service credit with annual leave since April 1, 2009.

10. After July 1, 2008, Local 145 shall have the right to notice City in writing of the intent to implement a medical expense reimbursement plan to provide a tax-favored benefit to retirees in accordance with the Plan's Trust document. Local 145 notice shall specify the proposed date of implementation, which shall be no earlier than July 1, 2008. The notice shall include a copy of the trust document and other pertinent operational documents that are sufficient for City to determine compliance with IRS regulations. It is understood that the trust shall be established, governed and administered by the trust and Local 145. City shall not be responsible for the trust and appropriate hold harmless and indemnity provisions shall be endorsed by Local 145 prior to implementation. Once City has approved the trust, City agrees to implement payroll withholding from all employees in the Bargaining Unit in an amount designated by the trust and approved by Local 145 for deposit to the trust. Local 145 will not authorize payroll withholding from employees on a unit wide mandatory basis that has not been approved by Local 145 membership in the Bargaining Unit covered by this MOU. Membership approval shall be determined by a majority of ballots cast following the notice of election.
 - a. City shall fund an amount not to exceed \$80,000, as and for the purpose of formation of the trust. The maximum \$80,000 City-funding shall be utilized only for the initial formation of the trust and shall not be a recurring City-funded expenditure. The "formation" process for which the maximum City-funded amount of \$80,000 is applicable, shall terminate when the trust is lawfully empowered to accept employee deposits.
 - b. Under no circumstance shall City be required to participate in administration of the trust or in funding any expenses of or deposits to the trust, other than the amount described above, which shall be used solely for trust formation.

11. City Initiation of Retirement-Related Litigation

- a. It has been, and continues to be, the position of the City that the above described DROP and service credit purchase provisions are not vested benefits and are therefore subject to modification without compliance with the strict rules governing modification of vested retirement benefits. Local 145 disagrees. Therefore, the Parties acknowledge that during the term of this agreement, City shall initiate a declaratory relief and/or other civil causes of action as in City's the sole determination are deemed appropriate by which to secure a determination as to any or all of the following issues:
 1. Are the above- described Deferred Retirement Option Plan (DROP) and/or any and all MOU/Code provisions allowing for the purchase of service credit for retirement benefit calculation purposes, "vested" benefits.
 2. Can the purchased service credits be utilized to determine vesting into the Retirement System.

3. Are benefits subject to modification pursuant to any and all provisions of the Charter or other applicable rules and regulations.
 4. And/or what, if any, conditions precedent exist to the implementation of City-initiated steps by which to modify and/or eliminate DROP and/or service credits.
- b. Although Local 145 reserves its rights to plead any and all substantive defenses which it deems appropriate as to such future litigation, Local 145 shall not take a position to the effect that initiation of such future litigation is barred.
12. During the term of this MOU, if any provision regarding the level of pension benefits, pension contributions, or the availability of a defined benefit pension plan is invalidated by court order or by an amendment to the California Constitution, the reductions in the offset contained in Article 23 of this MOU will immediately sunset and revert back to the level of offset in effect on June 30, 2005, and the Parties will reopen negotiations on pension issues.

13. Retiree Health Benefits

Notwithstanding any provision in this MOU to the contrary, the retiree health benefits for employees who retire on or after April 1, 2012 are determined by the City's MOU (including amendment with Local 145), which the City Council adopted by San Diego Ordinance O-20131 (February 17, 2012) and amended by San Diego Ordinance O-20171 (June 26, 2012).

- a. The following language in paragraph 9.d.(2) has been left in the MOU for historical purposes only. City and Local 145, having met and conferred, have agreed to benefit improvements to the Retirement System for Health Eligible Retirees.
- b. Effective July 1, 2002, a Health Eligible Retiree, as defined in the Municipal Code, will have the applicable Medicare eligible or Non-Medicare eligible insurance premiums paid for the Health Eligible Retiree-only insurance, or the Health Eligible Retiree will be reimbursed the actual cost incurred from the Medicare eligible or non-Medicare eligible retiree-only premium up to the maximum amount allowed in Municipal Code Division 12. Municipal Code Division 12 will be amended to set the maximum amounts to be paid on behalf of or reimbursed to a Health Eligible Retiree for retiree-only Medicare eligible or non-Medicare eligible health insurance premiums based on the premium for City-sponsored PPO plan for Fiscal Year 2003 and annually adjusted thereafter based on the Centers for Medicare & Medicaid Services, Office of the Actuary, projected increase for National Health Expenditures for the full year period ending in the January preceding the start of the new plan year; such adjustment shall not exceed 10 percent of such Medicare-eligible or non-Medicare eligible retiree-only premium. Pursuant to this provision the based monthly maximums are established for Fiscal Year 2003 as follows:

1. For non-Medicare eligible retirees: \$489.16

2. For Medicare eligible retirees: \$460.67

14. New Retirement Factor Computation for Safety Members hired on or after January 1, 2012 but before July 20, 2012, as Fire Fighters of the City Fire-Rescue Department

A Safety Member, who is employed as a Fire Fighter of the City Fire-Rescue Department and is hired by City on or after January 1, 2012, but before July 20, 2012, will have a Retirement Calculation Factor of 3% when the Safety Member reaches age 55 with at least ten years of Creditable Service. A Safety Member who is employed as a firefighter of the City Fire-Rescue Department and is hired by City on or after January 1, 2012, will have the option to retire at the age of 50 after twenty years of Creditable Service with a proportionately reduced Unmodified Service Retirement Allowance, as follows:

Retirement Calculation Factor is 2.5% at age fifty; 2.6% at age 51; 2.7% at age 52; 2.8% at age 53; 2.9% at age 54; and 3.0% at age 55. For purposes of determining retirement allowance for these Safety Members, "Final Compensation" will be defined as the average of the Safety Member's three highest years of Base Compensation at any time during their Membership in the System. Limiting the Defined Benefit Plan to employees hired before July 20, 2012 is subject to the reopener provisions on Proposition B in Article 31, Section E.

15. Retirement Benefits for Employees Initially Hired on or After July 20, 2012

On October 1, 2012, the City Council approved an agreement between the City and Local 145 on the terms of an interim defined contribution plan under San Diego Charter sections 140 and 150 for employees initially hired on or after July 20, 2012 who are ineligible for the City's defined benefit plan. ARTICLE 25:

Grievance Procedure

A. Definitions.

1. A grievance is a claim or charge of misunderstanding, or difference in interpretation, or violation of provisions of the Civil Service Rules, the Personnel Manual, this MOU, or Management policies or regulations, including, but not limited to, Administrative and Departmental Regulations which affect wages, hours, or other terms and conditions of employment.
2. Actions which are covered in the Management Rights Article of this MOU are not grievable, but this does not preclude employees or their representatives from consulting with Management about the practical consequences actions

taken pursuant to the Management Rights Article may have on wages, hours, and other terms and conditions of employment. In addition, actions covered by another appeals process as described in the Civil Service Rules, Personnel Manual, or this MOU are not grievable and cannot be processed through this grievance procedure.

3. Wherever applicable, in this MOU, the term “working days” means the actual work days of the employee who filed the grievance. In grievances filed by Local 145 on behalf of a group of its members, “working days” means calendar days, excluding Saturdays, Sundays, and recognized City holidays. For 56-hour employees, each working shift constitutes two “working days” for the purpose of determining time limits for this grievance procedure.
4. If the grievance system is abused by an unreasonable number of submittals by one individual or group designed to thwart orderly processing, or if the grievances are patently irrelevant or incomprehensible, they will be rejected as “non-grievable” and returned to the grievant.

B. Policy.

1. Employees have the right to file grievances without jeopardizing their positions.
2. Employees may represent themselves or select whomever they wish to represent them at any or all steps in the grievance procedure.
 - a. The employee has the right to the assistance of a Local 145 representative in the investigation, preparation, and presentation of a written grievance.
 - b. Employees may have no more than one City employee and one non-City employee as representatives for grievance hearings.
 - c. Battalion Chiefs and Fire Captains may not represent Fire Fighters and Fire Engineers. Battalion Chiefs may not represent Fire Captains. Members of the Board of Directors may represent employees in all Fire classifications in grievances.
3. If an employee chooses to have representation on any formal grievance concerning a matter that directly involves the interpretation or application of the specific terms and provisions of this MOU, the representation must come from Local 145.
4. The employee’s or Local 145’s first contact regarding job and working conditions is with their immediate supervisor who shall attempt to settle grievances informally at this level.
5. A grievance will normally be presented and processed on City time, and a grievant attending a grievance meeting on their own behalf on City time will not lose pay. In scheduling the time, place, and duration of any grievance meeting, the employee, a steward and Management will give due consideration to all the participant’s responsibilities in the essential operations of the Department. However, the final decision for scheduling hearings rests solely with Management. No overtime pay will be given to the

grievant. Representatives, witnesses, or other participants will receive overtime pay if ordered to be present by the Appointing Authority at a time outside their normal work hours.

6. Waivers and Time Limits.

- a. Failure by Management to reply to the employee's grievance within the time limits specified in this Article automatically processes the grievance to the next level. An automatic referral to the next level shall not be construed as removing the responsibility of Management at the next level from hearing the grievance and responding within applicable time limits, if it is within the authority of that level to settle the grievance.
- b. Any level of review, or any time limits established in this procedure, may be waived or extended for good cause and only by mutual agreement confirmed in writing.
- c. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
- d. By mutual agreement, the grievance may revert to a prior level for reconsideration.
- e. If a grievant fails to appear for a scheduled grievance meeting, the failure to appear without an approved excuse by the Appointing Authority shall entitle Management to decide on the grievance without the presence of the grievant, or to schedule another meeting at that level (in which case the time requirements for hearing and decision are automatically waived). Failure to appear at two meetings on the same grievance without an approved excuse automatically terminates the grievance and it is deemed denied. The grievance shall not be subject to further appeal or reconsideration.
- f. When a grievant is on approved leave the time limits established in this procedure shall be suspended for the period of the leave.
- g. No grievance shall be finally dismissed for an unexcused failure to appear at a scheduled hearing unless the grievant had been given twenty-four hours advance notice of the hearing.

7. Local 145 agrees to pursue all claims of violation of this MOU through the grievance procedure. Resort to other remedies shall not be pursued until all steps of the grievance procedure have been exhausted.

8. Management shall provide Local 145 with copies of all grievances regarding this MOU filed by employees within the Local 145 Bargaining Unit, who choose to represent themselves.

C. Procedures.

1. General.

- a. Management of the Department (i.e., Captains and higher ranking officers) has the responsibility to inform an employee of any limitation of a given level of Management's authority to fully resolve the grievance. In this regard, Management shall:
 1. Determine, at any time during the processing of a grievance, if the grievance requires modification or interpretation of Civil Service Rules or Personnel Manual provisions and forward the grievance immediately to the Personnel Director for resolution or referral to the Civil Service Commission.
 2. Supply the employee with the necessary and relevant information to process the grievance at the proper step in the process.
 3. Advise an employee when any matter under submission is determined by Management to be not grievable according to the definitions in Section A. The "grievance" paperwork submitted by the employee shall be returned to the employee along with a memorandum explaining why the matter is not grievable and what alternative procedures, if any, the employee may follow to process their complaint.
- b. When a group of identical grievances develop, only one grievance form shall be submitted. The grievants may select not more than two spokespersons who will be their representative "grievants." The acceptance of a decision by the spokespersons at any step (or final decision if the grievance moves to Step 5) will be binding on all Parties.
- c. A grievance shall be recognized if it is brought to the attention of the immediate supervisor either informally or formally within ten working days, as defined in section A.3.
- d. If the grievance is between the employee and their immediate supervisor, the Step 1 may be to the employee's next higher-level supervisor.
- e. If Local 145 wishes to process a grievance on behalf of a class of represented employees which will require resolution by the Fire Chief, it may submit the grievance directly to the Fire Chief or their designee, pursuant to Step 4 of this grievance procedure. Thereafter, should this grievance not be resolved, the remaining steps of this grievance procedure may be implemented by Local 145. However, Local 145 shall meet with the Chief to discuss the matter prior to submitting the matter as a formal grievance.
- f. To be recognized, a grievance must state which policy, rule, regulation, is involved in the matter and the nature of the remedy sought by the employee or Local 145.

