

Storm Drain Fund

Page Intentionally Left Blank

Description

The Stormwater Department designs, operates, and maintains the City's storm drain system. The City collects a fee via the water service billing process to partially fund the design, operation, and maintenance of the system. Storm drain funding is also used to help the City remain in compliance with the Municipal Storm Water Permit administered by the Regional Water Quality Control Board. The Public Utilities Department is reimbursed by storm drain revenue for costs associated with collection of the storm drain fee.