2. Steps.

- a. Step 1: At the employee's or Local 145's sole option, grievances may be presented to the supervisor either orally or in writing. If the complaint is presented orally, the procedure is informal and may be settled by an oral answer given within five working days. If the grievance is presented in writing, the procedure is formal, and the answer must be given in writing within five working days after submission.
- b. Step 2: If the grievance cannot be resolved at Step 1, the employee or Local 145 may present the complaint in writing to the second-level supervisor (if not done at Step 1) within five working days of receipt of the Step 1 response. Within ten working days of the receipt of the grievance by a second-level supervisor, a hearing shall be held. The Management representative shall give a written decision to the employee and the Local 145 representative.
- c. Step 3: If the grievance is not resolved at Step 2, the employee or Local 145 may submit the grievance to the Division Head within five working days of receipt of Management's written decision. Within ten working days of the receipt of the grievance, a hearing shall be held and the Department Head shall give a written decision to the employee and Local 145 representative.
- d. Step 4: If the grievance is not resolved in Step 3, the employee or Local 145 may present the grievance to the Department Head within five working days of receipt of Management's written decision. Within ten working days of the receipt of the grievance, a hearing shall be held and the Department Head or their designee shall give a written decision to the employee and Local 145 representative. In non-managerial departments this shall constitute the final resolution of a grievance involving Management policy or regulations.
- e. Step 5: Final Resolution of Grievance: If the grievance is still in dispute after Step 4, the employee or Local 145 may request a further hearing by submitting the grievance to Management within five working days of receipt of Management's written decision. Management will determine whether the hearing will take place before the Civil Service Commission, on matters over which the Commission has authority, or before the Mayor or their designee. If it is determined that the hearing should be held before the Civil Service Commission, a fact-finding hearing to define the issues in the grievance will be held by the Personnel Director with the employee and/or Local 145, prior to the date set for the Commission hearing. The grievance may be settled during the fact-finding hearing if a mutually acceptable solution is developed. Within 30 working days, a hearing shall be held and the written decision issued. The employee or Local 145 may only request a hearing before the Civil Service Commission on matters solely involving Civil Service Rules or the Personnel Manual.
- f. Step 6: Grievances arising out of a disagreement on interpretation or application of this MOU shall follow Citywide grievance procedure. Local 145 may formally request to continue the grievance not later than

ten working days following receipt of the answer from Step 5 of the grievance procedure by serving written notice upon Management. Management will refer the grievance to the City Council for hearing and decision.

- g. The City Council shall have one year from the date that Local 145 serves written notice on Management of its desire to have the grievance heard before the City Council, within which to calendar the grievance for hearing. If the City Council does not calendar the matter for consideration within the one-year period, then the grievance shall be considered granted.

ARTICLE 26: Implementation

This MOU constitutes a mutual recommendation to be jointly submitted to the San Diego City Council (City Council) and/or Civil Service Commission (Civil Service Commission or Commission). It is agreed that this MOU shall be binding upon the Parties upon:

- A. The tentative agreement shall be submitted to the City Council and the membership of Local 145 for their action as soon as possible after agreement has been reached by the Management Team and Local 145 negotiating team.
- B. The members of Local 145 act, by majority vote, formally to approve and adopt the successor MOU, no later than **April 30, 2024**. Local 145 shall notify Management of the result of the Local 145 vote no later than **May 3, 2024**.
- C. The City Council and Civil Service Commission act, by majority vote, to formally approve and adopt these Articles within their respective jurisdictions.
- D. City shall act as soon as possible to make the necessary changes in ordinances, resolutions, rules, policies, and procedures to conform to this MOU. All such changes shall be submitted to Local 145 prior to their submittal for implementation to ensure that the proposed changes are consistent with this MOU.

ARTICLE 27: Term

This MOU begins at 12:01 a.m. on July 1, **2022**. This MOU expires and is terminated at 11:59 p.m. on June 30, **2024**.

ARTICLE 28: Leave Programs

- A. The maximum accumulation of annual leave for employees hired before July 1, 1994 with 15 or more years of service is 980 hours. The maximum accumulation of annual leave for employees hired before July 1, 1994 with less than 15 years of service is 840 hours. The maximum accumulation of annual leave for employees hired on or after July 1, 1994 and before July 1, 2016 is 552 hours. The maximum accumulation of annual leave for employees hired on or after July 1, 2016 who regularly work

administrative schedules of 40-hour workweeks is 395. The maximum accumulation of annual leave for employees hired on or after July 1, 2016 who regularly work suppression schedules of 56-hour workweeks is 552.

- B. Effective the first full pay period following July 1, 2016 and continuing at the same time each fiscal year thereafter, the City will process a mandatory payment-in-lieu of annual leave for employees who have not reduced their accrued annual leave balances below the maximum accumulation amounts set forth in Paragraph A of this Article, as follows:
 - 1. If an employee has more than 1,000 hours of annual leave accrued and unused on the last day of the first full pay period following July 1 of each fiscal year, the City will process a mandatory payment-in-lieu of 175 hours.
 - 2. If an employee has more than 2,000 hours of annual leave accrued and unused on the last day of the first full pay period following July 1 of each fiscal year, the City will process a mandatory payment-in-lieu of 350 hours.
 - 3. If an employee has more than 3,000 hours of annual leave accrued and unused on the last day of the first full pay period following July 1 of each fiscal year, the City will process a mandatory payment-in-lieu of 525 hours.
- C. Prior to January 1, 2019, if an employee, who has not entered DROP, has earned and unused annual leave over the maximum accumulation of annual leave amounts set forth in Paragraph A of this Article, the employee may elect to receive voluntary payment-in-lieu of annual leave for any hours above the maximum accumulation amounts.
- D. Effective January 1, 2019, employees, who have not entered DROP and who have 160 hours or more of accrued annual leave, may elect to receive a maximum voluntary payment-in-lieu of 125 hours per fiscal year for employees with regular work schedules of 40 hours per week and 175 hours per fiscal year for employees with regular work schedules of 56 hours per week. Voluntary payment-in-lieu of annual leave will be administered in accordance with agreed-upon and approved procedures intended to comply with Internal Revenue Service regulations related to constructive receipt of income.
- E. Effective July 1, 2019, for Fiscal Year 2020, employees who have not reduced their annual leave balances below the maximum accumulation amounts set forth in Paragraph A of this Article by July 1, 2019 will cease to accrue annual leave as of that date until their accrued annual leave falls below their maximum accumulation amount.
- F. Effective June 30, 2020, for Fiscal Year 2021 and thereafter, employees who have not reduced their annual leave balances below the maximum accumulation amounts set forth in Paragraph A of this Article by their City anniversary date cease to accrue annual leave. However, employees, who have not entered DROP and expect to be in this situation, may submit a written plan by which to reduce excess annual leave by taking specified time off. If the Appointing Authority denies the specific request for time off and provides no alternative time off which is acceptable to the employee, the cease-to-accrue provision will not apply until the employee is granted and takes the time off. It is the City's intent to accommodate employees' requests to use annual leave and avoid any loss of this benefit.

- G. Employees in DROP may notify the City of their intent to extend their DROP period by the amount of accrued, unused annual leave, in accordance with the rules on DROP set forth in Article 4, Division 14 of the San Diego Municipal Code. Any annual leave used to extend an employee's DROP period will not count towards the cease-to-accrue provisions.
- H. Employees in DROP no longer have access to voluntary payment-in-lieu of annual leave and must use their annual leave for time off. However, employees in DROP with unused annual leave remaining at the end of their five-year DROP period may extend their DROP period by the amount of accrued, unused annual leave, in accordance with the rules set forth in Article 4, Division 14 of the San Diego Municipal Code. If an employee in DROP separates from City service prior to the end of the five-year DROP period, the City will cash out the employee's accrued, unused annual leave at the employee's separation or retirement. If an employee extends the DROP period by accrued, unused annual leave, the City will cash out any annual leave earned during the DROP extension period upon the employee's retirement.
- I. Payment In-Lieu of Annual Leave
 - 1. Effective for all calendar years beginning on and after January 1, 2019, employees may convert up to 125 hours of annual leave, adjusted to 175 hours for 56-hour workers, to cash as pay-in-lieu each calendar year, subject to the following rules:
 - a. If an employee fails to elect by December 31st of the preceding calendar year to receive any of the annual leave hours they will earn in the following calendar year as pay-in-lieu, their annual leave will accrue in accordance with the applicable Personnel Regulation, Index Code I-2.
 - b. If an employee irrevocably elects by December 31st of the preceding calendar year to receive a portion of the annual leave hours they will earn in the following calendar year, not to exceed 125 hours total, adjusted to 175 hours for 56-hour workers, for the calendar year, as pay-in-lieu, the City will create an account where the employee's designated pay-in-lieu accruals will be credited. This account will be referred to as a "pay-in-lieu bucket" ("PIL Bucket") and will be kept separate from the employee's annual leave accrual account or "annual leave bucket" ("AL Bucket"). The employee's election must designate the amount of their annual leave being earned each pay period which they wish to have credited to the PIL Bucket; this designation may be stated as an even percentage (e.g., 10%, 20%, 30%, 40%, etc.) of the leave earned during each pay period up to 100%. Starting with the first pay period of the calendar year, the PIL Bucket will be credited with the designated amount of the employee's annual leave each pay period until the employee's full election amount is reached, not to exceed 125 hours, adjusted to 175 hours for 56-hour workers. Any annual leave being earned in a pay period which is not credited to the employee's PIL Bucket will be credited to the employee's AL Bucket. The balance available in the employee's PIL Bucket, if any, will be specified on their timecard and paystub. In addition, the employee's anniversary date and AL cap will also be displayed on the employee's timecard.

- c. An employee must make an irrevocable election by December 31st of the preceding calendar year if the employee wishes to participate in the pay-in-lieu of annual leave program for the following calendar year. Elections will not carry over from one calendar year to the next calendar year. An employee who fails to elect by December 31st of the preceding calendar year to participate in the pay-in-lieu of annual leave program for the following year will be deemed to have elected not to participate and they will be prohibited from receiving any pay-in-lieu during that year except as, and only to the extent, permitted under Section 6.
 - d. At least 60 days in advance of this annual December 31st deadline, the City will provide employees with notice and an explanation regarding the need for an irrevocable election as well as the relevant form for making the election. At the same time, the City will remind employees of the citywide cap maximums and how the pay-in-lieu election affects that cap.
 - e. All pay-in-lieu hours which accumulate in the employee's PIL bucket must be paid out to the employee in the calendar year in which these hours are earned. Pay-outs will be either employee-initiated or City-initiated. An employee may make up to two requests during the calendar year for a payout from their PIL Bucket. The timing of either request is entirely up to the employee and payment will occur as designated on the City approved form. However, an employee cannot request the pay-out of any pay-in-lieu hours until those hours have been earned and accrued in their PIL bucket. Since no PIL hours may be carried over to the following year, the City will initiate a pay-out of all hours accrued in the employee's PIL Bucket no later than the final paycheck issued in the calendar year regardless of the number of pay periods in the calendar year and regardless of the number of hours.
- 2. When pay-in-lieu is cashed out, it will be paid based on the employee's rate of pay at the time it is paid. All pay-in-lieu pay-outs are taxable income, subject to all applicable withholdings and payroll deductions.
 - 3. Existing caps on the accrual of annual leave will remain in effect. However, any hours up to the 125-hour maximum, adjusted to 175 hours for 56-hour workers, which an employee allocates to their PIL bucket for the ensuing calendar year will not count toward the calculation of this cap.
 - 4. Effective for calendar years beginning on and after January 1, 2019, an employee's election with regard to pay-in-lieu shall be irrevocable except in the event of an unforeseeable financial emergency subject to the following rules:
 - a. In the event of an unforeseeable emergency, as defined in subsection b, an employee may apply to the Risk Management Department to receive pay-in-lieu of annual leave accrued on or after January 1, 2019, but limited to the amount that is reasonably necessary to satisfy the emergency need, including any amounts that may be necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated as a result of the cash out. If the Risk Management

Department approves an employee's application, the City will pay the employee the pay-in-lieu amount the Risk Management Department deems necessary to meet the emergency need.

- b. "Unforeseeable emergency" means a severe financial hardship of the employee resulting from an illness or accident of the employee, the employee's spouse, or the employee's dependent (as defined in Internal Revenue Code section 152, and, without regard to Internal Revenue Code sections 152(b)(1), (b)(2), and (d)(1)(B)); loss of the employee's property due to casualty (including the need to rebuild a home following damage to a home not otherwise covered by homeowner's insurance, such as damage that is the result of a natural disaster); or other similar extraordinary and unforeseeable circumstances arising as a direct result of events beyond the control of the employee. For example, the imminent foreclosure or eviction from the employee's home may constitute an unforeseeable emergency. In addition, the need to pay for medical expenses, including non-refundable deductibles, as well as the cost of prescription drug medication, may constitute an unforeseeable emergency. Finally, the need to pay for the funeral expenses of a spouse or dependent (as defined in Internal Revenue Code section 152, and without regard to Internal Revenue Code sections 152(b)(1), (b)(2), and (d)(1)(B)) of the employee may also constitute an unforeseeable emergency. Neither the purchase of a home nor the payment of college tuition is an unforeseeable emergency. Pay-in-lieu of annual leave on account of an unforeseeable emergency will not be paid to the extent that such an emergency is or may be relieved through reimbursement or compensation from insurance or otherwise, by liquidation of the employee's assets, to the extent liquidation of such assets would not itself cause severe financial hardship. For this purpose, an employee cannot receive any pay-in-lieu of annual leave on account of an unforeseeable emergency to the extent that they have unused amounts accrued in their PIL Bucket, if any.

J. Designation of Annual Leave Toward DROP Extension

- 1. Effective for all fiscal years beginning on and after July 1, 2019, eligible Local 145-represented employees who are officially approved by SDCERS as being in DROP, via the electronic communication to the City through the regularly scheduled PADE file, in accordance with the Chapter 2, Article 4, Division 14, §24.1402(b)(8) of the San Diego Municipal Code may designate annual leave toward DROP extension each fiscal year, subject to the following rules:
 - a. If an employee fails to designate by June 30th each year, any of the annual leave hours they will earn in the following fiscal year toward DROP extension, their annual leave will accrue in accordance with the applicable Personnel Regulation, Index Code I-2.
 - b. If an employee irrevocably designates by June 30th each year, a portion of the annual leave hours they will earn in the following fiscal year, the City will create an account where the eligible employee's designated annual leave accruals will be credited. This account will be referred to as a "DROP Extension bucket" ("DROP EXT Bucket") and will be kept

separate from the employee's annual leave accrual account or "annual leave bucket" ("AL Bucket"). The employee's election must designate for the following fiscal year the amount of their annual leave being earned each pay period which they wish to have credited to the DROP EXT Bucket; this designation may be stated as an even percentage (e.g. 10%, 20%, 30%, 40%, etc.) of the leave earned during each pay period up to 100%. Starting with the first pay period of the fiscal year, the DROP EXT Bucket will be credited with the designated amount of the employee's annual leave each pay period. Any annual leave being earned in a pay period which is not credited to the employee's DROP EXT Bucket will be credited to the employee's AL Bucket. The balance available in the employee's DROP EXT Bucket, if any, will be specified on their timecard.

- c. An employee must make an irrevocable designation by June 30th each year, if the employee wishes to designate annual leave toward their DROP EXT Bucket for the following fiscal year. Designation of annual leave will not carry over from one fiscal year to the next fiscal year. An employee who fails to designate hours by June 30th each year, toward DROP Extension for the following year will be deemed to have elected not to participate and they will be prohibited from designating any annual leave toward DROP Extension during that year.

K. Benefits While on Special Leave Without Pay (SLWOP)

1. All benefits will be coordinated and/or offset by benefits the employee receives under any other City program, including but not limited to Long Term Disability, and Family Medical Leave.
2. After one year on SLWOP, City may charge the employee a 2 percent administrative fee or offer continuation of benefits under COBRA.
3. Employees will not be eligible for City sponsored Supplemental Life Insurance while on SLWOP.

L. Military Leave

1. Employees who provide service in the "Uniformed Services," meaning the Armed Forces, the Army National Guard, and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency, are entitled to the rights and benefits provided by the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), codified at 38 U.S.C. sections 4301 through 4335, and as amended in the future.

These members are also entitled to the leaves of absence provided by the California Military and Veteran's Code, as stated in Civil Service Rule X, codified at San Diego Municipal Code section 23.1107, and Personnel Manual Index Code I-10, Military Leave. Specifically, employees who have been regularly employed by the City for one year or more immediately prior to

requested military leave will receive their regular City compensation during the military leave, but not to exceed 30 calendar days in any fiscal year. Calendar days are computed in the manner stated in the Personnel Regulations Index Code I-10.

2. Employees must give no less than 21 days of notice to their supervisors prior to the start of the requested military leave, unless there are exceptional circumstances beyond the control of the employee originating from the employee's military unit. If exceptional circumstances occur, employees must provide reasonable notification. Employees must submit Form CS-14-25A (Request for Leave of Absence) showing Military Leave.
3. Union members may use annual leave, compensatory time, or special leave without pay, in addition to military leave to provide military service.
4. If an employee is scheduled to work on a day of inactive duty training, City management will take all reasonable steps necessary to adjust the employee's schedule to facilitate the military leave.

M. Bereavement Leave

Paid Bereavement Leave totaling 60 hours **for employees assigned to a 56-hour work schedule and 40 hours for employees assigned to a 40-hour work schedule**, (regardless of the number of eligible deaths) is available to each full-time employee for use during each fiscal year of this MOU upon the death of the employee's spouse or state-registered domestic partner, parent (biological, step, adoptive, in-law), sibling (biological, step, foster, adopted), child (biological, step, foster, adopted, miscarried, stillborn), grandparent, and grandchild (biological, adopted), or for a member of the employee's regular and/or immediate crew in the case of a death while on duty. Bereavement leave is not authorized for a death that occurred before the employee's hire date with the City of San Diego. Bereavement leave must be taken within 12 months of the eligible death, not to exceed 60 hours **(56-hr schedule) or 40 hours (40-hr schedule)** total for any one eligible death. Unused bereavement leave during a fiscal year does not carry over to the next fiscal year. Proof of death (death certificate, obituary notice, funeral program, etc.) or proof of miscarriage/stillbirth (a note from a healthcare provider) must be submitted within 30 calendar days of when the employee returns to work. If such proof is not submitted within the specified timeframe, the bereavement leave will revert to available compensated leave, or unpaid leave, at the employee's discretion. The number of hours of Bereavement Leave is prorated for employees working three-quarter time (45/30 hours) and half-time time (30/20 hours).

N. Approved Unpaid Leave

The Department can grant so-called "Red A" leave, which is approved unpaid leave, at Management's sole discretion, per Personnel Manual Index Code I-7.

O. Modify Administration Manual Standard Instruction 6, VIII, Letter D by replacing existing language with:

1. Use of more than 12 consecutive shifts of leave (Trade, Holiday, Compensatory Time, Annual Leave or Annual Leave Trade) shall require approval through the employee's chain of command, to Shift Commander or Division Head.

Employees who wish to take leave in excess of the 12, 24-hour shifts shall write an FD-7 that details the reasons for the request, and the expected date of the employee's return to duty. Employees are required to maintain all appropriate licenses, permits, and training requirements during their approved shift exchanges and show proof of meeting all requirements upon their return to duty.

2. During the period of leave, TeleStaff access will be blocked for that employee, and reinstated upon their return to duty.
3. Employees who request the use of leave in anticipation of retirement shall state that as the reason for their request, and, if the leave is granted, the employee shall be required to:
 - a. Relinquish their Station assignment
 - b. Relinquish Station bidding privileges turn in all Department issued PPE, Identification and equipment as if the employee's separation from service was complete
 - c. Lose TeleStaff access and privileges

P. If use of annual leave would require absence on a management-designated "restricted day," the leave shall only be granted as an annual leave trade.

Q. Paid Sick Leave for Hourly Employees

1. This Article applies to hourly employees, regardless of classification, who receive no paid annual leave or other paid leave. The City intends to provide these employees with a paid sick leave benefit, consistent with the paid sick leave benefit provided by the State of California Assembly Bill 1522 (AB 1522), which enacted the Healthy Workplaces, Health Families Act of 2014, set forth in California Labor Code sections 245 through 249, and codified in SDMC section 23.1112. These employees, referred to as Eligible Employees in this Article, are entitled to Earned Sick Leave codified in SDMC 39.0101 through 39.0106. Eligible Employees who receive Earned Sick Leave will not receive additional leave under AB 1522, provided the Earned Sick Leave satisfies the requirements of AB 1522. This paid sick leave benefit for Eligible Employees will be referred to in this Article as "Paid Sick Leave for Hourly Employees" or "Paid Sick Leave."
2. Eligible Employees will accrue Paid Sick Leave at a rate of one hour for every 30 hours worked, up to a maximum accrual of 80 hours.
3. Eligible Employees begin accruing Paid Sick Leave at the commencement of employment, or on July 11, 2016, whichever is later, but may not use the accrued leave until the 90th calendar day following commencement of employment. After the 90th calendar day of employment, an Eligible Employee, may use Paid Sick Leave as it is accrued, up to the maximum number of hours set forth in paragraph E below.
4. Under this Article, the 12-month period in which an Eligible Employee may accrue and use Paid Sick Leave is defined as the City's fiscal year.

5. Upon the Eligible Employee's verbal or written request, they may use up to 40 hours of Paid Sick Leave in any fiscal year for any of the following reasons:
- a. Diagnosis, care, or treatment of an existing health condition of, or preventative care for, the Eligible Employee or Family Member.
 - b. If the Eligible Employee is a victim of domestic violence, sexual assault, or stalking, taking time off from work to appear in court to comply with a subpoena or other court order as a witness in any judicial proceeding; obtain or attempt to obtain any relief, including a temporary restraining order, restraining order, or other injunctive relief to help ensure the health, safety, or welfare of the employee or their child; seek medical attention for injuries caused by domestic violence, sexual assault, or stalking; obtain services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking; obtain psychological counseling services related to an experience of domestic violence, sexual assault, or stalking, or participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.
 - c. The Eligible Employee is physically or mentally unable to perform their duties due to illness, injury, or a medical condition of the Eligible Employee.
 - d. The Eligible Employee's absence is for the purpose of obtaining professional diagnosis or treatment for a medical condition of the Eligible Employee.
 - e. The Eligible Employee's absence is for other medical reasons of the Eligible Employee, such as pregnancy or obtaining a physical examination.
 - f. The Eligible Employee is providing care or assistance to a Family Member, with an illness, injury, or medical condition, including assistance in obtaining professional diagnosis or treatment of a medical condition.
 - g. The Eligible Employee's absence is for the Eligible Employee's use of Safe Time. (Safe Time means time away from work that is necessary due to Domestic Violence, Sexual Assault, or Stalking, provided the time is used to allow the Eligible Employee to obtain for the Eligible Employee or the Eligible Employee's Family Member one or more of the following:
 - i. Medical attention needed to recover from physical or psychological injury or disability caused by Domestic Violence, Sexual Assault, or Stalking;
 - ii. Services from a victim services organization;
 - iii. Psychological or other counseling;

- iv. Relocation due to the Domestic Violence, Sexual Assault, or Stalking; or
 - v. Legal services, including preparing for or participating in any civil or criminal legal proceeding related to or resulting from the Domestic Violence, Sexual Assault, or Stalking.)
 - h. The Eligible Employee's place of business is closed by order of a public official due to a Public Health Emergency. (Public Health Emergency means a state of emergency declared by any public official with the authority to do so, including officials with the City, the County of San Diego, the State of California, or the United States government.)
 - i. The Eligible Employee is providing care or assistance to a Child, whose school or child care provider is closed by order of a public official due to a Public Health Emergency.
6. Under this Article, Family Member means the Eligible Employee's Child (biological, adopted, or foster child, stepchild, legal ward, child of spouse, child of domestic partner, or child of Eligible Employee standings in *loco parentis* regardless of age or dependency status of the child), spouse, registered domestic partner, grandparent, grandchild, sibling, parent (biological, adoptive, or foster parent, stepparent, or parent of spouse or domestic partner), or legal guardian of the Eligible Employee or the Eligible Employee's spouse or registered domestic partner, or a person who stood in *loco parentis* when the Eligible Employee was a minor child.
 7. The City may require Eligible Employees to provide documentation substantiating the facts justifying the use of Paid Sick Leave, to the extent permitted by California law.
 8. Paid Sick Leave will be paid at the Eligible Employee's current hourly pay rate for regular work hours at the time the leave is taken. If an Eligible Employee, in the 90 days of employment before using accrued Paid Sick Leave, had different hourly pay rates, then the Eligible Employee will be compensated at the highest hourly pay rate earned, not including overtime premium pay, during the prior 90 days of employment. The City will pay Eligible Employees for accrued, used Paid Sick Leave on the payday covering the payroll period when the leave was used.
 9. Eligible Employees must provide their supervisors with reasonable written or verbal advance notice of their request to use Paid Sick Leave when the need for the leave is foreseeable. If the need for the leave is unforeseeable, Eligible Employees must provide notice of the need as soon as practicable.
 10. Any unused, accrued Paid Sick Leave will carry over to the following fiscal year of employment, up to a maximum accrual of 80 hours.
 11. Eligible Employees may not cash out Paid Sick Leave at any time.
 12. If an Eligible Employee separates from employment with the City and is rehired within one year from the date of separation, the City will reinstate previously accrued and unused Paid Sick Leave. Eligible Employees may use

the previously accrued and unused Paid Sick Leave and accrue additional Paid Sick Leave immediately upon rehire, under the conditions set forth in this Article. If an Eligible Employee does not return to City service within one year from the date of separation, all accrued and unused Paid Sick Leave will be forfeited.

13. If an Eligible Employee moves into a position or status, which entitles them to paid annual leave, then the employee will no longer be an Eligible Employee under this Article. However, once in this new position or status, the employee does not forfeit but is entitled to use any unused Paid Sick Leave they accrued under this Article.
14. The Paid Sick Leave benefit under this Article accrues concurrently with any additional sick leave benefit authorized by the City or approved by voters in the future, meaning the accumulated leave amounts under this Article and any future ordinance will not be added together to create a more generous benefit, unless a future ordinance specifies otherwise.
15. This Article is not intended to waive any rights of Eligible Employees under local, state, or federal law.

R. Parental Leave

In accordance with A.R. 95.89, paid Parental Leave of up to 160 hours for employees assigned to a 40-hour work schedule, and up to 224 hours for employees assigned to a 56-hour schedule is available within one year of the birth/adoption or placement of a child, with a limit of one (1) eligible birth/adoption/placement per fiscal year.  2. That approval to attend any meeting is subject to scheduling by Management in a manner consistent with the operating needs and work schedules.
- B. Nothing provided in this Article shall limit or restrict Management from scheduling such meetings before or after regular duty or work hours under appropriate circumstances.
- C. Effective July 1, 2013, the City authorizes eight hours of release time every four months for Local 145's trustee representative for the purpose of attending Southern California Firefighters Benefit Trust board meetings. Any terms and conditions of this MOU, not subject to this reopener provision shall remain in force and effect.
- C. **Local 145 agrees to provide the City a written statement of its positions regarding any issues should there be impasse.** The City will request the City Council to schedule an impasse hearing, if necessary, after 5:00 p.m. on a regular work day in order to permit Local 145 Bargaining Unit members the opportunity to attend and testify. **The impasse hearing will take place in advance of the first reading of the salary ordinance for Fiscal Year 2025.**
- D. Unless otherwise agreed to, the parties agree that Local 145's final offers are due by **March 15, 2024** and the City's final offers are due **March 29, 2024.**
- E. Subject to the requirements of Article 31. E, the City provides Interim Death and Disability benefits through the City's Long-Term Disability Plan in accordance with

Appendix C for employees hired by the City on or after July 20, 2012 and who are not members of SDCERS.

- F. The City has determined that its Flexible Benefits Plan is not a “bona fide” plan under the FLSA. As a result, the City is currently including an employee’s entire flex credit allocation, when eligible, into the regular rate calculation for purpose of computing overtime premiums. The City will notify Local 145 when the City determines it is legally eligible, under the FLSA, to exclude the flex credit allocations not paid out as a cash distribution from the regular rate calculation. The impasse procedure is found in Council Policy 300-06, which is incorporated into this MOU by reference in Article 29, Personnel Regulations.

ARTICLE 33: Transfer of Union Officers

- A. The Appointing Authority is responsible for arranging vacations so that adequate personnel is available to carry on necessary City work.
- B. Individuals may indicate their list of preferences for vacation and submit them in accordance with the Fire-Rescue Department’s vacation policy. The annual leave balance will be determined for all Local 145-represented employees (excluding Fire Recruits) annually. At the discretion of the Fire Chief, any employee who has accrued and unused annual leave in their Leave Bucket that is over their annual leave cap as of January 1st of each year (i.e. “snapshot”), will be required to participate in a mandatory vacation draw for the following fiscal year.
1. For personnel working a 56-hour shift work schedule, a vacation is defined as four consecutive 24-hour shifts selected from the predetermined vacation draw calendar.

2. For all other employees a vacation is defined as four consecutive work days off within the same work week. This is inclusive of all non-operational schedules (44/36, 4/10, 5/8). These vacations will be arranged as normal time off and approved by the employee's supervisor. They will not be part of the vacation draw process described in the Vacation Policy.
- C. Annual leave shall be granted when requested, subject to the operating needs of the Department.

 3. When an employee is required under subpoena to appear in court during non-duty hours, they shall receive premium pay for court time with a four hour minimum of compensation in each instance.
 4. When an employee's shift is extended beyond its normal ending time, they shall receive premium pay for the time of the shift extension but shall not be eligible for minimums referred to in Sections 1 and 2 above.
 5. The minimum call-back and court time provisions shall not apply in the following situations:
 - a. When an employee is required by subpoena to appear in court prior to their scheduled shift, and the appearance is contiguous with the shift, or when an employee attends court then reports to work an hour later;
 - b. When an employee is already present at the work station and is required by a supervisor to start work early or to resume work following the end of shift;

- c. When an employee is required to attend a meeting scheduled before or after the employee's shift, and which is contiguous with the shift; or
 - d. When an employee is required to appear in court during a session which begins during the employee's regularly scheduled shift, but which continues past the end of shift.
In these instances, and any others not specifically identified as entitling an employee to the four-hour minimum, the employee should receive overtime compensation only for the time they actually worked or spent in court or in meetings before or after their shift.
6. Compensatory Time
- a. Overtime will be paid or Compensatory Time Off (CTO) given at the discretion of the Department Director or designee subject to the availability of funds and workload considerations in an amount not to exceed 120 hours annually of accrued CTO.
 - b. An employee may only use or cash out CTO during the calendar year in which it is earned.
 - c. All accrued and unused CTO balances will be cashed out on the last pay day of each calendar year so that the employee's CTO account is reduced to a zero balance.
 - d. Employees may use or cash out CTO accrued at any time during the calendar year, prior to the last pay period of the calendar year. No unused CTO hours may be carried over to a subsequent calendar year. No CTO can be elected for overtime worked during the last pay period of the calendar year.
 - e. Overtime earned in accordance with the FLSA will be paid in the pay period in which it is earned.
7. Fire Fighters, Fire Engineers, Fire Captains, and Fire Battalion Chiefs mandated to attend training sessions on non-regularly assigned shifts will be compensated at the rate of one and one-half times their base rate.
8. Forty-hour employee working over eight hours per day if on the 5/8 schedule, or a 40-hour employee working over nine hours per day on a 44/36 schedule will be compensated at the rate of one and one-half times their base rate.
9. Forty-hour employee working over 40 hours per week at a rate one and one-half times their base rate.
10. If a suppression employee (56-hour schedule) is scheduled or directed by the Department to work on an actual holiday (versus on a City-observed holiday), they shall receive pay at premium rate (no comp time) for the time worked, during the first 12 hours of the shift beginning the morning of the actual holiday only.

- B. City and Local 145 agree that Fire Fighters, Fire Engineers, Fire Captains, and Fire Battalion Chiefs will work a 28-day work **period** in accordance with section 207k of the FLSA.
1. **Employees** who work more than 212 hours in any 28-day work **period** will be paid premium overtime for their hours worked in excess of 212. The wage types identified in Appendix D of the MOU will be counted as hours actually worked during the 28-day work **period** in determining eligibility for premium overtime.
 2. **Employees** permanently assigned and performing peace officer duties on the Metro Arson Strike Team (MAST), who work more than 171 hours, in any 28-day work **period** will be paid premium overtime for their hours worked in excess of 171. The wage types identified in Appendix D of the MOU will be counted as hours actually worked during the 28-day work **period** in determining eligibility for premium overtime.

C. **Dual Calculation Method**

The City uses a “dual calculation method” of determining overtime compensation. When an employee is eligible for overtime compensation, the City calculates the overtime compensation required to be paid under this approved MOU without application of a required rate multiplier and the overtime compensation required to be paid under the FLSA. After comparing the two amounts, the City pays the employee the higher overtime compensation.

If an employee receives compensatory time in lieu of overtime, the City will pay the premium portion of the overtime compensation, as calculated in accordance with the FLSA or this approved MOU, when the overtime is earned. The employee shall receive the base hour associated with the time worked in their compensatory time bucket. The employee may use the base hour for leave or may cash it out throughout the calendar year in which it is earned. At the end of the calendar year, the City will cash out any remaining balance in the employee’s compensatory time bucket on the last pay day of the calendar year.

ARTICLE 37:

City further agrees to treat all employees in the unit fairly and equitably in administering this program. Any alleged violation of this Article shall be subject to a grievance to the Fire Chief.
- E. In accordance with existing practice, Fire Battalion Chiefs cannot bid for assignments through the formal bid procedure. Management will continue to give employee preference serious consideration in the assignment of Fire Battalion Chiefs to Fire Operations areas. Upon a request from the employee, Management will provide feedback to those Fire Battalion Chiefs not selected, based on knowledge, skills and abilities or Management needs to an assignment where the employee has expressed a preference.
- F. Probationary Fire Fighter personnel during their first year of employment will not be allowed to bid for permanent station assignments.
- G. Employees who are married or members of the same immediate family shall not be assigned to the same fire station.
- H. Except when a specific policy applies, if an employee is absent from their permanent assignment for more than six months due to a non-job-related medical condition, then their permanent assignment will be declared vacant. The vacant position will then be filled according to the current procedures pertaining to that position.
- I. City will comply with the OSHA policy for two in/two out, for two Fire Fighters inside a structure and two Fire Fighters outside a structure, as required by law.

ARTICLE 38:

Training sessions occurring on non-duty shifts will normally not be scheduled on Saturday, Sunday, or legal holidays.

ARTICLE 39:
In-House Committees

- A. The Fire Chief may, at their discretion, create advisory committees to provide information which is necessary to administer the Department. The committees shall be precluded from considering subjects which relate to the scope of representation of the recognized Bargaining Unit.

ARTICLE 58:
Leave Sharing Plans

A. Catastrophic Leave Plan Program Description

1. Purpose and Scope

Establish a City of San Diego-administered Catastrophic Leave Bank permitting City employees to assist other City employees who face extended leaves without pay due to a catastrophic occurrence in their lives. For the purpose of this plan, a “catastrophic occurrence” is defined as any event that would qualify the employee for a leave under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), Americans with Disabilities Act (ADA), other local, state, or federally protected leave, and other extraordinary circumstances as determined by the Human Resources Director or designee. Although this Program establishes a mechanism for leave transfers, participation is entirely voluntary.

Employees who are entitled to annual leave are eligible to request a Catastrophic Leave Bank from their date of hire. Catastrophic Leave determinations are non-grievable.

Catastrophic leave coverage shall be extended to events affecting registered domestic partners provided that a City of San Diego Affidavit of Domestic Partnership has been submitted.

2. Procedures

a. The Employee initiates a request for a Catastrophic Leave Bank to be established in accordance with this policy.

1. The employee must have exhausted or expect to exhaust their accrued leave, from both the employee’s annual leave and Catastrophic Leave – Annual Leave (CatLv-AL) buckets (to be verified by the department Payroll Specialist), as a result of a qualifying event in order to establish a Catastrophic Leave Bank.

i. A recipient’s total annual leave balance including donated leave cannot exceed 2,080 hours for employees assigned to a 40-hour work week or 2,912 hours for employees assigned to a 56-hour work week.

2. The employee must receive approval for an unpaid leave of absence from their Department Head.

- b. Requests to establish a Catastrophic Leave Bank to receive donations will be processed by the Human Resources Department within seven days.
 - 1. An eligible employee must submit a completed “Request to Establish Catastrophic Leave Bank” form to the Human Resources Department, accompanied by:
 - i. A signed statement by the employee which includes a brief description of the nature and need for the leave and an estimated time the employee will be out of the workplace, or other appropriate documentation supporting the request. Clarifying documentation may be requested by the Human Resources Department. Any employee who misrepresents information on the signed statement provided to the Human Resources Department may be subject to discipline, up to and including termination.
 - ii. Evidence of the Department Head’s approval of the leave of absence.
 - iii. Employees must also identify, on the Request to Establish Catastrophic Leave Bank Form, the names of individuals or groups that may be informed, upon request, if the Catastrophic Leave Bank has been approved. Employees who include a mailing address on the Request will be notified when the Catastrophic Leave Bank is approved by the Human Resources Department.
- c. Donations of annual leave may be made to an employee eligible for Catastrophic Leave as defined in the Purpose and Scope of this document. The donor’s annual leave donation will be deducted from the donor department in the amount donated.
 - 1. Donations of leave are strictly voluntary; the City will maintain the identity of Catastrophic Leave Bank donors in absolute confidence.
 - 2. Employees may only donate accrued annual leave.
 - 3. Donations must be made in whole-hour increments.
 - 4. Donation authorization requests that do not contain all requested information will not be processed.
 - 5. Donors must have at least 160 hours of annual leave (which includes donated Medical Leave) and Catastrophic Leave remaining after the donated time has been deducted.
 - 6. Once donated to the Catastrophic Leave Bank, donated leave cannot be returned to the donor.

7. Employees who wish to donate leave must submit an electronic request through the Leave Administration section of the City's SAP System. Employees without access to the City's Active Directory may complete a "Confidential Authorization for Catastrophic Leave Donation" form and submit it to the Human Resources Department.
- d. Upon receipt of donation authorizations forms, the City's SAP System will:
 1. Verify that the donating employee has the minimum required leave balance of 160 hours.
 2. Convert the donated dollars as computed above to hours at the recipient's hourly rate. The donor will be taxed for the leave when it is donated to the recipient.
 3. Ensure that all deductions (e.g. health premiums, parking, credit union, union dues, etc.) that have previously been authorized by the recipient will be made unless the recipient has notified their Payroll Specialist in writing to cancel deductions.
 4. Subtract the donated time from the donor's designated leave category; and
 5. Add the donated hours to the recipient's Catastrophic Leave – Annual Leave (CatLv-AL) bucket.
 - e. An employee who receives Donated Catastrophic Leave hours under this Catastrophic Leave Plan may either take the Donated Catastrophic Leave as compensated time off, or may request to receive a cash payment via SAP of the Donated Catastrophic Leave, but may not re-donate that time to a Catastrophic Leave Bank, Medical Leave Bank, or Child Care Annual Leave Exchange bucket for use by another employee.
 - f. Donated Catastrophic Leave is treated as annual leave accrued by the recipient of the donation, but the recipient will not be taxed on the donated annual leave.
 - g. When donated Catastrophic Leave hours are taken as cash payment, the employee may take up to the amount of Catastrophic Leave hours available in their established Catastrophic Leave Bank at the time the employee processes their request for cash payment in the City's SAP System. Catastrophic Leave hours are cashed-out only when received.
 - h. When donated Catastrophic Leave hours are taken as annual leave for purposes of taking compensated time off, instead of through a cash payment, the employee may take up to 80 hours (40-hour employees) or up to 112 hours (56-hour employees) per pay period until the donated leave has been exhausted.

1. Donated Leave does not alter the employment rights of the City or the recipient, nor does it extend or alter limitations otherwise applicable to leaves of absence or annual leave, except as noted in this Plan.
 2. Employees using donated annual leave hours will continue to accrue annual leave in accordance with Personnel Manual Index Code I-2, Annual Leave.
 3. Donated Leave can only be used on a going forward basis.
3. Notification of the creation of a Catastrophic Leave Bank to potential donors is the responsibility of the employee, not the department. An employee may use City e-mail for a one-time notification to other City employees regarding the creation of their Catastrophic Leave Bank. Such e-mail should not contain confidential information (e.g. details of their medical condition). All policies and procedures regarding ethical conduct, and the use of email, apply to such notices sent by employees. Employees are encouraged to only send e-mails to employees they know and refrain from sending "e-mail blasts" (officewide or citywide e-mails) that may be viewed as a nuisance to a reasonable person. Employees may also work with their recognized employee organizations to disseminate their request for leave donation. If requested by the employee in the Request for Establishing Catastrophic Leave Bank form, the City will publicize on the Leave Administration section of the City's SAP System, the employee requestor's name, and the dates the Catastrophic Leave Bank opens and closes.

B. Medical Leave-Sharing Plan Program Description

1. Purpose and Scope

The City of San Diego offers a Medical Leave-Sharing Plan and Leave Bank (Medical Leave Bank) to give City employees the ability to assist other City employees who face extended leaves without pay due to a major health crisis, whether their own, or that of a family member.  - 1. Donated Medical Leave does not alter the employment rights of the City or the recipient, nor does it extend or alter limitations otherwise applicable to leaves of absence or annual leave, except as noted in this Plan.
 - 2. Employees who are using donated annual leave hours will continue to accrue annual leave in accordance with Personnel Manual Index Code I-2, Annual Leave.
 - 3. Donated Medical Leave can only be used on a going forward basis.

The City will pay for the reasonable burial and interment expenses for the family of any firefighter killed in the line of duty, not to exceed \$5,000.00. The City will also provide an additional \$5,000.00 to the family of a firefighter killed in the line of duty, to use at their discretion. The City will pay for the highest cost HMO health plan for the surviving spouse and eligible dependents of any firefighter killed in the performance of duty, or one who dies as a result of an accident or injury caused by external violence or physical force incurred in the performance of duty.

ARTICLE 69: New Employee Orientation

- A. The City agrees to acknowledge Local 145 as the exclusive bargaining representative during New Employee Orientation. The City will also provide Local 145 with an opportunity to make presentations to City employees during the benefits portion of the City's New Employee Orientation Program or a separate meeting with new employees who do not attend the City's New Employee Orientation Program.
- B. City agrees to provide Local 145 with an opportunity to make a one-hour presentation to new employees during the last week(s) of the Fire Academy for all recruits who have successfully completed final testing. In addition to the one-hour presentation by Local 145, the City agrees to provide two additional continuous hours for presentations by the San Diego Fireman's Relief Association and other fraternal/sororal affiliate Organizations, as scheduled by Local 145, who provide benefits to firefighters.
- C. Local 145 will be provided a room for these presentations at the Fire Academy or recruits will be permitted to travel to Local 145 facility at the discretion of Management. Academy Staff will refrain from scheduling concurrent events so that all recruits are afforded an opportunity to attend presentations.
- D. **The City must provide the Union with access to the City's new employee orientations. The City will provide not less than 10 days' notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the City's operations that was not reasonably foreseeable. The structure, time, and manner of the Union's access will be determined by mutual agreement, subject to the requirements of California Government Code section 3557. The City must not disclose the date, time, and place of the orientation to anyone other than the City's agents involved in the new employee orientations, the employees, the Union, or a vendor contracted to provide a service for purposes of the orientation.**

ARTICLE 70: Significant Injury, Illness or Death Notification

As soon as practical, within a reasonable period of time not to exceed 60 minutes, and with the consent of the affected employee or their designee, the Department will notify the President of Local 145 or designee in the event that the employee, while on-duty, experienced on duty a "significant injury or illness". A "significant injury", for the purposes of this Article, means an injury that requires transportation to a hospital or medical facility and/or an injury that is suspected to prevent the employee from returning to work for the employee's next regularly scheduled shift.

ARTICLE 71: Community Paramedicine

- A. In the event that new legislation related to community paramedicine is enacted or should the City elect to implement any component falling under the scope of community paramedicine that would impact Local 145 members, the City and Local

145 agree to meet and confer as required by MMBA on integration of the new work into the firefighters' bargaining unit. Any future mutually agreed to provision regarding L145 members related to Community Paramedicine will be captured in this article. This Article does not reserve or guarantee community paramedicine as protected work of Local 145 members.

- B. Community paramedicine (CP) is an innovative and evolving model of community healthcare designed to provide more effective and efficient services at a lower cost. Community paramedicine allows first responders (Emergency Medical Technicians and paramedics) to function outside their traditional emergency response and transport roles to help facilitate more appropriate use of emergency care resources while enhancing access to primary care for medically underserved populations.
- C. A community paramedic (CP) is an advanced paramedic that works to increase access to primary and preventive care and decrease use of emergency departments, which in turn decreases health care costs. CPs are not meant to supersede or replace any healthcare programs that are already available in the community, rather they supplement and enhance these programs.
- D. Community paramedic programs may include but not be limited to: providing post discharge follow up to high-risk patients, transportation to alternate destinations, community health education, addressing frequent 911 users, collaboration with hospice providers and collaboration with public health agencies to prevent the spread of disease.

ARTICLE 72:

Flexible Work Arrangements

- A. To better adapt to the changing landscape of the workplace, the City supports, where appropriate, flexible work locations and flexible work schedules to promote the City's Climate Action Plan and to optimize the use of City facilities and equipment. Based on a Department's operational needs and the job duties of a specific classification, flexible work schedules, referred to as "Flexible Work Arrangements", may be made available to employees.
 - 1. Alternative Work Schedules - Schedule alternatives to the traditional eight-hour day, five-day work week, such as the 4/10 or 44/36 schedules and flexible hours within a Department's core hours. Alternate work schedules exclude personnel assigned to Emergency Operations and may only apply to Administrative assignments at the discretion of the Fire Chief or their designee.
- B. For the Flexible Work Arrangement option described in section A above, the City will provide a minimum of five working days' notice prior to changing a flexible work schedule, unless extenuating circumstances warrant a 24-hour notice to return to their original work schedule. All Departments and employees that participate in any Flexible Work Arrangements will enter into a Flexible Work Agreement. The Flexible Work Agreement is approved at the discretion of the **Fire Chief** based on operational needs and feasibility. Flexible Work Arrangements may be modified by the Department at its sole discretion at any time for reasonable cause. This Article is not subject to the grievance procedure.

- C. **The City's Telework Program is for employees whose job duties are operationally feasible to perform off-site. The Telework Program may be administered differently across a classification depending on operational needs. Participation in the Telework Program is at the discretion of the Fire Chief and voluntary for employees whose job duties do not require their physical presence at a City office or facility and can be successfully performed remotely. Eligible employees may apply to telework and review of the telework application is based on operational needs and feasibility. In the event the Telework Program Agreement is denied, modified, or terminated, the employee will be provided a written explanation of the action. Employees are not entitled to telework.**

ARTICLE 73:
Adjustment of Hours and Leave Balances

- A. Adjustment of leave balances of Local 145-represented employees who transfer from 40-hour workweek schedules (Straight Days) to 56-hour workweek schedules (Operations), and employees who transfer from Operations to Straight Days will apply to the following leave types:
1. Annual Leave
 2. Annual Leave Unavailable
 3. Child Care Leave
 4. Annual Leave CERS Eligible (New)
 5. Catastrophic Leave
 6. Pay-in-Lieu Hours
 7. Pay-in-Lieu Hours Unavailable
 8. Compensatory Time Off
 9. Cycle Time
 10. Discretionary Leave – Department Award
 11. Fire Holiday
 12. Shift Trade
 13. DROP Extension
 14. DROP Extension Unavailable
 15. Bereavement Leave
 16. Parental Leave
- B. No action is required by the employee as this automatic adjustment of leave balances is based on the employee work schedule.
1. When an employee transfers from Straight Days to Operations, their balance of hours will each be adjusted by multiplying the number of hours by 1.4, which coincides with the 56-hour schedule pay rate.
 2. When an employee transfers from Operations to Straight Days, the balance of hours will each be adjusted by dividing the number of hours by 1.4, which coincides with the 40-hour schedule pay rate.
- C. The City agrees to meet and confer with Local 145 should the leave types listed in section A need to be amended.

ARTICLE 74:
Employee Contact Information

- A. The City and Local 145 agree that it is in the mutual interest of the Parties and employees to keep the City updated on any changes to the employee's home and personal cellular telephone number, any personal email addresses on file with the City, and the employee's home address. This information is necessary for the City to ensure employees receive any and all communications from the City, and that any contact information the City provides Local 145 pursuant to Government Code section 3558 or any other provision in this MOU is accurate. To assist in this endeavor, employees are required to update any changes in the above referenced contact information that is on file with the City by using the Employee Self-Service Portal within 14 calendar days of such a change. Any employee who willfully fails to provide this information within 14 calendar days may be subject to discipline.

- B. Notwithstanding the foregoing, limited to the express purpose of the requirements of Government Code section 3558 only and consistent with Government Code section 6254.3, an employee may direct the City to withhold disclosure of the employee's home telephone number, personal cellular telephone number, personal email address, or birth date, if maintained by the City, to Local 145 via the opt-out selection identified in the Employee Self-Service Portal in SAP.

COALITION AND CITY OF SAN DIEGO

FY2013 PROPOSITION B IMPLEMENTATION NEGOTIATIONS TENTATIVE AGREEMENT

The San Diego Municipal Employees Association, International Association of Fire Fighters, Local 145 ("Local 145"), International Brotherhood of Teamsters, Local 911, Deputy City Attorneys Association of San Diego and Local 127 American Federation of State, County, and Municipal Employees (collectively the "Coalition"), and City of San Diego ("City") have negotiated and reached a tentative agreement on certain terms for an Interim Defined Contribution (DC) Plan on August 16, 2012. Negotiations between the Coalition and City (collectively the "Parties") continue over a Permanent DC Plan.

In accordance with Ground Rule 5, the Parties agree that final approval of the tentative agreement is subject to approval of the City Council.

TERMS FOR INTERIM DC PLAN

INTRODUCTION

1. The purpose of this proposal is to provide a means for an Interim DC Plan to be established expeditiously to accommodate the City's hiring needs without undermining the time otherwise needed for a good faith meet and confer process over the terms of a Permanent DC Plan with disability/death benefit features pursuant to Proposition B. Non-safety employees initially hired after July 19, 2012, who are excluded from SDCERS, will not participate in the 2009 401(a) Plan.
2. The Parties acknowledge and agree that, by entering into this agreement on terms for an Interim DC Plan neither party is prevented from making different proposals during negotiations on the Permanent DC Plan over any aspect of the DC Plan, including the vehicle, vesting schedule for City contributions, the definition of compensation which could include a cap on eligible compensation, the death benefit, disability benefit, and/or the percentage for employer and employee contributions

SPSP-H VEHICLE

3. The SPSP-H Plan (as proposed and modified by this agreement) will be used for purposes of this Interim DC Plan. The City also agrees that any and all "reservation of City's rights" as stated in the SPSP-H Plan document, which relate to employees' rights or benefits under the Plan, is limited by the City's obligations under an agreement for an Interim DC Plan, as well as its obligations under the Meyers-Milias-Brown-Act ("MMBA").

CITY CONTRIBUTIONS

4. Effective October 2, 2012, the City's total mandatory contribution for each Eligible Class Employee as defined in SPSP-H Plan document Article I, section 1.15, subdivision (a)(ii) will be 9.2% for non-safety employees and 11% for safety employees under the Interim DC Plan. These percentages will apply to all compensation as defined in Article I, section 1.10 of the Plan document. For the purpose of this agreement, Eligible Class Employees excludes all hourly employees.
5. The SPSP-H Plan document will also be amended to expand the definition of compensation to include pay in lieu of compensatory time and pay in lieu of cycle time.

EMPLOYEE CONTRIBUTIONS

6. Effective October 2, 2012, the total mandatory post-tax contribution for each Eligible Class Employee will be 9.2% for non-safety employees and 11% for safety employees under this Interim DC Plan. These percentages will apply to all compensation as defined in Article I, section 1.10 of the SPSP-H Plan document and as amended under paragraph 5 above.

VESTING

7. The employee will be 100% vested at all times in all amounts held in his or her SPSP-H account whether contributed by the employee or by the City.

DEATH/DISABILITY

8. The City agrees that the terms of the disability/death benefit adopted in conjunction with a Permanent DC Plan will be made retroactively applicable to any Eligible Class Employee or his/her beneficiary(ies) who suffers a qualifying event during the period of time when this Interim DC Plan is in effect. By this provision, the City agrees to extend to any such Eligible Class Employee or beneficiary the full benefits and rights which would otherwise have been available to him or her had the disability/death benefit adopted in conjunction with a Permanent DC Plan been in effect when the incident giving rise to the Eligible Class Employee's disability or death occurs.

NO UNILATERAL CHANGES

9. No benefits or monies received by employees may be altered by the City during this Interim DC Plan. The Parties acknowledge that negotiations are continuing over a Permanent DC Plan. After the effective date of the Permanent DC Plan the terms may change as set forth in paragraph 2.

RESERVATION OF RIGHTS

10. Each union is participating in this proposal for an Interim DC Plan under continuing protest and objection and while expressly reserving its claims which include but are not limited to the following: (a) Proposition B is unlawful as applied to represented employees due to the City's violation of the MMBA; (b) the City's insistence on altering the terms and conditions of employment for new hires due to the chaptering of Proposition B – and after unilateral imposition of a hiring freeze – is unlawful because each Union has an MOU in effect, which was adopted and made final and binding by the City Council on June 18, 2012, and these MOUs establish the terms and conditions of employment for all new hires through June 30, 2013.

MAKE-WHOLE

11. The parties acknowledge that this agreement for an Interim DC Plan may eventually be impacted by any order or decision in pending consolidated unfair practice cases before PERB once such order or decision becomes final after the exhaustion of all appeals under Government Code section 3509.5.

APPENDIX C: Interim Death and Disability Agreement

**AGREEMENT BETWEEN
THE CITY OF SAN DIEGO AND THE SAN DIEGO CITY FIREFIGHTERS, INTERNATIONAL ASSOCIATION OF
FIREFIGHTERS LOCAL 145
RELATED TO ESTABLISHMENT OF AN INTERIM DISABILITY AND DEATH BENEFITS PLAN FOR EMPLOYEES
INITIALLY HIRED ON OR AFTER JULY 20, 2012**

The City of San Diego (City) and the San Diego City Firefighters, International Association of Firefighters Local 145 (Local 145) enter into this Agreement in accordance with the Meyers-Millias-Brown Act (MMBA), San Diego Charter section 151, San Diego City Council Policy 300-06, and the Memorandum of Understanding (MOU) between the City and Local 145 approved by the San Diego City Council by San Diego Resolution R-310508 (Jun. 13, 2016). The City and Local 145 are referred to collectively in this Agreement as the "Parties."

Section 151 was added to the City Charter by the adoption of the Proposition B initiative in June 2012. The lawfulness of these Proposition B-related Charter amendments remains in question based on legal proceedings to date before the Public Employment Relations Board (PERB), the Fourth District Court of Appeal, and the California Supreme Court. Until the validity of the Proposition B Charter amendments is finally determined, the City and Local 145 have agreed on an Interim Defined Contribution (DC) Plan for all affected Local 145-represented employees initially hired on or after July 20, 2012. This DC Plan is incorporated in Local 145's current MOU as Appendix B. However, Charter section 151 also states that, "For Uniformed Public Safety Officers, the City shall provide for death and disability benefits" to support an employee enrolled in this DC Plan who "has become physically or mentally disabled by reason of bodily injury or illness."

Local 145's MOU, Article 31, section F and Appendix B, provide that the City and Local 145 will meet and confer during the term of the MOU, at the request of either the City or Local 145, over implementation of death and disability benefits for employees who are initially hired on or after July 20, 2012. The Parties have engaged in good faith bargaining over implementation of an Interim Death and Disability Benefit Plan intended to cover affected employees until the validity of the Proposition B Charter amendments is finally determined by a court and a permanent death and disability benefit plan is established. As a result of this good faith meet and confer, the parties agree as follows:

1. The Parties have satisfied their duties under the MMBA.
2. The Parties acknowledge that this Agreement is not binding on the City or Local 145, unless and until it is approved by a majority of the City Council and ratified by Local 145.
3. The Parties acknowledge that implementation of this Interim Death and Disability Benefits Plan will require a resolution of the City Council approving an amendment to add a new Article VI the City's Self-Funded Employees' Long-Term Disability (LTD) Income Plan document (Plan) (Attachment A). The Parties also acknowledge that the payment of industrial death and/or disability benefits as nontaxable income under this Interim Death and Disability Benefits Plan will require City Council Approval of an ordinance providing for such benefits.
4. The Parties acknowledge that the City and four of its recognized employee organizations are currently involved in litigation resulting from a consolidated unfair labor practice charge filed with the California Public Employment Relations Board (PERB) related to Proposition B (PERB Litigation). If, in the PERB Litigation, a court of competent jurisdiction, following exhaustion of all appeals, issues a final order or decision declaring Proposition B to be unlawful or invalid, in whole or in part, the Parties agree to reopen negotiations, upon request of either party, to establish a plan which will provide permanent monthly death and disability benefits under the San Diego City Employees' Retirement System or otherwise. Likewise, if, in the PERB Litigation, a court of competent jurisdiction, following exhaustion of all appeals, issues a final order or decision declaring Proposition B to be lawfully adopted,

the Parties agree to reopen negotiations, upon request by either party, to establish a permanent plan which will provide death and disability benefits.

5. It is the intent of the Parties to implement this Interim Death and Disability Benefits Plan for all Local 145-represented employees ("Employees" or "Participants") initially hired on or after July 20, 2012, retroactively to July 20, 2012, the effective date of Charter section 151. These interim benefits are in addition to any statutory Workers' Compensation benefits. These interim benefits will be provided through a new Article VI to be added to City's LTD Income Plan. The terms as stated in Article VI are controlling; however, certain terms are summarized here as follows:
 - (a) The purpose of the new Article VI is to provide interim death and disability benefits for Participants, regardless of age or years of service, who are permanently incapacitated from the performance of their usual and customary duty as a result of an industrial or non-industrial disability.
 - (b) The interim industrial disability benefit payable under the new Article VI will be 50% of the Participant's Final Compensation, as defined in Article VI, paid bi-weekly. The interim non-industrial disability benefit payable under the new Article VI will be 33 1/3% of the Participant's Final Compensation, as defined in Article VI, paid bi-weekly.
 - (c) The interim death benefit payable under the new Article VI for industrial deaths will be 50% of the Participant's Final Compensation, as defined in Article VI, paid bi-weekly. Under certain circumstances, a 100% continuance survivor benefit will be paid. For non-industrial deaths, the interim death benefit is a lump sum equal to one month of pay for each year of service credit, not to exceed 50% of the Participant's Final Compensation, as defined in Article VI.
 - (d) All interim industrial death or disability benefits under the new Article VI of the City's LTD Income Plan will be paid as nontaxable income to the recipient. Interim non-industrial death or disability benefits, will be paid as taxable income to the recipient.
 - (e) The interim death and disability benefits under the new Article VI of the Plan are being provided on an interim basis only. The City will terminate eligibility for and payments of benefits under Article VI of the Plan upon the effective date of the permanent City of San Diego Death and Disability Plan. Except as provided in Section 6.24 of Article VI of the Plan, Article VI will terminate on December 31, 2022, unless mutually agreed in writing to extend the termination provision to a later date by the City and applicable recognized employee organizations.
6. Local 145 expressly acknowledges that, when adopted and added to City's LTD Income Plan, this Article VI Interim Death and Disability Benefits Plan, will create no vested right for any Local 145-represented employee to receive or continue to receive benefits under the Plan except as expressly stated therein and subject to the limitations provided.
7. If a Participant is eligible to receive a benefit under both Article VI and under another provision of the City's LTD Income Plan, the benefit available under the other Plan provision will be paid to the Participant first until exhausted. If eligibility for payment of the benefit under the other Plan provision ceases for any reason, the benefit under Article VI will then be payable to the Participant provided the Participant meets the eligibility requirements of Article VI at the time benefit payments cease under the other Plan provision. Under no circumstances will simultaneous benefit payments be made to a Participant under both Article VI and another provision of City's LTD Income Plan.

8. This Agreement does not supersede any provisions in the MOU between the City and Local 145. All MOU provisions remain in effect.
9. The City, in its discretion, may proceed with any legally required process to establish a contractual relationship with the third-party administrator for claims processing pursuant to Article VI of the City's LTD Income Plan.

ARTICLE VI
INTERIM DEATH AND DISABILITY BENEFITS

6.1 PURPOSE

The purpose of this article is, in accordance with section 151 of the City of San Diego City Charter (hereinafter Charter), to implement an interim death and disability benefit for certain Eligible Employees who are killed in the line of duty or who become permanently incapacitated from the performance of duty as a result of injury or disease arising out of or in the course of their City employment or as a result of a non-work related injury or disease, and who are not otherwise eligible to participate in SDCERS.

6.2 EFFECTIVE DATE

This article will become effective on the date the San Diego City Council approves an amendment adding it to the Plan. The benefits under this article are also retroactively applicable to certain Eligible Employees, as defined under Section 6.3, who became disabled or died on or after July 20, 2012.

6.3 ELIGIBLE EMPLOYEE

For purposes of this article, Eligible Employee means:

- (a) A benefitted standard hour Employee who is (i) initially hired after July 19, 2012, (ii) ineligible to participate in SDCERS, and (iii) in a bargaining unit represented by the San Diego City Firefighters, International Association of Fire Fighters Local 145; the San Diego Municipal Employees' Association; the American Federation of State, County and Municipal Employees, AFL-CIO, Local 127; the International Brotherhood of Teamsters, Local 911; or the Deputy City Attorneys Association.
- (b) An Unrepresented Employee, defined as an Employee who is either an elected officer or is not represented by any of the City's recognized employee organizations, who (i) is not a sworn police officer, (ii) is initially hired after July 19, 2012, and (iii) is ineligible to participate in SDCERS.
- (c) A police recruit who is initially hired by the City after June 30, 2013, but only while the police recruit is participating in the City's Police Academy and is ineligible to participate in the San Diego City Employees' Retirement System.
- (d) An Elected Officer who is initially hired or initially assumes office after July 19, 2012 and is therefore ineligible to participate in SDCERS.

6.4 COMMENCEMENT OF PARTICIPATION

Each individual who is an Eligible Employee on the Effective Date or who became disabled or died on or after July 20, 2012, will become a Participant on the Effective Date. Each individual who becomes an Eligible Employee after the Effective Date will become a Participant when he or she becomes an Eligible Employee.

6.5 TRANSITION TO PERMANENT DEATH AND DISABILITY BENEFIT PLAN

The City and its affected Recognized Employee Organizations (REOs) agree to meet and confer over the transition from this interim death and disability plan to a permanent City of San Diego Death and Disability Benefit Plan upon the earlier of the occurrence of the following events:

- (a) the date a court of competent jurisdiction, following exhaustion of all appeals, issues a final order or decision declaring Proposition B to be unlawful or invalid, in whole or in part; or
- (b) the date a court of competent jurisdiction, following the exhaustion of all appeals, issues a final order or decision declaring Proposition B to be lawfully adopted.

The interim death and disability benefits provided under this article are purely voluntary on behalf of the City. Neither the establishment of this article nor any future amendment, nor the payment of any benefits, gives any person a legal or equitable right against the City, unless that right is specified in this article or conferred by affirmative action of the Plan Administrator or the City in accordance with the terms and provisions of this article. No action by the City with respect to this article gives any Eligible Employee or Participant the right to continued City employment. All Participants remain subject to discharge to the same extent as though this article had not been established.

6.6 INDUSTRIAL DISABILITY BENEFIT

A Participant will receive an interim annual industrial disability benefit paid bi-weekly regardless of his or her age or years of service in the tax-free amount of 50% of the Participant's Final Compensation (as defined under Municipal Code section 24.0103), if the Participant is permanently incapacitated for the performance of his or her usual and customary duty and that incapacity:

- (a) is a result of an injury or disease arising out of or in the course and scope of his or her employment as determined by the California Workers Compensation Appeals Board (WCAB) whose decision on causation shall be final and binding and in accordance with WCAB rules (if the WCAB does not make such a determination, for whatever reason, the Claims Administrator will decide the issue subject to the Appeals Process (6.23(f)));

- (b) renders his or her separation from City employment necessary;
- (c) did not arise from:
 - (1) a Preexisting Medical Condition, which means a medical condition that occurred or existed before the Participant became a Participant, or
 - (2) a nervous or mental disorder; and
- (d) was not caused by willful misconduct, malicious violation of the law, or intemperate use of alcohol or drugs as determined by the WCAB (if the WCAB does not make such a determination, for whatever reason, the Claims Administrator will decide the issue subject to the Appeals Process (6.23(f)).

For the sake of clarity, Final Compensation means the average of a Participant's three highest years of Base Compensation (as defined under Municipal Code section 24.0103) while a City employee. Payment of the benefit under this article will cease upon the effective date of the permanent City of San Diego Death and Disability Benefit Plan, the death of the Participant, or the date the City determines the Participant is no longer disabled under the terms of the Plan, whichever is earlier.

6.7 NON-INDUSTRIAL DISABILITY BENEFIT

A Participant will receive an interim annual non-industrial disability benefit paid bi-weekly regardless of his or her age or years of service in the amount of 33 1/3% of the Participant's Final Compensation (as defined under Municipal Code section 24.0103), if the Participant is permanently incapacitated from the performance of his or her usual and customary duty and that incapacity:

- (a) is not a result of an injury or disease arising out of and in the course of his or her employment;
- (b) renders his or her separation from City employment necessary; and
- (c) was not caused by willful misconduct, malicious violation of the law, or the intemperate use of alcohol or drugs.

For the sake of clarity, Final Compensation means the average of a Participant's three highest years of Base Compensation (as defined under Municipal Code section 24.0103) while a City employee. Payment of the benefit under this article will cease upon the effective date of the permanent City of San Diego Death and Disability Benefit Plan, the death of the Participant, or the date the City determines the Participant is no longer disabled under the terms of the Plan, whichever is earlier.

6.8 COST OF LIVING ADJUSTMENT

Effective every July 1, the Plan Administrator will adjust each Participant's interim disability benefit by the lesser of:

- (a) the percentage annual change in the Bureau of Labor Statistics Consumer Price Index, United States – All items for the preceding calendar year, rounded to the nearest tenth of a percent, or
- (b) 2%;

provided, however, that no decrease will reduce any Participant's disability benefit below the benefit in effect on the Effective Date of his or her interim disability benefit.

6.9 REIMBURSEMENT OBLIGATION AND SUBROGATION RIGHTS

The City has the right to recover and subrogate from and against Third Parties or persons, as well as their agents or insurers, any payments made under this article of the Plan.

6.10 DISABILITY EFFECTIVE DATE

Any interim disability award under this article will be effective on the Disability Effective Date, which is the day after the Participant's City employment terminates due to the Participant's incapacity. Payment of any disability award under this article will commence within 30 days after the Claims Administrator or Plan Administrator, as the case may be, approves the award.

6.11 DISABILITY AFFIDAVIT

- (a) Any Participant who is receiving an interim industrial or non-industrial disability benefit under this article of the Plan must annually file an affidavit of condition of disability with the Plan Administrator in the form prescribed by the Plan Administrator.
- (b) The Plan Administrator will provide an affidavit to each Participant receiving a disability benefit under this article of the Plan each year during the month of his or her birthday or as needed at the Plan Administrator's discretion. The Participant must return the affidavit within thirty 30 days of when the affidavit is mailed. If the completed affidavit is not received from the Participant within 30 days, the Plan Administrator will follow-up with the Participant to determine why he or she has failed to comply.
- (c) If, after reasonable follow-up by the Plan Administrator, the Participant fails to return the affidavit, the Plan Administrator may temporarily

suspend the Participant's interim disability benefit until such time as he or she complies.

- (d) The Plan Administrator may prescribe additional rules and regulations for an annual filing of an affidavit of condition of disability subject to meet and confer.

6.12 PERIODIC PHYSICAL EXAMS FOR DISABLED PARTICIPANTS

- (a) The Plan Administrator may order any Participant who is receiving an interim industrial or non-industrial disability benefit under this article of the Plan to be examined annually by one or more licensed physicians for the purpose of confirming the individual's continuing eligibility for disability benefits, and may at any time order the Participant to active duty, in which case payment of the disability allowance will cease.
- (b) The Plan Administrator may prescribe rules and regulations for periodic physical examinations subject to meet and confer.

6.13 ACTIVE EMPLOYEE DEATH BENEFIT

- (a) Under this article, the Plan will pay the interim active (non-industrial) death benefit to a Participant's Beneficiary, who is defined as any person or entity entitled to receive a benefit under this article at the time of the Participant's death, if:
 - (1) the Participant dies:
 - (A) while in active City service (on the City payroll and not on a leave of absence);
 - (B) while absent on military service;
 - (C) within four months of terminating City employment because the Participant's position was abolished; or
 - (D) while incapacitated from the performance of his or her duties, if the incapacity was continuous from when the Participant terminated City employment until his or her death; and
 - (2) an industrial death benefit is not payable.
- (b) The interim active death benefit is a lump sum equal to one month of pay for each year of service credit, not to exceed 50% of the Participant's Final Compensation (as defined under Municipal Code section 24.0103). For

the sake of clarity, Final Compensation means the average of a Participant's three highest years of Base Compensation (as defined under Municipal Code section 24.0103) while a City employee.

6.14 INDUSTRIAL DEATH BENEFIT

- (a) Under this article, the Plan will pay the interim industrial death benefit, instead of the active employee death benefit, to a Participant's Surviving Spouse, who is defined as the Participant's spouse or registered domestic partner at the time of the Participant's death, or if none, the Surviving Minor Children, who are defined as a Participant's children under the age of 18 at the time of the Participant's death, if, in addition to satisfying the requirements in section 6.11(a) the Participant:
 - (1) dies from industrial causes, as determined in accordance with the procedures set forth under the California Labor Code, Workers' Compensation Division; and
 - (2) either:
 - (A) has a Surviving Spouse who is named as the Participant's Beneficiary when the Participant dies, or
 - (B) the Participant has one or more Surviving Minor Children when he or she dies.
- (b) If the Participant has a Surviving Spouse who is the Participant's Beneficiary when he or she dies, under this article the Plan will pay an interim annual death benefit paid bi-weekly to the Surviving Spouse equal to 50% of the Participant's Final Compensation (as defined under Municipal Code section 24.0103), beginning with the month that includes the Participant's death and continuing under this article until the effective date of the permanent City of San Diego Death and Disability Benefit Plan or the death of the Surviving Spouse, whichever is earlier. If the Participant does not have a Surviving Spouse, but has one or more Surviving Minor Children, when the Participant dies, under this article the Plan will pay an interim annual death benefit paid bi-weekly, in equal shares, to the Surviving Minor Children, equal to 50% of the Participant's Final Compensation (as defined under Municipal Code section 24.0103), beginning with the month that includes the Participant's death, until each Surviving Minor Child reaches age 18 or until the effective date of the permanent City of San Diego Death and Disability Benefit Plan, whichever is earlier. For the sake of clarity, Final Compensation means the average of a Participant's three years of Base Compensation (as defined under Municipal code section 24.0103) while a City employee.

- (c) If, when the Participant dies, it has not yet been determined under the California Labor Code, Workers' Compensation Division, whether the Participant died from industrial causes, under this article the Plan may pay the interim active death benefit to the Participant's Beneficiary. If it is subsequently determined under the California Labor Code, Workers' Compensation Division, that the Participant died from industrial causes, and there is a qualifying Surviving Spouse or one or more Surviving Minor Children, under this article the Plan will pay the interim industrial death benefit reduced by the amount of the active death benefit paid to the Participant's Surviving Spouse, or, if none, Surviving Minor Children. The Surviving Spouse or Surviving Minor Children will not be paid an interim industrial death benefit until the accumulation of the benefit fully offsets the lump sum amount paid for the active death benefit. The benefit will cease on the effective date of the permanent City of San Diego Death and Disability Plan or the death of the Surviving Spouse or surviving Minor children, whichever is earlier.
- (d) One Hundred Percent (100%) Continuance Survivor Benefit
 - (1) The payment of a 100% continuance survivor benefit may be authorized by the Plan under this subsection (d) when a Participant receiving an industrial disability benefit dies; and
 - (2) The Surviving Spouse or Surviving Minor Children of such a deceased Participant makes a written application to the Plan Administrator for an award of this benefit; and
 - (3) The Surviving Spouse or Surviving Minor Children demonstrate, by clear and convincing evidence, that the Participant's death was the direct result of the disability for which the Participant was receiving a benefit under this article. For the avoidance of doubt, the same monthly benefit the Participant was receiving at death will be payable to the Participant's Surviving Spouse or Surviving Minor Children provided the conditions set forth above in this subsection (d) are satisfied. The benefit will cease on the effective date of the permanent City of San Diego Death and Disability Plan or the death of the Surviving Spouse or surviving Minor children, whichever is earlier.

6.15 BENEFICIARY DESIGNATION

The Participant's designated beneficiary under the City of San Diego Supplemental Pension Savings Plan H is the Participant's Beneficiary entitled to receive any death benefits payable under this article of the Plan on account of the Participant's death.

6.16 BENEFICIARY NOT DESIGNATED

- (a) Under this article, the Plan will pay all amounts due because of the death of a Participant as provided in subdivision (b) of this section if the Participant's estate would not be probated if no amounts were due from this article of the Plan and:
 - (1) the Participant did not name a Beneficiary,
 - (2) there is no living named Beneficiary,
 - (3) after reasonable efforts, the Plan Administrator is unable to locate the named Beneficiary, or
 - (4) the Beneficiary is the Participant's estate.
- (b) Payment will be made, in the following order, to the Participant's:
 - (1) Surviving Spouse,
 - (2) children,
 - (3) parents,
 - (4) siblings, or
 - (5) next of kin.
- (c) Under this article, the Plan will not make any payment under this section to persons in any group listed in subpart (b) if there are living persons in any earlier group on the date of payment.
- (d) Under this article, the Plan will not make any payment under this section without first receiving from each payee an affidavit in compliance with the California Probate Code permitting a decedent's successor to collect non probate assets.

6.17 PAYMENT TO FUNERAL DIRECTOR

The Plan Administrator may pay any of the amount due from this article of the Plan because of the death of a Participant to the funeral director who conducted the funeral, or to the person or organization that paid the funeral expenses, if:

- (1) the Participant did not name a Beneficiary,

- (2) there is no living named Beneficiary,
- (3) the Plan Administrator is unable to locate the named Beneficiary, or
- (4) the Beneficiary is the Participant's estate; and

no person in any of the groups listed in Section 6.14(b) has survived the Participant.

- (a) Payment under this section will not exceed the actual cost of the funeral or the portion of that cost paid by the person or organization to the funeral director, as shown by the funeral director's sworn itemized statement and by any other documents required by the Plan Administrator.
- (b) Payment under this section will fully discharge the Plan for the amount paid.

6.18 UNIFORM SIMULTANEOUS DEATH ACT

California law regarding the distribution of estates under the Uniform Simultaneous Death Act governs payments made by this article of the Plan because of the death of a Participant or Beneficiary. In applying the Uniform Simultaneous Death Act to benefits paid to a Beneficiary, benefits under this article of the Plan will have the same status as benefits under insurance policies.

6.19 CONTINUED HEALTH COVERAGE

A Safety Member's Surviving Spouse or Surviving Minor Child who is eligible for the industrial death benefit is entitled to continued health coverage as provided in California Labor Code section 4856. Under that section, if a Safety Participant who is a firefighter or a peace officer and:

- (a) is killed in the performance of his or her duty, or
- (b) dies as a result of an accident or injury caused by external violence or physical force incurred in the performance of his or her duty, the City must continue providing health benefits to the deceased Participant's Surviving Spouse under the same terms and conditions provided prior to the death, or prior to the accident or injury that caused the death, until the Surviving Spouse is Medicare eligible. Upon Medicare eligibility, the City will pay the Medicare Part B premium for the Surviving Spouse's life. Surviving Minor Children will continue to receive benefits under the coverage provided the Surviving Spouse or, if there is no Surviving Spouse, until the age of 26 years. However, pursuant to section 4856 of the Labor Code, the Surviving Spouse may not add the new spouse or

stepchildren as family members under the continued health benefits coverage of the Surviving Spouse.

6.20 RETIREE DEATH BENEFIT

Under this article, the Plan will pay a \$2,000 death benefit to the designated Beneficiary of a Participant who has received a disability benefit under this article of the Plan. If there is no designated *Beneficiary*, the benefit will be paid according to Sections 6.14 or 6.15, whichever is applicable.

6.21 PLAN ADMINISTRATOR

For purposes of this article only, the Plan Administrator is the City's Risk Management Director. The Plan Administrator has the exclusive discretion and authority to (a) establish rules, forms, and procedures for the Plan's administration; (b) to construe and interpret this article of the Plan in good faith and in a manner consistent with the Plan's purpose; and (c) to decide any and all questions of fact, interpretation, definition, computation, or administration arising in connection with the operation of this article of the Plan, including, but not limited to, the eligibility to participate in the Plan and amount of benefits paid under this article of the Plan. The Plan Administrator may delegate to any other person or organizations any of his or her powers and duties. The rules, interpretations, computations, and other good faith actions of the Plan Administrator will be binding and conclusive on all persons.

6.22 CLAIMS ADMINISTRATOR

For purposes of this article only, the Claims Administrator is the Plan Administrator, or a third party designated by the Plan Administrator to determine claims for benefits under this article.

For purposes of this article only, the Appeals Committee is the Committee responsible for reviewing and deciding appeals of denied claims. The Appeals Committee is comprised of the City's Human Resources Director, the City's Risk Management Director and a representative of a *City* safety REO, a representative of a *City* non-safety REO and a designee from the Independent Budget Analyst's Office. The REO representative may not be a member of the same REO as the Claimant.

6.23 CLAIMS PROCEDURES

The following claims procedures apply only to claims for interim death and disability benefits filed under this article:

(a) Filing a Claim

A claim for benefits is not filed until all of the documents prescribed by the Claims Administrator for benefit application are completed, signed and filed with the Claims Administrator. All required documentation for

disability claims must be completed, signed and filed with the Claims Administrator within 60 days of filing the initial claim or the claim will be denied. A claim for benefits must include sufficient evidence to enable the Claims Administrator to determine whether the Participant has met the Plan's requirements for a disability benefit. For purposes of this section, "Claimant" means a Participant, Beneficiary or, where applicable, his or her authorized representative, who has filed a claim for benefits under this article of Plan.

(b) Time Limit for Filing a Claim

A Claimant must, at the time and manner prescribed by the Claims Administrator, file a claim for disability benefits with the Claims Administrator:

- (1) while the Participant is in active service (on the *City* payroll and not on a leave of absence) or on long-term disability;
- (2) within four months of discontinuance of active service; or
- (3) within three years of discontinuing active service if the Participant establishes that he or she was continuously physically or mentally incapacitated from the performance of duty from that date until he or she applied for disability benefits.

A claim for disability benefits filed more than three years after a Participant discontinues active service will be deemed denied. The Claimant will then be permitted to appeal the denial in accordance with the Appeals Procedure described in section 6.23(f).

(c) Benefit Claim Determinations

- (1) Upon the Claimant's timely filing of a claim as described in sub-sections (a) and (b) of this section, the Claims Administrator will review and evaluate the claim to ensure that disability benefits are paid only to those who are legally authorized to receive those benefits.
- (2) During the review and evaluation process the Claims Administrator may in the exercise of good faith:
 - (A) request additional supporting information from the Claimant;

- (B) require that the Claimant submit to one or more independent medical examination(s) on any medical condition covered or raised by the claim;
 - (C) conduct an independent review of the Claimant's files and records; or
 - (D) inquire into or investigate Claimant's relevant habits or conduct.
- (3) The Claimant must cooperate with the Claims Administrator's reasonable review and evaluation conducted in good faith by providing any relevant information requested and by submitting to one or more independent medical examinations requested by the Claims Administrator. Claimant's refusal to provide any relevant information requested or to submit to an independent medical examination is grounds for denial of the claim without further evaluation.

(d) Decision on Claims

- (1) The Claims Administrator will make its determination regarding a claim within 45 days of receipt by the Plan. The Claims Administrator may, however, extend this decision-making period for an additional 30 days for reasons beyond the control of the Claims Administrator. The Claims Administrator will notify the Claimant of the extension prior to the end of the 45-day period. If, after extending the time period for the first 30-day period, the Claims Administrator determines that it will still be unable, for reasons beyond the control of the Claims Administrator, to make decision within the extension period, the Claims Administrator may extend decision making for a second 30-day period.
- (2) Appropriate notice must be provided to the Claimant before the end of the first 45 days and again before the end of each succeeding 30-day period. This notice will explain the circumstances requiring the extension and the date the Claims Administrator expects to render a decision to the Claimant. It will explain the standards on which entitlement to the benefit is based, the unresolved issues that prevent a decision, the additional issues that prevent a decision, and the additional information needed to resolve the issues. The Claimant will have 45 days from the date of receipt of the Claims Administrator's notice to provide the information required.

- (3) If the Claims Administrator determines that a preponderance of the evidence supports the claim, it will approve the claim. In that case, benefit payments will begin within 30 days thereafter.

(e) Denial of Claims

If any claim for benefits is denied in whole or in part (an “adverse benefit determination”), the Claims Administrator must notify the Claimant, in writing, of the denial of the claim, and of the Claimant’s appeal rights. The notice will state:

- (1) The specific reason or reasons for the adverse determination.
- (2) Reference to the specific Plan provisions on which the determination was based.
- (3) A description of any additional material or information the necessary for the Claimant to perfect the claim and an explanation of why such material or information is necessary
- (4) A description of the Plan’s review procedures and the time limits applicable to such procedures. This will include a statement of the Claimant’s right to bring a civil action under California Code of Civil Procedure section 1094.5 following an adverse benefit determination on review.
- (5) A discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - (A) the views presented by the Claimant to the Plan of health care professionals treating the Claimant and vocational professionals who evaluated the Claimant;
 - (B) the views of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a Claimant’s adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination; or
 - (C) a disability determination made by the Social Security Administration regarding the Claimant and presented by the Claimant to the Plan.
- (6) If the adverse benefit determination is based on medical necessity or experimental and/or investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the

determination, applying the terms of the Plan to the Claimant's medical circumstances will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.

- (7) Either the specific internal rules, guidelines, protocols, or other similar criteria relied upon to make a determination, or a statement that such rules, guidelines, protocols, or criteria do not exist.
- (8) A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim.

(f) Appeals Procedure

- (1) When a Claimant receives a notice of an adverse benefit determination, the Claimant may request a review of the decision. The request must be in writing and must be filed within 180 days following receipt of the notice. The Claimant or his authorized representative may submit written comments, documents, records, and other information relating to the claim. If the Claimant so requests, he or she will be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim.

The Claims Administrator will give the Claimant an opportunity to choose to have his/her appeal heard in front of an Adjudicator from either JAMS or Judicate West.

- (2) The review shall take into account all comments, documents, records, and other information submitted by the Claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. The review will not afford deference to the initial adverse benefit determination and will be considered by the Appeals Committee, whose members did not make the initial adverse determination. Upon request, and at no expense to the Claimant, the Appeals Committee will convene a meeting, with at least 30-days advance notice to the Claimant, so that the Claimant's appeal may be heard. Claimant will be given the opportunity and sufficient time at Claimant's own expense to present his or her appeal in person whether *in pro per* or through a representative and will be given the opportunity and sufficient time to present the testimony of lay or expert witnesses.

- (3) If the initial adverse benefit determination was based on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate, the Appeals Committee shall consult with a health care professional who was neither involved in or subordinate to the person who made the original benefit determination. This health care professional will have appropriate training and experience in the field of medicine involved in the medical judgment. Additionally, medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the initial determination will be identified.
- (4) If the Plan considers, relies upon or creates any new or additional evidence during the review of the adverse benefit determination, the Plan will provide such new or additional evidence to the Claimant, free of charge, as soon as possible and sufficiently in advance of the time within which a determination on review is required to allow the Claimant time to respond.
- (5) Before the Appeals Committee issues an adverse benefit determination on review that is based on a new or additional rationale, the Claimant must be provided a copy of the rationale at no cost to the Claimant. The rationale must be provided as soon as possible and sufficiently in advance of the time within which a final determination on appeal is required to allow the Claimant time to respond.
- (6) The Claimant will be notified of the determination on review of the claim no later than 45 days after the Plan's receipt of the request for review, or, if a hearing is requested, within 60 days after the hearing is closed, unless special circumstances require an extension of time for processing. In such a case, the Claimant will be notified, before the end of the initial review period, of the special circumstances requiring the extension and the date a decision is expected. If an extension is provided, the Plan Administrator must notify the Claimant of the determination on review no later than 90 days after receipt of the request for review.

(g) Notice of Adverse Benefit Determination on Review

The Plan Administrator shall provide written notification to the Claimant or his authorized representative. If the initial adverse benefit determination is upheld on review, the notice will include:

- (1) The specific reason or reasons for the adverse determination.

- (2) Reference to the specific Plan provisions on which the determination was based.
- (3) A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim.
- (4) A statement of Claimant's right to bring a civil action under California Code of Civil Procedure section 1094.5 and, if the Plan imposes a contractual limitations period that applies to Claimant's right to bring such an action, a statement to that effect which includes the calendar date on which such limitation expires on the claim.
- (5) A discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - (A) the views presented by the Claimant to the Plan of health care professionals treating the Claimant and vocational professionals who evaluated the Claimant;
 - (B) the views of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a Claimant's adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination; or
 - (C) a disability determination made by the Social Security Administration regarding the Claimant and presented by the Claimant to the Plan.
- (6) If the adverse benefit determination is based on medical necessity or experimental and/or investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.
- (7) Either the specific internal rules, guidelines, protocols, or other similar criteria relied upon to make the determination, or a statement that such rules, guidelines, protocols, or criteria do not exist.

(h) Relevant Documents

For purposes of these procedures, a document, record, or other information shall be considered relevant to a claim if it:

- (1) was relied upon in making the benefit determination;
- (2) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether it was relied upon in making the benefit determination;
- (3) demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that benefit determinations are made in accordance with Plan documents and Plan provisions have been applied consistently with respect to all Claimants; or
- (4) constituted a statement of policy or guidance with respect to the Plan concerning the denied treatment option.

(i) Exhaustion of Remedies

No legal action for benefits under the Plan may be brought until the Claimant has exhausted all remedies available under this claims procedure.

(j) Limitations Period on Claims

Any legal action related to a claim for benefits must be filed within one year from the date on which the Appeals Committee provides notice that the Claimant's appeal has been denied or after all remedies under this claims procedure have otherwise been exhausted, regardless of any state or federal statutes establishing provisions related to limitations of actions.

6.24 NO VESTED RIGHTS

Participants and their Beneficiaries have no vested rights to the interim death and disability benefits provided under this article. The City will terminate eligibility for and payment of benefits under this article upon the effective date of the permanent City of San Diego Death and Disability Plan. At such time, the City will amend the Plan by resolution of the City Council to remove this Article VI. For the sake of clarity, any death or disability benefit payments being made to Participants or Beneficiaries under this article will immediately cease upon the effective date of the permanent City of San Diego Death and Disability Benefit Plan. No further payments will be made under this article, but will instead be made under the permanent City of San Diego Death and Disability Benefit Plan. Participants and Beneficiaries will also no longer be eligible for awards of

benefits under this article after the effective date of the permanent City of San Diego Death and Disability Benefit Plan.

6.25 BENEFIT PAYMENTS UNDER OTHER PLAN PROVISIONS

If a Participant is eligible to receive a benefit both under this article and another provision of the Plan, the benefit provided under the other Plan provision will be paid to the Participant. If eligibility for payment of the benefit under the other Plan provision ceases for any reason, the benefit under this article will then be payable to the Participant, provided the Participant meets the eligibility requirements of this article at the time benefit payments cease under the other Plan provision. Under no circumstances will simultaneous benefit payments be made to a Participant under this article and another Plan provision.

6.26 SUNSET PROVISION

Notwithstanding any other provision in the Plan except as provided in Section 6.24 above, this article of the Plan will terminate on December 31, 2022 unless it is mutually agreed in writing to extend the termination provision to a later date by the City and the applicable REOs.
